PTO does not include such absences as jury duty, military leave, civic duties, FMLA, and unpaid child care leave.

Subd. 1. PTO/Sick Leave Credit: All full time Registered Nurses regularly employed for thirty (30) hours or more per week in a regularly scheduled position shall be credited with 80 hours of PTO and 16 hours of sick/adoption leave per contract year. The credit shall be made at the beginning of each school year. Part-time and job share Registered Nurses shall accrue PTO hours and sick/adoption leave hours on a pro-rata basis. If a Registered Nurse leaves the District having used more PTO hours and/or sick/adoption leave hours than they earned, the District shall reduce the Registered Nurse's final paycheck for any unearned PTO or sick/adoption leave hours on a pro-rata basis.

Subd. 2. Unused PTO: At the end of each contract year, unused PTO hours will be added to each Registered Nurse's previously accrued sick/adoption leave balance.

Subd. 3. Sick Leave: Sick leave may be taken in 1 hour increments. Hours used for illness will be deducted from a Registered Nurse's accrued sick leave balance unless they wish to have them taken from the current year's PTO-hours. A Registered Nurse may use PTO hours and accumulated sick/adoption leave for illness of the Registered Nurse, the Registered Nurse's spouse or child. The Registered Nurse may also use PTO hours and accumulated sick/adoption leave not to exceed 5 work days (40 hours for a full-time Registered Nurse and prorated hours for part-time and job share Registered Nurse) per year for illness involving the Registered Nurse's parent, brother, sister, aunt, uncle, niece, nephew, grandparent, grandchild, spouse's parent, or person residing in the Registered Nurse's household. In extenuating circumstances, a Registered Nurse may make an additional request for use of accumulated sick/adoption Leave and or an extension to the 5 day limit to the superintendent/designee. A Registered Nurse may also use PTO and accumulated sick/adoption leave in accordance with M. S. 181.9413 (2022) as amended.

Subd. 4. PTO Birth/Adoption: A Registered Nurse giving birth shall be able to use PTO/accumulated sick/adoption Leave for the Registered Nurse duty days during the 6 to 8 continuous calendar weeks (doctor's normal prescribed time period of disability due to childbirth) following the delivery of the child. A Registered Nurse adopting a child shall be able to use up to six continuous calendar weeks/30 continuous days of PTO/accumulated sick/adoption leave for the duty days following the adoption of the child. Non-duty days, such as breaks, holidays, summer and weekends are included in the determination of the 6 to 8 continuous calendar weeks for a Registered Nurse giving birth or 6 continuous calendar weeks/30 continuous days in the case of adoption. PTO/accumulated sick/adoption leave may not be used on non-duty days.

Subd. 5. Furnish Evidence of Illness: After 3 consecutive days of illness or disability, the District may require a Registered Nurse to furnish a medical certificate from the attending physician as evidence of illness, indicating such absence was due to illness or disability. The District may require certification by the attending physician stating that the Registered Nurse is in good health and able to resume their duties upon return. In the event that a medical certification will be required, the Registered Nurse will be so advised.

Subd. 6. Extended Leave: When current PTO hours and any accrued hours have been exhausted, the Superintendent/designee shall be authorized to grant an extended leave of absence without pay.

Subd. 7. PTO Approval: To use PTO, the Registered Nurse must give at least a 3 day notice (except for reasons of bereavement, childbirth, adoption, and illness) and receive pre-approval from their supervisor. Approval of such requests may not exceed more than 5% of the Registered Nurses staff for any given day.

Subd. 8. PTO Increments and Restricted Days: PTO may be taken in one (1) hour increments.

No PTO will be granted on the following restricted days (except for reasons of bereavement, childbirth, adoption, religious holiday and absence due to illness)

- First or last student contact days of the school year
- Wednesday preceding or Monday following the Education Minnesota break
- 2 days preceding or 2 days after District 112's Late Spring Break.

In extraordinary circumstances a Registered Nurse may request an exception to be absent on a restricted day. The granting of such an exception shall be at the discretion of the District. If an exception is granted by the District the Registered Nurse may use up to 2 PTO days (16 PTO hours for full-time Registered Nurses and prorated hours for part-time and job share Registered Nurses) for each restricted day/ hours missed. This exception may only be accessed by the same Registered Nurse once every three years.

Subd. 9. PTO Restrictions: No more than 3 consecutive PTO days may be granted except for reasons of bereavement, childbirth, adoption, and absence due to extended illness. Up to 5 consecutive PTO days may be granted for bereavement. Up to 10 consecutive PTO/accumulated sick/adoption leave days may be granted to a Registered Nurse whose spouse gives birth immediately following the birth of the child. Up to 10 consecutive PTO/accumulated sick/adoption leave days may be granted to a Registered Nurse whose spouse is an adoptive parent following the adoption of the child. Non-duty days such as breaks, holidays and summer will be considered in the determination of the number of PTO days granted for reasons of bereavement, childbirth, and adoption. Discretionary/Unpaid leave may be granted by the Superintendent/Designee in extenuating circumstances.

Subd. 10. Use of Accumulated Sick Leave for Bereavement: Should additional time away from work be needed for bereavement, as the result of the

death of a family member or friend, and the Registered Nurse has exhausted all PTO days, the Registered Nurse may request approval (from the Director of Human Resources) to use their accumulated sick leave days to meet this need.

Subd. 11. Donation of PTO or Accumulated Sick Leave: A Registered Nurse may contribute a total of 4 days (32) hours for full-time Registered Nurses and prorated hours for part-time and job share Registered Nurses) per fiscal year (July 1-June 30) of their accumulated PTO or sick/adoption leave to another employee (up to two (2) days may be donated to the same employee) for the following reasons:

- a. The employee receiving the donation is being placed on long term disability (LTD) and has insufficient PTO and sick leave days to meet the LTD waiting period without loss of income. Only the minimum number of days necessary to meet the terms of the waiting period after the recipient has used their accumulated sick leave days may be donated; or
- b. The employee receiving the donation has experienced a catastrophic circumstance, as determined by the Superintendent/designee, that resulted in a 0 balance of the employee's PTO and sick leave days.

Guidelines to request a donation of a day and/or how to donate a day to another employee may be requested through the District 112 Human Resource Department.

Subd. 12. Termination and PTO and Sick Leave: Upon termination of a Registered Nurse's employment for any reason, all PTO hours and accumulated sick/adoption leave shall be immediately and automatically cancelled.

Section 2. Child Care/Adoption Leave:

Subd. 1. A child care/adoption leave may be granted by the District, subject to the provisions of this section, to one (1) registered nurse parent of a child, provided such registered nurse parent is caring for the child on a full-time basis.

Subd. 2. A registered nurse making application for child care/adoption leave shall inform the superintendent/designee in writing of the intention to take the leave at least three calendar months before commencement of the intended leave. An employee will also provide at the time of the leave application, a statement from the physician or adopting agency indicating the expected date of delivery or adoption

Subd. 3. A registered nurse may utilize sick leave pursuant to the sick leave provisions of the document for a child care/adoption leave.

Subd. 4. The District may adjust the proposed beginning or ending date of a child care/adoption leave so that the dates of the leave are coincident with some natural break in the school year. The availability of a substitute registered nurse may also be considered by the District in the granting of a child care/adoption leave or the duration thereof.

Subd. 5. In making a determination concerning the commencement and duration

- of a child care/adoption leave, the District shall not, in any event, be required to:
- a. grant any leave more than twelve (12) months in duration.
 - b. permit the registered nurse to return to employment prior to the date designated in the request for child care/adoption leave.

Subd. 6. A registered nurse returning from child care/adoption leave shall be reemployed in a position for which qualified unless previously terminated or laid off.

Subd. 7. Failure of the registered nurse to return pursuant to the date determined under this section shall constitute grounds for termination unless the District and the registered nurse mutually agree in writing to an extension in the leave.

Subd. 8. Leave under this section may be without pay or fringe benefits.

Subd 9. An registered nurse on Child Care Leave is eligible to continue to participate in group insurance programs (health insurance, dental insurance, life insurance, supplemental life insurance) as permitted under the insurance policy provisions provided the employee pay the entire premium for such group insurance programs commencing with the beginning of the leave (see District Website, Human Resources for specific coverage available). It is the responsibility of the employee to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon termination of employment, failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for an Unpaid/Child Care Leave, long term disability insurance coverage is not available.

Section 3. General Leave: Request for a "leave of absence" without pay or benefits may be presented in writing to the Superintendent/designee. The administration of the District reserves the right to grant or deny such a request, at its discretion. An unpaid leave request will not be more than twelve (12) months in duration.

Subd. 1. In making a determination concerning the commencement and duration of a General leave, the School District shall not, in any event, be required to:

- a. grant any leave more than twelve (12) months in duration,
- b. permit the registered nurse to return to employment prior to the date designated in the request for the leave.

Subd. 2. A registered nurse returning from a general leave shall be reemployed in a position for which qualified unless previously discharged or laid off.

Subd.3: A registered nurse on general leave is eligible to continue to participate in group insurance programs (health insurance, dental insurance, life insurance, supplemental life insurance) as permitted under the insurance policy provisions provided the teacher pay the entire premium for such group insurance programs

commencing with the beginning of the leave (see District Website, Human Resources for specific coverage available). It is the responsibility of the registered nurse to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon termination of employment, failure of the teacher to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for an Unpaid/General Leave, long term disability insurance coverage is not available.

Section 4. Family and Medical Leave (FMLA): FMLA leave shall be granted pursuant to applicable law.

Section 5. Workers' Compensation:

Subd. 1. Section 2. Date: Registered nurses shall acquire seniority upon completion of the probationary period as defined in this Agreement. The seniority date shall relate back to the date of the first day of work to a regularly assigned position as defined in ARTICLE IX above. Seniority is based on continuous employment in a registered nurse position.

The registered nurse has the right to refuse one (1) recall. Such a refusal shall not impact the one (1) year recall period. A second such refusal shall terminate the registered nurse's recall rights. If a position has been offered, the registered nurse has forty-eight (48) hours to notify the Human Resources Office in writing.

Subd. 6. In the event the District shall determine a reduction of hours of a position is necessary, the incumbent in that position shall be provided no less than two (2) weeks' written notice.

Section 4. Seniority List: The District shall publish a seniority list by December 1 or as soon thereafter as possible.

Subd. 1. If the registered nurse requests the presence of an Association representative, the District will honor the request.

No more than two (2) Association representatives may be present.

Any registered nurse receiving written notification of unsatisfactory job performance may be suspended or terminated if the deficiencies in performance are not rectified within a reasonable length of time.

Subd. 4. An effort shall first be made to adjust an alleged grievance informally between the registered nurse and the School District's designee.

Section 5. Resolution of Grievance: The School District and the registered nurse shall attempt to resolve all grievances which may arise during the course of employment within the School District in the following manner:

A committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

Subd. 5. The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing denovo.

Subd. 6. Decisions by the arbitrator in cases properly brought before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by P.E.L.R.A.
