SEL Counselor Support

SEL Counselor Support

What Parents Need to Know

- Junior year can be a challenging year; many students anticipate a difficult year
- We are here to support students in balancing schoolwork, sports, relationships, work, and other concerns
- Never hesitate to reach out if you notice changes in your student (personality, affect, academics, etc.)
- Please contact us if there are situations that uniquely impact your family (deaths, divorce, extended illness, etc.)

SEL Counselor Support

What Parents Need to Know

- Student mental health continues to be an issue post-COVID
 - Many students are two years behind in maturity in social skills
- It can be difficult to connect students with a mental health provider
- We can meet with students who are in crisis

SEL Counselor Support

What Students Need to Know

- We continue to be here to support you
- We can only help you if you tell us what is going on
- You can schedule an appointment using our Calendly links
- Next year you will be seniors!
- It is not too late to get involved- join Clubs, go on Retreats!
- These months go by quickly, so do your best to be present and enjoy your junior year

Paving the Way for Success

What Parents/Guardians Can Do

- Set appropriate expectations for grades
- Communicate with teachers directly regarding classroom concerns
 1. Student should first advocate for themselves
 2. If parent/guardian involvement is necessary, contact the Teacher
 3. If issue is not resolved, contact their Counselor
 4. Lastly, contact the Vice Principal of Academics, Dr. Kuzmanich
- Help your student set up a balanced routine

Paving the Way for Success: What Your Students Can Do

- Check grades in PowerSchool
- Check Schoology for assignment details
- Use their planner or their devices to keep track of classwork/tests
- Communicate with teachers

Support for Students

Four-Year Schools

Finding Fit

- When a student goes to college and feels as if they are in the right place
- Sense of belonging *Social, cultural, academic, activities, athletic, religious...*
- Location
- Cost of Attendance (tuition, fees, room, board, books, travel)
- Size and Type of School
- Admissions Requirements, including testing (SAT or ACT, with or without Essay?)
- Fit is a two-way street
 - Colleges are looking for the right students while students are looking for the right college

Four-Year University Considerations

What colleges are looking for:

- GPA
- Strength of Coursework
- Grade Trends
- Standardized Test Scores
- Personal Statement
- Extracurricular Activities
- Demonstrated Interest
 - Interviews
 - Campus visits/calls)
- Letters of Recommendation

What students should be thinking about:

- Requirements/Selectivity
- Location
- Size
- Majors/Fields of Study
- Public or Private
- Cost
- Campus Life
- Programs
- Campus Diversity
- Special Needs

What are colleges looking for?

Minimum Education Requirements by Institution

	2-Year and 4-Year Colleges, Universities and Military Academies	Performing and Visual Arts Colleges	Vocational and Technical Schools	Business Schools
English	4 years	4 years	4 years	4 years
Science (including laboratory)	3–4 years biology, chemistry, physics	3–4 years	1–3 years	1–3 years
Math	3–4 years Algebra I and II, geometry trigonometry, pre-calculus, calculus	3–4 years	2–4 years	3–4 years
History/Social Sciences	3–4 years	2–4 years	2–4 years	3–4 years
Foreign Language	2–4 years of same language	2–3 years of same language	2–4 years of same language	3–4 years of same language
Other Activities (including community service, and participation in clubs)	Music, art, dance, drama	Music, art, dance, drama	Shop and skills courses	Shorthand, accounting

Computer skills and foreign languages are becoming prerequisites in many schools.

Two-Year Schools

Two-Year College Considerations

Ex. Highline College, Bellevue College, Green River

- Earn an Associate Degree and direct transfer to a four-year college for junior & senior years ([Direct Transfer Agreement](#))
- Benefits:
 - Cost
 - Size
 - Convenience: flexibility and location
 - Transitional step

For comprehensive information, check out Washington State Board for Community & Technical Colleges:

- <http://sbctc.edu/>

Trade Schools

Technical/Trade School Considerations

Career-oriented programs (Example: Engineering, Automotive Tech, Ultrasound Technician, Wind Turbine Technician, Diesel Mechanic)

- Often found on community college campuses
- Focus on placement into the workforce
- Six months to two years in length (in general)
- Paid apprenticeships are available in some trades

For comprehensive information, check out Washington State Board for Community & Technical Colleges:

- <http://sbctc.edu/>

Service Academies and Military

Military Academies and Direct Enlistment

Service Academies

- USNA Annapolis, USMA West Point, Air Force Academy Colorado Springs
 - Rigorous process, including comprehensive health screening, the need for a Senatorial nomination, fitness assessment, and interview (start now!)
- Speak with recruiters during school visits or through ROTC programs at colleges
- Contact local recruiters through each branch's website
 - [Army](#), [Navy](#), [Marine Corps](#), [Air Force](#), [Coast Guard](#)
- Male U.S. citizens need to register with the Selective Service within 30 days of their 18th birthday

Gap Year

Gap Year

Take time to enhance job or college resumes and to add life experience.

Possibilities include:

- Traveling domestically or internationally
- Gaining work experience
- Volunteer/Service Corps experience
 - [Washington Service Corps / AmeriCorps](#)
 - [PeaceCorps](#)
- May be able to defer college admission
- Some colleges offer a **gap year program**
 - [Verto Education](#) – Earn guaranteed admission through Direct Transfer Partner Colleges

Visiting Colleges

We have many colleges come to our campus to meet with students. Listen for announcements about upcoming visits and check Naviance for an up-to-date list

11th grade is a great time to go on a visit. On your visit:

- Meet with an admissions officer
- Take a campus tour
- Speak with current students
- Eat in the cafeteria
- Complete a post-visit [worksheet](#) and keep in a folder to review later

Pro Tips:

- Sit in on a class
- Speak with a professor or coach in your field of interest
- Collect an admissions officer's business card and follow-up with a thank you email or note

A Note about your Digital Footprint

- College admissions officers can and **DO** look at your online presence: Facebook, Snapchat, Instagram, Twitter, Blogs – make a good impression.
- Create a **professional** email address and check it often!

For International Students

- World Language requirements to graduate from high school are waived for non-native English speakers if a student is in the U.S. education system by 9th grade
- Most schools require TOEFL and/or SAT/ACT unless you have four years of English-based learning by HS graduation
- Scholarships are available for international students, but they are not eligible for financial aid through FAFSA
- Some schools have additional requirements

For Prospective Athletes

- Know your eligibility (DI, DII, or DIII)
- Create your account in the NCAA portal
- Meet the core academic requirements
 - **16 core courses total**
- Review sliding scale for GPA and test scores
- Request Kennedy Catholic to send your transcript to the NCAA at the end of junior year
- Outside of the NCAA Eligibility Center, start completing prospective athlete forms on college websites (Example: University of Oregon)

Financial Aid

- **Tuition vs. Cost of Attendance (COA)**
Tuition varies, even among private schools, while cost of living (housing and food) generally run between \$20K to \$25K/per year depending on student and school
- **Use Net Price Calculators** -- Google: “[college name] net price calculator” to determine your estimated Expected Family Contribution (EFC)
- **Know the difference between:**
 - Merit v. Need-based Aid
 - Grants v. Loans
 - Subsidized v. Unsubsidized Loans
 - Institutional Scholarships v. Outside Scholarships

Paying for College

- **FAFSA (Free Application for Federal Student Aid)** is an application each family will complete starting Oct. 1 of senior year
 - Priority deadline is Oct. 31 of senior year, and a student's college application is generally considered incomplete without it
- **Use Net Price Calculators** -- Google: "[college name] net price calculator" to determine your estimated Expected Family Contribution (EFC)
- **CSS profile**
 - Approximately 400 schools, mostly private
 - \$25 for the first app, \$16 per app after that
 - List of participating schools and other helpful information found [here](#)
- **Western Undergraduate Exchange (WUE)**
 - Western colleges that participate offer tuition at 1.5 times the in-state cost
 - View information about this program [here](#)

Standardized Testing

PSAT / NMSQT: Benefits for Juniors

- Practice for SAT
 - On average, students who take the PSAT score higher on the SAT
- Qualify for scholarships and included for National Merit Scholarship Consideration
- Receive free information from interested colleges & scholarship programs
- Receive access to free [Khan Academy](#) study tools that connect with a student's scores to identify areas to focus on for improvement

Testing Timeline

Fall Junior Year

- PSAT on Wednesday, October 9
- PSAT results and score report are shared by mid-November

Spring Junior Year

- SAT preparation using [Albert.io](https://www.albert.io) or [Khan Academy](https://www.khanacademy.org) from December – March
- [Register](#) for May 3 or June 7 SAT (off site administration)
- Complete the March School Day SAT on Wednesday, March 19

Fall Senior Year

- [Register](#) for August 23 or October 4 SAT (off site administration)
- Self-report scores or order score reports from College Board

Keep an eye out for schools that are test optional/test blind (all Washington schools are test optional, and UC schools are test blind)

- For a list, check out [fairtest.org](https://www.fairtest.org)

Useful Resources

- [Naviance](#): College search engine with KC historical data
- [BigFuture](#): Lots of information, a lot like Naviance
 - Students also like [Cappex](#) and [Niche](#) to search for schools with filters for academics, size, location, and all other aspects of “fit”
- [ACT](#) and [College Board](#) (SAT): Testing registration and score sending sites
- [College Navigator](#): Source for most statistics
- Individual College websites
- Google (or other search engine) for specific information: deadlines, forms, requirements, etc.
