Weekly News – Week of September 9

Be thou the rainbow in the storms of life. The evening beam that smiles the clouds away, and tints tomorrow with prophetic ray.

~ Lord Byron

We are fortunate to experience summer thunderstorms in Colorado that provide critical moisture and dazzling displays of light. In the wake of a clearing storm a rainbow often remains, signifying the belief that better times are ahead. If the calm comes before a storm, as the saying goes, then hope comes after. We all encounter difficulties and setbacks in life, the proverbial storms that shake our moorings, yet hope must always remain, even if only a glimmer. Whatever your circumstances in life, be the "beam that smiles" on others' troubles; it's only a matter of time before you'll need one to shine on you.
