

FALL BREAK BOXES

Many kids are home during break without their normal breakfast and lunch from school. We are hoping to give each family at least one extra box of kid-friendly food before Fall Break, in addition to what we normally give out. We are serving an average of almost 120 families per week, so help us by signing up to donate a packed box or boxes. We are using uniform sized boxes for easy distribution, so contact us to pick up empty boxes or use a copy paper box. Please pack your box for ONE family.
