

August, 2024

Greetings CTC Students and Families!

Welcome to a new school year at CTCLC!! Whether you're returning to continue your journey or joining us for the first time, we're excited to have you as part of our #CTCPROUD community.

To Our New Students - Welcome to CTCLC! You're about to embark on an exciting journey of discovery, learning, and growth. This is a place where your passions can become your career. Our school offers a unique blend of theoretical rigor and hands-on experience in your chosen program of study. Whether you've chosen health occupations, culinary arts, robotics and information technology, construction trades, or any of the other many programs we offer, you'll find there are many opportunities available to you. Our teachers, counselors, and staff are here to support you every step of the way so ask questions, seek help, and get involved.

To Our Returning Students - Welcome back! We're thrilled to see you continue on your path toward mastering your chosen career field. This year, you'll have more opportunities to deepen your knowledge, refine your skills, and prepare for your future. Whether you're taking advanced placement or dual enrollment courses, participating in cooperative education, competing in SkillsUSA or participating as a Student Ambassador, this year is **your year to shine!** Remember, you're not just preparing for graduation—**you're preparing for life beyond it!!**

At CTCLC, our goal is to provide you with the skills, knowledge, and experiences you need to succeed in whatever path you choose, whether it is in a specific career or college after graduation. As you walk through our halls this year, remember that you are capable of achieving great things. Stay curious, work hard, and take advantage of all the resources available to you!

Our first day of school for students is Thursday, August 29, 2024. I am happy to announce that MOST of our schools will already be in session. **However, if your school district starts after Thursday, they will be providing transportation to CTC starting August 29, 2024 so please reach out to your district to find out transportation information.**

All of us at CTCLC look forward to seeing the many incredible things you'll accomplish this year. Let's make it a great one!

Sincerely,

Karla Carlucci, Ed.D.
Director of CTCLC
