Continuous Improvement Plan 2024-2025

Locust Fork High School

Vision

Leadership for the Future Helping Students Succeed

Mission

Our mission is to provide students will the skills necessary to be confident, self-directed, life-long learners.

Beliefs

Each student is a valued individual.

Our school should be a safe and positive environment.

Education is a partnership.

Quality instruction provides meaningful learning opportunities.

Students should be actively engaged in learning.

Classroom Instruction

Objective

Increase student proficiency in all subjects.

Critical Initiatives

- 1. Standards-based planning, instruction, pacing, assessments, grading, and activities.
- 2. Increase the number of students that benchmark on the ACT.
- 3. Collect and analyze data with teachers and students to improve teaching and learning.

Learning Supports

Objective

Support individual learners at our school in order to meet academic and behavioral needs.

Critical Initiatives

- 1. Increase proficiency for our Special Education and English Learner populations.
- 2. Provide enrichment and intervention opportunities for students.
- 3. Provide transition services to students graduating from and enrolling in LFHS.

School Cullture

Objective

Partner with our community to grow our students academically, mentally, and emotionally.

Critical Initiatives

- 1. Support the health and wellness of our students.
- 2. Improve communication and collaboration between the school and the community.
- 3. Build a positive school culture and be a champion for all students.
