### INSTRUCTIONAL FOCUS

BISD Deputy Superintendent Liesa Land highlighted teachers within the district that have been designated as Recognized within the BISD Teacher Incentive Allotment (TIA) program. TIA is designed to reward and support those who have demonstrated exceptional teaching practices, contributing significantly to student success and our district's overall performance. Teachers designated as Recognized met criteria in the areas of student growth, Instruction and Learning Environment (TTESS), and received a qualifying score on a locally designed teacher designation rubric. The total payout of \$84,407 received in February 2024 and August 2024 was based on 2022-2023 data and 90% (including benefits) will go to teachers. These designated teachers will receive annual payments based on this data for an additional 4 years with the opportunity to advance their designation each year by improving their student growth measure and TTESS evaluation average.

BISD teachers designated as Recognized within the TIA program include Jason Adams, Laura Alexander, Angela Bishop, Elizabeth Clevenger, Jennifer Demasters-Mares, Kristen Herring, Maura Lillibridge, Stephanie Morton, Kasiti Rice, Rachel Smiley, Robin Smith, Jillian Tippit, and Amber Wilson. Recognized teachers are pictured below along with their school's principal.
