Fall Schedule 2024

August 26th - 30th expect multiple practices to get ready for our first fall performances

- Starting the second week of school regular practices begin:
 - Tuesdays - Thursdays from 2:15-3:45 pm in the AUX Gym/D House
 - Saturdays from 8-12pm
- *more or less depending on progress towards performance goals

TEAM GOALS

- Involve parents in RRHS Booster activities (concessions mainly)
- Start our own Boosters which will increase our ability to raise and spend funds as we see fit

River Ridge Dance Team 2024-2025

WELCOME!!

We get to dance! This is going to be a great year for performing and growing as a team. One of our big goals this year is to gain new tricks, techniques and qualify for state in both Pom and Hip Hop.

The goal of this team is to improve our skills and build community around our passion for dance. With that in mind attendance and full participation in all competitions and performances is HIGHLY recommended, especially if dancers want to earn a spot in our competitive routines. Dates for all important events will be given out in May so families may plan around them during the summer. The following pages have important information about how practices, performances, and other activities will be conducted.

It will be very important for the dancer and their parents/guardians to read over the material and SIGN BELOW stating they understand some of the expectations that team members have.

We will utilize BAND, an app that allows us to communicate quickly, share videos, pictures, music and more! Please get our join code if you're not already a member!

Calendars will be given out via BAND which will be shared with dancers and parents.

Summer practices will be kept to a minimum but will include weekly workouts starting August 5th, unity/team building activities, and near the end of summer (late August) we will increase our practice days to prepare for performances that take place early on in the school year.

Please sign and date below. By doing so you are stating that you've read ALL the information in this packet and understand the commitments that participating in this year long sport requires.
