Referendum Operating Fund and Strategic Spending

Strategic Spending

Academic Excellence

The Referendum Fund Budget includes additional supports for schools, pre-K/early childhood, and increased teacher pay to ensure better retention.

Financial Sustainability

We have been right-sizing our district, investing in our buildings, and are focused on financial sustainability through responsible financial planning. Most recently we sold the Administration Building.

Equity, Inclusion & Justice

Shifted funding from central office to building level to increase resources for the unique needs of individual school populations, and monitored our building-level spending to ensure populations who need more are served more.

Community Partnerships

Utilized the efficiency study to develop strategic partnerships with higher ed. and the local businesses for benchmarking successes; which includes career pathways in collaboration with Ivy Tech, IUSB, as well as the Boys & Girls Club for additional academic support.
