THANK YOU
FOR MAKING A DIFFERENCE

Dear SMH Parents,

Thank you for making a difference last year. Together, we contributed more than $1 million in support of the Saint Mary's Hall experience and the students we serve every day.

Your generosity was immediately invested in the people, programs, and places that make Saint Mary's Hall the School we love. Gifts to The SMH Fund strengthen outstanding teaching, expand opportunities in athletics, arts, and co-curricular programs, sustain a highly qualified security team, and help maintain the beautiful campus where our students learn, grow, and thrive.

This year, more than 750 parents, alumni, grandparents, faculty, staff, and friends chose to invest in Saint Mary's Hall, resulting in the highest level of donor participation in our school's history. Every gift, regardless of size, helped advance our mission and enhance the educational experience of every student.

As you read this report, we hope you take pride in the remarkable impact our community has made together. Thank you for your partnership and generosity. We look forward to inviting you to join us again as we launch The 2026-27 SMH Fund in the coming weeks.

With gratitude,

Jim Bob Womack
Assistant Head of School for Advancement
