Shirey	CTI	CTI provides students the opportunity to sharpen skills learned in their career and technical education classes and explore opportunities not available through the CTAE program at their school. In addition, students experience work related activities that assist them in their planning for post-secondary opportunities. CTI students develop confidence and maturity through meeting challenges and completing projects as they prepare for statewide competitions. As they receive recognition for those achievements, their self-esteem grows, and they become more confident of their abilities.	Rm 137
