

## Haldane Blue Devil Booster Club Membership Drive Support Our Student Athletes!

The Blue Devil Booster Club was formed by Haldane parents, faculty, and administrators in 2008 to support our student athletes and athletic teams. **Contributions from the Haldane community allow the Club to:**

### **Provide critical funding through grants**

Recent grants include funding student weight room equipment, new tennis court lights and more.

### **Help teams and coaches raise money**

The Club acts as a 501c3 tax deductible fundraising partner and accounts manager for teams & coaches. Recently helped softball & baseball teams raise money for needed field improvements.

### **Support all the athletes and teams at Haldane**

Every year we organize Year-End Athletics Awards Night, Homecoming Hall of Fame Brunch, Banners for all senior athletes, 2 senior scholarships and more!

**Please help support these and other important initiatives by contributing to the Annual Blue Devil Booster Club Membership Drive!**

**Annual Membership Dues: Family = \$25 or Individual = \$10  
Your membership will help the Club to continue its mission!**
