Grading Scale & Class Rank

Wadsworth High School uses a weighted grading scale to calculate grade point averages (GPA). All subjects are used when computing this GPA. Courses taken prior to 9th grade with high school credit awarded will be factored into the GPA.

Wadsworth High School will not calculate exact rank for students. Percentage data (decile) rank will be available upon student request.

COURSES:

Advanced Placement Courses:

Wadsworth High School offers 17 Advanced Placement courses: Art, Biology, Calculus, Chemistry, Economics, Pre Calc, Computer Science, English Literature and Language, Environmental Science, Research, Government, European History, Physics, Statistics, and U.S. History. Students are not limited to the number of AP courses they may take. In May 2024, a total of 398 exams were taken in 6 subjects. 85% received scores of 3 or higher.

Honors Courses are offered in the English, Math, Language, Career-Tech, and Science Departments. College Credit Plus courses offering dual credit in core curriculum subjects (math, English, science, and social studies) will be weighted on the 5.0 grading scale. College Courses outside the core subjects offering high school elective credit will not be weighted. Fourth year of world language will be weighted on the Honor's scale. Over 225 students earned college credit last year through College Credit Plus.

Career Tech & Tech Prep

Wadsworth is part of the Four Cities Educational Compact. Students may earn college credit in many of the 22 career-tech programs available.
