Kareemah Fowler
Assistant Superintendent of Business and Finance

Primary goal:

To raise the maximum allowable revenue in each fund to support the educational programs in the district.

Agenda

- Commitment to Increasing Transparency
- Major Fund Groups
- State of the District
- Budget Overview
- Educational and Operational Fund and Deep Dives
- Referendum, Strategic Spending Fund, and Deep Dive
- Debt Service Deep Dive

A Commitment to Increasing Transparency

- Address Board and community questions about Equity in spending-providing for greater transparency
- Evaluate budgets and spending in near real time
- Create interactive school and district profiles that help dissect our budgets to build understanding and map financial and human capital resources
- Provide a tool for school and central office budget owners to make managing finances less burdensome and more digestible
- Build thoroughly developed budget plans that link dollars to our district goals

Strategic Priorities

Academic Excellence

Ensure access to exceptional literacy instruction for all students.

Attract and retain high-quality instructional staff.

Continue focused turnaround efforts concentrated on our lowest-performing schools.

Financial Sustainability

Reduce capital footprint while revitalizing educational facilities.

Achieve long-term reductions in administrative and operational costs.

Improve efficiency and operations of transportation services.

Equity, Inclusion & Justice

Establish a tiered system of support to create positive classroom environments.

Expand coursework access and supports to marginalized student populations.

Ensure corporation staff reflecting diversity of student population.

Community Partnerships

Engage industry and post-secondary partners in the creation of high-quality 6-12 pathways.

Collaborate with community organizations to establish extra-curricular and extended time supports for student learning.

Establish framework for continuous and meaningful community input into SBCSC strategic priorities

Referendum Operating Fund and Strategic Spending

Strategic Spending

Academic Excellence

The Referendum Fund Budget includes additional supports for schools & pre-K/early childhood, and increased teacher pay to ensure better retention.

Financial Sustainability

We have been right-sizing our district, investing in our buildings, and are focused on financial sustainability through responsible financial planning. Most recently we sold the Administration Building.

Equity, Inclusion & Justice

Shifted funding from central office to building level to increase resources for the unique needs of individual school populations, and monitored our building-level spending to ensure populations who need more are served more.

Community Partnerships

Utilized the efficiency study to develop strategic partnerships with higher ed and the local business community for benchmarking successes, which includes career pathways in collaboration with Ivy Tech and IUSB, as well as the Boys & Girls Club for additional academic support.
