

5th Recycling Cart Distribution Event

October 5, 2024

7:30 A.M. - 11:30 A.M.

****NEW LOCATION****

****NEW LOCATION****

Front Parking Lot
7740 W. Montrose Avenue
Norridge, IL 60706

Thanks to residents' participation in the Electrical Aggregation Program through MC Squared Energy Services, LLC, the Village has been receiving civic contributions since the onset of the program in 2020. Additionally, this year, the Village has allocated extra funding towards this program in order to be able to purchase 925 carts. Only one recycling cart per household. If you have already picked up a cart at a previous distribution event, you will not be allowed to receive another cart.

- Enter the parking lot off of **WESTBOUND** Montrose Avenue **ONLY**. Left turn from eastbound Montrose Avenue will be prohibited.

- Exit from the parking lot **NORTHBOUND OZANAM AVENUE ONLY**.

- This is not a trade in event. You do not need to bring in your old green recycling bin. Please keep your green bin for overflow, as needed.

- The new recycling cart is 42"x 21.5"x 21.5". Please make sure the cart will fit into your vehicle.

- ID's will be checked. Please have your Driver's License or Village of Norridge water bill ready when you pull up.

- Quantities are limited.
