Educational opportunities include Advanced Placement (AP), Dual enrollment courses with local colleges and universities, Independent Study, Honors, Regents, accelerated courses, career training, special education, TESL, four languages, including Mandarin Chinese, and remedial education. ### CUMULATIVE AVERAGE

The cumulative average, computed at the end of eleventh grade, includes all subjects in which a student received a final numerical grade. **There is no weighting of individual course grades for honors and Advanced Placement courses.** Beginning with the Class of 2023, Great Neck Public Schools reports both weighted and unweighted GPAs on students' official transcripts. A 5% multiplier is applied to the cumulative unweighted GPA regardless of the courses taken. Great Neck Public Schools no longer includes grade distributions on school profiles.

### CLASS RANK

In accordance with Great Neck Board of Education policy, **students are not ranked by cumulative averages relative to their classmates.**

*Please note that due to the cancellation of New York State Regents Examinations in 2020, 2021, and 2022, students were granted exemptions based on their course work, which is reflected as an "E" on the academic transcript. In addition, "SA" denotes Regents exam credit granted based on Superintendent Special Appeal and satisfied by passing grades in the subject for which the appeal was made.*
