

Athletic Liaison: 9/12/24

Football: Football is off to a great start to their season; they have a 2-1 record. They fell short to Morrisville last Friday 15-18. They currently have 33 boys on their roster, which is by far the most kids we have had in the last 8 years. They will travel to Berks Catholic this Friday to start their league play for the year.

Boys Soccer: Boys soccer is currently 3-0-2 this year with a 5-0 victory last evening against Annville Cleona. The boys had three overtime games this year, which has made for some very exciting finishes. The boys are in a great spot to have a successful season.

Girls Soccer: Girl soccer is on a roll with a 4-1 record this year. The last game was a nail-biter Tuesday night when the girls fell to ELCO 1-0 in double overtime. That game started their league play, where they will be competing in Section 3 this season for the first time. The girls are determined to prove that the move up in section play will not hurt them and that they can compete against any team.

Cross Country: Cross Country is a very exciting team to watch this fall. With numbers increasing due to the new co-op with Lancaster Mennonite, we have been much more competitive now that our roster sizes allow us to have an official score in boys and girls meets. Cross Country hosted Octorara and ELCO this past Tuesday at a home meet. The boys were able to get the victory, and the girls lost a close one to Octorara but did beat ELCO. The boys are 2-1 and the girls are 1-2 to start the league in section play.

Cheer: Cheer has been doing a great job with cheering on the boys at football games this year. They have been working on multiple new routines and learning many new skills related to stunting.

Girls Tennis: Tennis has an overall record of 6-3 and a 3-2 section record. They sit in 4th place in section 3. Numbers continue to be high with 13 girls.

Golf: Golf is 20-0 this season. They play a section match today at Cross Gates. Coach Belier just recently passed his 400th career wins as our golf coach last week. We congratulate both him and his team, who are having an incredible year. Wishing them the best as they start league playoffs on 9/23 at Media Golf Course.

JH Football: JH Football had a great first game against Ephrata last week where they won 14-0. They travel to Octorara today to play their second game of the season. The morale has been high this year with great numbers and participation so far this season.

JH Boys and Girls Soccer, JH Boys and Girls Cross Country, and JH Cheer: The remaining JH sports are off and running. Each sport has one team due to numbers. Each team started playing regular matches last week.
