

**Dear Future Rhino,**

**The Taft School** is a co-ed private boarding school in Watertown, Connecticut, serving grades 9 through post-graduate by offering first-rate academics, arts and top-level athletics.

In addition to learning from devoted faculty, hockey players will have the opportunity to compete on one of the top prep school teams in New England.

When you become a member of the **Taft Hockey** team you join a long line of Rhinos who have come before. Hockey is one of Taft's oldest and most storied sports, having been played since the school's founding in 1890.

As a program, we are proud of providing a positive and enthusiastic environment for student athletes to improve their individual skills and hockey IQ within a team environment. The coaching staff's experience in the NHL, NCAA D1 and D3 ranks among the best behind a NEPSIHA (New England Prep School Ice Hockey Association) bench. We utilize video to teach concepts, review and refine specific skills, and emphasize vital character traits for our player development. The combination of our two on-campus ice surfaces, Odden Arena and Mays Rink, along with our strength and conditioning program provides abundant resources to further growth.
