Re: 2024-25 Final Budget

Attached you will find information regarding the recommended budget for the 2024-25 fiscal year (FY2025). We appreciate the collaboration with you, the Finance Advisory Committee, and the School Board in establishing the budget assumptions that were foundational to the development of this year's budget.

### **General Fund**

The budget, as presented, results in a FY2025 estimated year-end unreserved General Fund balance of \$4,969,641 (7.56%). This fund balance is a slight increase of \$139,250 from the FY2024 budget. This fund balance is below the board approved budget assumptions for FY2025 (8%). At this point, we believe this is a realistic picture of the budget, as we:

- maximize revenue across all federal and assigned state revenue programs;
- work with our transportation providers to contain rapidly growing costs;
- work with the Finance Advisory Committee (FAC) and all budget managers to monitor and contain spending; and
- make a plan to grow fund balance in the coming years, as recommended by the FAC.

### **Budget Addition: New Organizational Structure**

The budget includes budget capacity for the following:

- **Adding an assistant superintendent position:** The assistant superintendent's primary responsibility will be to support the teaching and learning function.
- **Adding an assistant principal to Park Spanish Immersion and Peter Hobart:** maintain the assistant principal at Aquila; add an assistant principal at Park Spanish Immersion and Peter Hobart and eliminate the elementary support supervisor positions at those two sites. Susan Lindgren chose not to have an assistant principal and will instead continue with the elementary support supervisor role. The added administrative capacity at the elementary level will support district-wide work such as the design and implementation of MTSS.

### **Next Steps**

The final budget book will be posted online in the coming days and will be presented at the June 24, 2024 regular school board meeting.

## **FY 2025 Budget Executive Summary**

---

## Executive Summary

This budget of Independent School District No. 283, St. Louis Park Public Schools, is for the fiscal year beginning July 1, 2024 and ending June 30, 2025 (FY2025). Prior year data is included for comparative purposes and budgeted amounts for FY2024.

The District anticipates ending FY2025 with a 7.56% unassigned General Fund balance (including assigned for subsequent year's budget). This fund balance is below the 8% assumption that was approved by the School Board at its April 30, 2024 meeting. This accounts for additional expenditures related to the addition of an assistant superintendent position and 2 additional elementary school assistant principals (Peter Hobart and Park Spanish Immersion). According to Interim Superintendent Dr. Kate Maguire, *"Given the backdrop of budget reductions in recent years, I acknowledge that there may be concerns about my decision to add a new leadership position and assistant principal roles at two elementary schools. The estimated cost impact of these changes is approximately \$280,000. These changes are a strategic move to impact student outcomes. In my experience as a superintendent, the return on this investment will be evident in the transformative impact on student achievement."*

This fund balance is in keeping with School Board Policy 715, Fund Balances, which states; *The School Board desires an unreserved general fund balance for the following reasons: cash flow, legislative short fall, tax abatements, and other unanticipated needs. The School Board understands that conditions may determine that the target of 6% unreserved general fund balance will be unobtainable in some years. The School Board will establish the amount of unreserved general fund balance during the annual budget process.*

The table below summarizes the FY2025 budget.

## Organization Overview

Independent School District No. 283, St. Louis Park Public Schools, is an instrumentality of the State of Minnesota established to function as an educational institution serving students from early childhood through 12<sup>th</sup> grade. The elected school board is responsible for legislative and fiscal control of St. Louis Park Public Schools. A superintendent is appointed by the board and is responsible for administrative control of the district. There are no other entities for which the district is considered financially accountable.

### SCHOOL BOARD OF DIRECTORS

Back (L-R): Chair, Colin Cox; Taylor Williams; Virginia Mancini; Vice Chair, Abdihakim Ibrahim

Front (L-R): Sarah Davis; Anne Casey; Treasurer, Celia Anderson

### SUPERINTENDENT'S CABINET

The make-up of the administrative team (Superintendent's Cabinet) at St. Louis Park Public Schools is outlined as follows:

Position	Name
Superintendent	Dr. Carlondrea Hines
Assistant Superintendent	Dr. Alecia Mobley
Director of Business Services	Patricia Magnuson
Director of Student Services	Dr. Constance Robinson
Director of Human Resources	Richard Kreyer
Director of Teaching and Learning	Dr. Patrick Duffy
	Dr. Silvy Lafayette
	Freida Bailey
Director of Community Education	Patrice Howard
Director of Communications & Community Relations	Ashley Sukhu
Director of Information Services	Tom Marble

## FACILITIES

Students who attend St. Louis Park Public Schools are served in the following grade level configuration:

- **Elementary School:** Kindergarten through Grade 5
- **Middle School:** Grades 6 through 8
- **High School:** Grades 9 through 12

Name of School	Square Footage	School Type
Aquila Elementary	67,405	Boundary
Peter Hobart Elementary	73,076	Boundary
Susan Lindgren Elementary	77,896	Boundary
Park Spanish Immersion Elementary	79,589	District-Wide
St. Louis Park Middle School	201,716	District-Wide
St. Louis Park High School	370,957	District-Wide

### Central Community Center/District Office (183,941 sf) houses

- The **District Office** houses the centralized administrative services of the district which are a part of the Superintendent's cabinet as listed above.
- Early Childhood Special Education
- Early Childhood Family Education
- Early Learning Programs (half-day preschool)
- Kids Place Preschool Childcare
- Aquatics
- Central Clinic, a free, walk-in clinic for children from birth through high school who live in or go to school in the St. Louis Park or Hopkins school districts
- Adult Education Programs; GED, Career Pathways, Adult English as a Second Language (previously in Adult Options Education Center)

These programs are housed at the **Lenox Community Center** (56,973 sf)

- Community Education Senior and Adult Programs
- District Community Education facilities scheduling/rentals
  - long term rentals; National Youth Leadership Council and RISE
- District Community Education Volunteers
- Transition Plus, a joint program with Hopkins Public Schools, that works with young adults with disabilities (ages 18 to 21).
- 9-12 Program, a setting four high school special education program

The district continues to lease a 17,775 sq. foot building (located at 6311 Wayzata Boulevard) which is used for storage and offices as needed. The lease for this facility expires on June 30, 2028.

The Melrose Center, St. Louis Park, houses an eating disorder treatment program. St. Louis Park Public Schools provides a teacher for this Park Nicollet program because it is a care and treatment facility that falls within school district boundaries.

Other Community Education classes such as Adult Programs, Youth Enrichments, and Kids Place (before and after school care) are held in district school facilities and in locations throughout the City of St. Louis Park.

## Budget Assumptions

The **Budget Assumptions** are an important starting point in budget preparation. These assumptions were created in collaboration with the Finance Advisory Committee. Budget assumptions approved by the School Board at its April 30, 2024 meeting are as follows:

### 1. Estimated Enrollment

- Kindergarten through 12th grade estimated enrollment of 4,212 (includes 309 kindergarten students), which is a decline of 83 students overall using a seven year weighted ratio model.

### 2. Classroom Teacher Staffing

- Class size guidelines are consistent with FY2024 and staffing assumptions are based on estimated enrollment and these class size guidelines across district and by grade:

Grade	Guidelines
Kindergarten	23.0
Grade 1	23.0
Grade 2	24.0
Grade 3	26.0
Grade 4	28.0
Grades 5	29.0
Grade 6-8	30.0 - 35.0
Grades 9-12	

### 3. District Fees

- Student activity fees - no change (see informational section)
- High School club fees - no change
- High School parking fees - no change (\$50 per semester)

### 4. State General Funding - Formula increase of 2% for FY2025; \$7,281 per adjusted pupil unit.

### 5. Fund Balance - Minimum General Fund balance maintained above 6% per School Board policy with the goal of 8%; budget presented with a 7.56% balance

### 6. Purchased Services - Market increase in transportation, utilities and property/liability insurance

### 7. Salary/Benefits - Known increases for settled employee contracts and open employment contract reflect historical patterns

### 8. Contingency General Fund contingencies: \$200,000 to address class size or other staffing concerns as this fall's enrollment numbers become known or to address other unforeseen needs of the General Fund throughout the year

## OVERVIEW OF FUNDS

As per state law, St. Louis Park Public Schools maintains a separation of funds. The **General Fund** is used to account for the basic K-12 educational operations of St. Louis Park Public Schools including salary and benefits for teachers, custodians, district administrative support, site principals and site staff; building operations costs; pupil transportation; and other general district operational costs. The General Fund also includes expenditures associated with categorical state funding sources specified in statute:

- Operating Capital – revenue and expenditures for capital items such as equipment, furniture, software, computers, vehicles, and textbooks;
- Long Term Facilities Maintenance – revenue and expenditures associated with the deferred maintenance and health and safety programs; and
- Capital Projects Levy – revenue and expenditures associated with the voter approved technology levy.

While the Executive Summary will focus on the General Fund’s fiscal condition, the district also approves a budget in the following funds:

- School Nutrition Fund (operating fund) – Revenue and expenditure activity related to the school lunch, milk, concessions, vending and breakfast programs
- Community Service Fund (operating fund) – Revenue and expenditure activity related to Community Education, Early Childhood and Family Education, School Readiness, Preschool Screening, and Non-Public pupil support
- Debt Service Fund (non-operating fund) – Revenue and expenditure activity related to the district’s outstanding bonded indebtedness, whether for building construction or operating capital, and whether for initial or refunding bonds

The following non-operating funds are not budgeted and are not included in this executive summary.

- Building Construction Fund – The Building Fund is used to record all operations of a district’s building construction program that are funded by the sale of bonds or capital loans; because building construction is ongoing throughout the duration of construction projects, the budget is established for the project and not by fiscal year
- Internal Service Fund – Revenue and expenditure activity related to the district’s self-funded dental and health insurance plans and Other Post Employment Benefits (OBEP) funds; the revenue and expenditures in these areas are dependent upon the choices made by staff who participate in these benefits, therefore, we do not attempt to budget in these areas, but continuously monitor the overall balances
- Trust & Agency Fund – Revenue and expenditure activity related to funds that the district holds in trust for others; these funds are budgeted by the school district, but are available for the purposes of other organizations; the district currently holds a custodial account for Children First and for the Voss Family Foundation

**OVERVIEW OF FUNDS (continued)**

The following graphs illustrate the proportional revenues and expenditures budgeted for each budgeted fund for the 2024-25 fiscal year:

## REVENUE ASSUMPTIONS

### GENERAL FUND

**General Fund revenue is projected to increase** by \$3,648,000 or 4.78% from the 2023-24 mid-year budget. The breakdown of the revenue within the general fund by source is as follows:

	Budget				Actual
	FY2025	FY2024 Mid-Year	Change		FY2023
Property Taxes	\$23,502,000	\$22,200,000	\$1,302,000	5.86%	\$21,615,813
Local Revenue (fees, admissions, interest)	\$740,000	\$1,287,000	-\$547,000	-42.50%	\$1,802,698
State Revenue	\$53,456,000	\$50,508,000	\$2,948,000	5.84%	\$47,149,378
Federal Revenue	\$2,297,000	\$2,352,000	-\$55,000	-2.34%	\$3,223,301
<b>Total Revenue</b>	<b>\$79,995,000</b>	<b>\$76,347,000</b>	<b>\$3,648,000</b>	<b>4.78%</b>	<b>\$73,791,189</b>

1. **State Revenue** serves as the district's primary funding source, comprising 67% of the General Fund revenue. State Aid is budgeted to increase by \$2,948,000 or 5.84% versus 2023.24.

The majority of the State Aid category is Basic General Education Aid. This category includes a 2% increase in the basic funding formula. This aid increase is completely offset by a projected enrollment decline of 83 students. The components of Basic General Education Aid are (1) the per pupil funding formula multiplied by (2) Adjusted Pupil Units, as described below.

- (1) Basic General Education Funding Formula - The per pupil funding formula used in the is \$7,281 for FY2025. The table below outlines historical per-pupil-unit funding.

Year	Amount	Explanation
2013-14	\$5,302	1.5% increase
2014-15	\$5,831	1.5% increase + \$25
2015-16	\$5,948	2.0% increase
2016-17	\$6,067	2.0% increase
2017-18	\$6,188	2.0% increase
2018-19	\$6,312	2.0% increase
2019-20	\$6,438	2.0% increase
2020-21	\$6,567	2.0% increase
2021-22	\$6,728	2.45% increase
2022-23	\$6,863	2.0% increase
2023-24	\$7,138	4% increase
2024-25	\$7,281	2% increase (current law)

- (2) Adjusted Pupil Units - The district anticipates enrollment for FY2025 to be 4,212 for K-12th grade students in attendance in local district facilities. Note: this differs from enrollment reported to the state for other purposes which will include students in attendance at facilities outside the district, such as Intermediate District 287, for which the district receives and passes along aid in the form of a tuition payment.

Final adjusted pupil units are calculated by the Minnesota Department of Education approximately 6 months after the end of a fiscal year (January 2026 for the FY 2025) through a complex set of data and reporting which includes the following:

- **Adjusted Pupil Units** calculate actual “membership time” in St. Louis Park Public Schools multiplied by a statutory weighting factor per grade level (grades K-6 – 1.0, grades 7-12 = 1.2), rather than simple enrollment counts at a given point in time.
- Adjusted Pupil Units also includes the net impact of “**enrollment options**” agreements with other Minnesota public school districts. This accounts for students enrolling into or out of St. Louis Park Public Schools to or from other Minnesota public school districts.
- Adjusted Pupil Units also includes students who leave the district through **tuition agreements** with another district and excludes students who enter the district through these tuition agreements. The state aid is passed along to the enrolling district through tuition payments.
- St. Louis Park Public Schools has approximately 200 resident students who attend **public charter schools**. Unlike the tuition options noted above, public charter schools receive state aid directly, so are not reported by St. Louis Park Public Schools. There are also approximately 1,000 resident students who attend **private or religious schools** (10 in St. Louis Park district boundaries), which are not reported by St. Louis Park Public Schools. Neither of these sets of students is included in the Adjusted Pupil Unit calculations for the district.

The remainder of the State Aid is made up of state Special Education Aid and other categorical programs such as achievement & integration, desegregation transportation, non-public pupil transportation, secondary vocational aid, and alternative teacher compensation (Q-comp).

Special education aid accounts for the vast majority of the revenues in this category, totaling \$13 million (24% of the general fund state aid), based upon district expenditures and state appropriations. This category has increased dramatically in recent years due to an increase in this formula made during the 2023 legislative session and due to increasing costs for special education, particularly for special education, homeless and foster care transportation.

New revenue in FY2024:

The 2023 Legislative session resulted in 3 new categories of revenue, which continue to be included in the budget as follows:

Hourly Worker Unemployment Aid (cost)	\$139,000
Student Support Personnel Aid (\$11.94 per APU)	\$57,000
School Library Aid (\$16.11 per APU)	\$79,000

## 2. Property Tax Revenue

Property tax revenue is determined by specific funding formulas and limits established in state law or by voter approval. Property tax revenue in the General Fund is budgeted to increase by \$1,302,000 or 5.86% from FY2024. Unless patterns for delinquent taxes or state tax shifts change, this category remains fairly stable. In the unrestricted General Fund, there is an increase in the voter-approved referendum due to the inflationary factor included in the operating referendum formula. This revenue category also includes levies for other formula-driven categories (alternative teacher compensation (Q-comp) and safe schools) MDE approved categories (achievement and integration, unemployment, judgment and career and tech), and capital related levies (LTFM, leases and the equalized portion of operating capital). See exhibit in the Informational Section for the line item details for taxes payable in 2024.

Restricted Property Tax Revenue: Tax levies in restricted funds are increasing for the capital projects (technology) levy due to the formula for this voter-approved levy of 4.287% of net tax capacity. This levy was last authorized in August of 2022 through voter approval.

## 3. Federal Sources

Federal revenue makes up about 3% of the general fund revenue. Federal sources include:

- Special Education (Section 611, Section 619, and Part C) makes up 57% of the budget for federal revenue or \$2,297,000 in FY2025.
- Title I, II, III and IV funding in FY2025 totals \$982,000, or 43% of the budget for federal revenue.

## 4. Other (Tuition, Fees, Admissions, Interest, Donations)

Revenue in this category is budgeted to decline from FY2024 by \$547,000. Items included in this category are student parking fees, student activity fees (see informational section), athletic and other event admissions, and interest earnings. This represents a conservative approach to the budget because donations and gifts are not included in the budget.

### SCHOOL NUTRITION FUND

Revenue in the School Nutrition Fund is budgeted to remain flat in FY2025. Changes to revenue patterns that have resulted from the state's universal free meals program are reflected in the FY2024 budget. Until we have more information about these patterns and because we anticipate pattern changes due to the new cafeteria opening at the high school as well as the closed campus, we are holding on making changes to revenue assumptions until new patterns can be established.

	FY2025 Budget
State Revenue	1,240,000
Local Meal Sales/Other	212,000
Federal Revenue	1,049,000
Total	2,501,000

The following assumptions are included in the FY2025 mid-year School Nutrition revenue budget:

1. **Local Meal Sales** is budgeted to remain at \$212,000 in FY2025. This reflects the state funding for universal free meals. Prices included in the budget for meal sales are as follows (due to free meals, this would only be attributed to second meals or adult meals).

		Breakfast	Lunch
Elementary/Secondary Student	1st meal	\$0.00	\$0.00
	2nd full meal	\$3.50	\$5.00
	extra entree	\$2.00	\$3.00
Adult meal		\$3.50	\$5.00
Milk		\$ 0.60	\$0.60

2. **State Revenue** for school nutrition is budgeted to remain at \$1,240, 000, the largest portion of the revenue budget, due to state funding for universal free meals.
3. **Federal Revenue** sources are budgeted to remain at \$1,049,000 in FY2025.

### COMMUNITY SERVICE FUND

The Community Service Fund includes community education and early childhood family education (ECFE). Total revenue for this fund is budgeted to increase by \$387,647 or 5.41% from FY2024. The Community Education Advisory Council reviews and approves this budget.

### DEBT SERVICE FUND

The revenue budget of \$19,171,000 represents property tax revenue levied to make debt service payments.

**EXPENDITURE ASSUMPTIONS****TOTAL GENERAL FUND**

The General Fund expenditure budget is increasing by \$1,898,100 from FY2024 to FY2025.

	Budget				Actual
	FY2025	FY2024 Mid-Year	Change		FY2023
Salaries/Benefits	\$62,733,100	\$60,681,200	\$2,051,900	3.38%	\$58,079,773
Purchased Services	\$13,627,500	\$14,525,000	-\$897,500	-6.18%	\$13,126,469
Supplies, Equipment, Other	\$5,456,050	\$4,712,350	\$743,700	15.78%	\$5,646,734
Total Expenditures	\$81,816,650	\$79,918,550	\$1,898,100	2.38%	\$76,852,975

1. The **salaries & wages and employee benefits** budget of \$62,733,100 includes all General Fund employee groups and represents 76.7% of the total budget.

This budget includes:

- Wage/benefit costs for existing employment agreements including allowances for longevity, education, health & dental benefits and pay rates.
- An allowance for wage/benefit changes that may result from bargaining agreements that are being negotiated for the FY2025 budget. This budget capacity was calculated based upon the average increase from the previous round of bargaining.
- The cost of statutory benefits (Teachers Retirement Association - TRA, Public Employees Retirement Association - PERA, Federal Insurance Contributions Act/Medicare and Social Security - FICA). The employer portion of FICA is 7.65%, TRA is 8.75% and PERA is 7.5%.
- Any changes to staffing levels to accommodate budget reductions.

As of the budget preparation date, the status of employee contracts is as follows.

(\*Note: School Nutrition personnel are a part of the Food Service Fund and Child Care Educators are a part of the Community Service Fund.)

<b>Bargaining Unit</b>	<b>Contract Expires</b>	<b>Status</b>
Teachers (PAT)	June 30, 2025	Settled

2. The **purchased services** budget of \$13,627,500 represents a decline of \$897,500 or 6.18% from FY2024. This budget includes tuition payments to other districts, contracted services, pupil transportation services, substitute teachers, utilities, property insurance, professional service fees, and travel & conferences. The costs for pupil transportation services reflect rate increases with both Park Adam and other transportation service providers, in keeping with current contracted rates resulting from inflationary pricing structures in the transportation market. Costs for pupil transportation are driven by increasing costs and a sharp increase in the number of homeless, foster care and special education students transported. The FY2025 budget anticipates cost containment measures in transportation.
3. The **supplies, equipment and other** budgets of \$5,456,050 represent an increase of \$743,700 or 15.78% from FY2024. This budget includes both instructional and non-instructional supplies, fuel, and equipment. The increase reflects the placement of principal allocations (\$538,000) into a general supplies account. Once allocated, these funds will likely be distributed among both purchased services and supplies/equipment categories.

### SCHOOL NUTRITION FUND

The expenditure budget of \$2,794,000 represents an increase of \$572,000 or 25.74%.

	Budget				Actual
	FY2025	FY2024	Change		FY2023
<b>Salaries/Benefits</b>	1,480,000	1,213,100	266,900	22.00%	786,188
<b>Purchased Services</b>	52,000	47,700	4,300	9.01%	65,971
<b>Supplies, Equipment, Other</b>	1,262,000	961,200	300,800	31.29%	1,453,316
<b>Total</b>	2,794,000	2,222,000	572,000	25.74%	2,305,475

This budget includes the following assumptions:

1. **Salaries & wages and employee benefits** budget of \$1,480,000, up from FY 2024 by \$266,900, includes salary and benefits for School Nutrition employees and custodial support. This budget represents 53% of the total School Nutrition budget and includes:
  - Wage/benefit costs for existing employment agreements including allowances for longevity, education, health & dental benefits and pay rates.
  - The cost of statutory benefits (PERA, FICA)
  - A return to full staffing levels in FY2025
2. The **purchased services** budget of \$52,000, an increase of \$4,300 or 9.01%, includes payments for equipment repairs and maintenance, credit card fees, and conferences.
3. The **supplies, equipment and other** budget of \$1,262,000 represents a 31.29% increase over FY2024. This category includes costs for food supplies, kitchen supplies, and cafeteria supplies. This increase reflects a continued investment in fresh, locally grown meats, fruits and vegetables.

### COMMUNITY SERVICE FUND

The expenditures budget of \$7,557,800 reflects an increase of \$387,647 or 5.41% from FY2024. The Community Education Advisory Council reviews and approves this budget.

### DEBT SERVICE FUND

The expenditure budget of \$18,783,000 represents principal and interest payments against bonded debt. See the informational section for detailed debt service schedules. The budget includes principal payments of \$8,450,000, interest payments of \$10,308,000 and other debt service expenses of \$25,000.

## By UFARS Organization/Site Dimension

The organization/site dimension is a three-digit number that is the portion of the total account code which makes it possible, at the local level, to identify expenditures and revenues by a specific budgeted learning site or districtwide. A budgeted learning site is an organizational unit where students attend. It is established for a specific purpose and registered with the Minnesota Department of Education (MDE). A typical budgeted learning site is an elementary, middle or secondary school (whether or not it is in a separate building) or a budgeted learning site that is located in several buildings and is identified in the Minnesota Automated Reporting Student System (MARSS) and Staff Automated Reporting (STAR) systems.

Each school district must use the same numbers in the Uniform Financial Accounting and Reporting Standards (UFARS) reporting system as they use in MARSS and STAR. In MARSS, the school number is used to link school file records with student file records for the purpose of calculating Average Daily Membership (ADM) and assigning fall enrollment counts to a school. The three-digit numbers registered with MDE are the official identification of the learning sites within a district. For state reporting purposes, the K-12 learning sites used for MARSS and STAR reporting must be used in the organization/site dimension. However, MARSS and STAR learning sites may be grouped into "budgeted learning sites."

## By UFARS Program Dimension

The program dimension designates the programmatic use for which financial activity is taking place. In Minnesota, the program dimension encompasses all aspects of school district operations, including instructional, administrative and various support activities. The program dimension codes are separated into a series of 10 categories. Further definition of each category is found at the beginning of each listing. The 10 categories of the program series are:

Administration	010-099
District Support Services	100-199
Elementary and Secondary Regular Instruction	200-299
Vocational Education Instrucion	300-399

## By UFARS Finance Dimension

The finance dimension is generally used to record revenues and expenditures that relate to an activity funded with a categorical aid or levy, or relate to a restricted/reserved fund balance. The finance dimension is also that segment of the total Uniform Financial Accounting and Reporting Standards (UFARS) account structure used to define specific local, federal or state projects (e.g., food service meal programs and transportation categories).
