

ENRICHMENT (SCHOOL DAY) CLUBS

Club Sponsor	Club	Description
Kinnebrew	Hooked on Crochet Club	No matter if you're picking up a hook for the first time, have whipped up a few quirky projects, or are already a crochet expert, you're welcome here! It's a vibrant, fun, and friendly space where you can connect with both old friends and new faces, learn something new, polish your skills, and really let your creativity shine. Come join us!
Quinn	Global Impact Academy Science Fiction, Fantasy, and Horror Club	Interested in the Marvel Cinematic Universe? The Lord of the Rings? Stephen King? The Global Impact Academy Science Fiction, Fantasy, and Horror Club will be perfect for you. We will have fun activities like trivia contests, guest speakers, and arts and crafts sessions.
Desamours	Young Authors Club	Join us at the Young Authors Club! It's a fun space for students who love writing—whether it's short stories or longer pieces. If you're interested in entering contests or just want to know more about how the publishing world works, this is the place for you! We dive into our own writing projects, collaborate on revisions, and chat about all things storytelling. Come be a part of our creative community!
Ali/Jones	AEOP eCybermission	9th graders only- AEOP eCybermission is a free, web-based STEM competition for students in grades 6–9 that encourages teamwork, creativity, and innovation. Students work in teams to identify a problem in their community related to STEM, conduct research, and develop a solution using scientific inquiry or engineering design. This program not only enhances critical thinking and problem-solving skills but also offers students the chance to win prizes and recognition at both the state and national levels
Griffith	Volleyball Club	Hey everyone! We're excited to invite all students who want to play volleyball to join our club! It's a fun and informal space where you can get active and learn a few tips from those more experienced in the game. Come join us!
Eze (Bass)	Biblical Studies Club	Let's dive into the Bible together, exploring it book by book to uncover its deeper meanings! This approach helps students interpret and apply the powerful stories within, while also spotting the amazing connections between the Bible and God's redemptive work.
Bable/Stillman	Robotics-VEX Club	By teaming up with the Robotics Education Foundation (REC), the VEX Robotics Competition (TVRC High School) invites everyone to dive into a thrilling and interactive gaming experience while exploring the fascinating world of STEM! Every year, participants are greeted with a brand-new engineering challenge that unfolds as an exciting game, encouraging them to create cutting-edge robots with the support of their teachers and mentors. It's all about having fun while learning and pushing your limits!

ENRICHMENT (SCHOOL DAY) CLUBS

C. Davis	Reading Bowl Club	We're excited to share that the Reading Bowl Team is made up of up to 10 talented students who will compete in a districtwide competition this January. There's even a chance to advance to the regional and state competition! If you join us, you'll get to dive into at least 4 awesome novels from the Georgia Peach Award Nominee list. You'll also get to create questions for those books, brush up on potential competition questions and answers, and have a great time during our practice sessions. We can't wait to see who will join the fun!
Pittman/Dawson	Classic Board Games Club	Do you love playing games like Sorry, Scrabble, or Monopoly? If so, come join the Classic Board Games Club! It's a great chance to enjoy a variety of classic board games with fellow students. We can't wait to see you there!
Smith/Garcia	Ball is Life	Welcome to Ball-is Life, a fun club for all your basketball lovers out there! Whether you're part of a team or just enjoy shooting hoops for the fun of it, you're in the right place. On club day, we kick things off with some stretching, pick teams, and dive into some exciting 5-on-5 games. If you win, you get to stay on the court and keep playing, while everyone else lines up for their chance to jump back in. Come join the fun!
B. Davis/Gordon	GIA Drama Club	Welcome to the GIA Drama Club, a fun and exciting extracurricular group where students can dive into the wonderful world of theater arts. Whether you're interested in acting, singing, dancing, directing, stage management, or set design, there's something for everyone! Each year, we put on at least one amazing production, giving you a chance to shine creatively and take on leadership roles. It's a fantastic way to boost your confidence and express yourself, not to mention a great way to engage with the community. Join us and be a part of something special in our school's cultural scene!
Lang	Poetry Club	Welcome to the poetry club! We're all about diving into the beauty of poetry—half of our time is spent reading and chatting about wonderful poems, while the other half is dedicated to crafting our own original pieces. Our main aim? To spark creativity in our poetic expressions and take a moment to appreciate the incredible value and power that poetry brings to our lives! Come join us!
Brown	Cosmetology Club	At our cosmetology club, students immerse themselves in the art and science of hair care and styling within an engaging, hands-on environment. Our meetings provide opportunities to explore a range of techniques, from foundational skills to advanced styling, utilizing mannequin heads and professional tools. Experienced students take on supportive roles, assisting their peers and enriching the overall learning experience. Whether practicing braiding or exploring current trends, members are encouraged to enhance their skills and foster their passion for beauty and hair design.

ENRICHMENT (SCHOOL DAY) CLUBS

Lopez/McGill	Styled to a Tee-T-shirt printing Club	Get ready to dive into the exciting world of t-shirt design! You'll explore your creativity by coming up with a brand name and logo for your very own t-shirt line. And the best part? You'll get to print your unique designs on actual t-shirts to show off and wear!
White/Francis	Robees Grille Club	Join us at Robees Grille for a hands-on experience where you'll learn the ins and outs of grilling! We'll cover essential safety tips, how to manage your grill's heat like a pro, and tricks for grilling up delicious meats and veggies without burning. Plus, we'll ensure you're cooking everything just right according to USDA guidelines. Get ready to have some fun and discover your inner "Grill Master"!
Drummer/Ballarapu	Film/Movie Club	Let's dive into the exciting world of film making logistics!
Shurns/McGhee	Social Impact Club	We're really excited to kick off our monthly podcast meetings! We'll dive into the coolest trends in fashion, music, food, and so much more. Can't wait to chat with you all!
Prewitt	Bee'ing Creative Club	Join us each month to dive into a dazzling world of beads, charms, and endless design possibilities. Whether you're a crafting pro or a newbie with a passion for creativity, our club is the perfect place to let your imagination run wild. From chic and elegant to funky and fun, you'll learn how to craft unique bracelets that reflect your personal style and flair. In each session, we'll provide all the tools, tips, and tricks you need to make your wrist-wear dreams come true. Plus, you'll have the chance to showcase your masterpieces in our exclusive end-of-year fashion show, where your bracelets will get their moment to shine! So, grab your besties, bring your creativity, and let's create some wrist-wear with a touch of flair!"
Jones/Ali	Girls Who Code	Girls Who Code is all about empowering young women to bridge the gender gap in tech and to reshape how we think about programmers!
Beckwith/Stevenson	Running Robees Club	This club is all about getting active and having a blast outdoors. We believe in staying healthy through good food, exercise, and a vibrant lifestyle! Don't worry if you're not a runner—we're big fans of jogging and walking too! We'd love for you to join us!
McKissic	Card Sharks Club	Hey there! Do you like playing cards? Card Sharks is a great place to join in on some entertaining card games!
Love/Ayala-Rosado	Video Gaming Club	Join us in casually playing your favorite video games with your peers in school. Peek into the video game industry and its many parts like game development and shout casting. If you love video games, this is the club for you.

ENRICHMENT (SCHOOL DAY) CLUBS

Boyd/Worrell	Garden Club	The GIA Garden Club is a vibrant and inclusive community of students passionate about gardening and the environment. Members come together to learn about plant care, sustainable practices, and landscape design. The club is responsible for maintaining the school's garden, where they grow a variety of flowers, vegetables, and herbs. Through hands-on activities, workshops, and guest speakers, students develop skills in horticulture and gain a deeper appreciation for nature. The club also participates in community service projects, such as beautifying local businesses, fostering a sense of teamwork and environmental stewardship.
Haygood/Hill-Jones	Health Care Comp Club	Competition in the medical field is fierce, and Healthcare students should embrace competitiveness for the sense of accomplishment and confidence it brings. The Healthcare Competition club offers a program to recognize students committed to excellence, providing opportunities to prepare for and participate in conferences that showcase the competencies learned in the healthcare science program.
Shirey/Piper	Pre-Employment Development Skills	Learning and honing skills to get and keep the job
