

COME JOIN THE COMMUNITY GARDEN

*Invite your
friends and
family.*

Empowering our Community

About the Garden

Families, Friends, and Neighbors, we invite you to be a part of Garden 31's exciting garden program at Murray High School! It's a fun and educational opportunity to learn life skills, small-scale farming, and gain mentorship while experiencing the joy of growth in the garden with our students. Come join us and discover the power of community and nature!
