Retirement

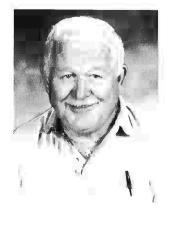

Delores Weatherby started working for the Belmont Central School district in 1973. At that time she was placed on the substitute list of custodians and cafeteria workers. It was interesting to note that she was the first woman in the history of the school to serve as a custodian. In 1974 Delores began as a full-time cafeteria cook when Tillie Whitney retired. From 1991 to 1996, Delores served as the cafeteria manager.

Delores enjoys "taking it easy" although her children think she is as busy as ever. We wish Delores the best in her retirement. We will miss you. Have fun!!

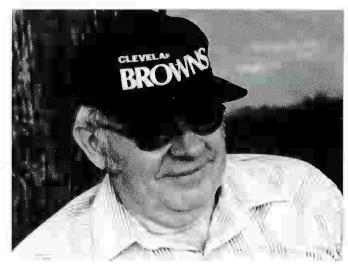

William (Bill) Mosgrove began his teaching career in 1961. He taught in Corfu and at Bradford / Savona schools before coming to Belmont in 1964. After 33 years at Belmont (one under the new merged district of Genesee Valley Central) Mr. Mosgrove has decided to retire.

While at Belmont, Mr. Mosgrove coached many sports. The two most memorable ones for Coach are Baseball with a record of 131 wins and 98 losses and Wrestling with a record of 152 wins, 116 losses and 2 tied matches. Mr. Mosgrove noted that his team won the Section V championship for baseball in both 1968 and 1978.

After retirement, Mr. Mosgrove is planning to relocate in Australia where he will run a Charter fishing service. Thanks, Coach Mosgrove, for your years of dedication to the students at Belmont. We wish you a relaxing retirement.

Mr. Charles Smith came to the Belmont Central School district in September 1985 to fill the position of Business Administrator. When the superintendent left in 1987, Mr. Smith filled in as the interim while continuing to serve as business administrator. In 1988 the Board appointed him full time Superintendent/ Business Administrator.

Mr. Smith was instrumental in getting the building project at Belmont underway in 1991. He also initiated the first steps in the district's merger with Angelica. Mr. Smith retired from Belmont Central School in Aug., 1996.

In his retirement, "Charlie" keeps very busy with politics, watching the twins play basketball, and hunting. We will miss your leadership. May your retirement bring you much happiness and relaxation.

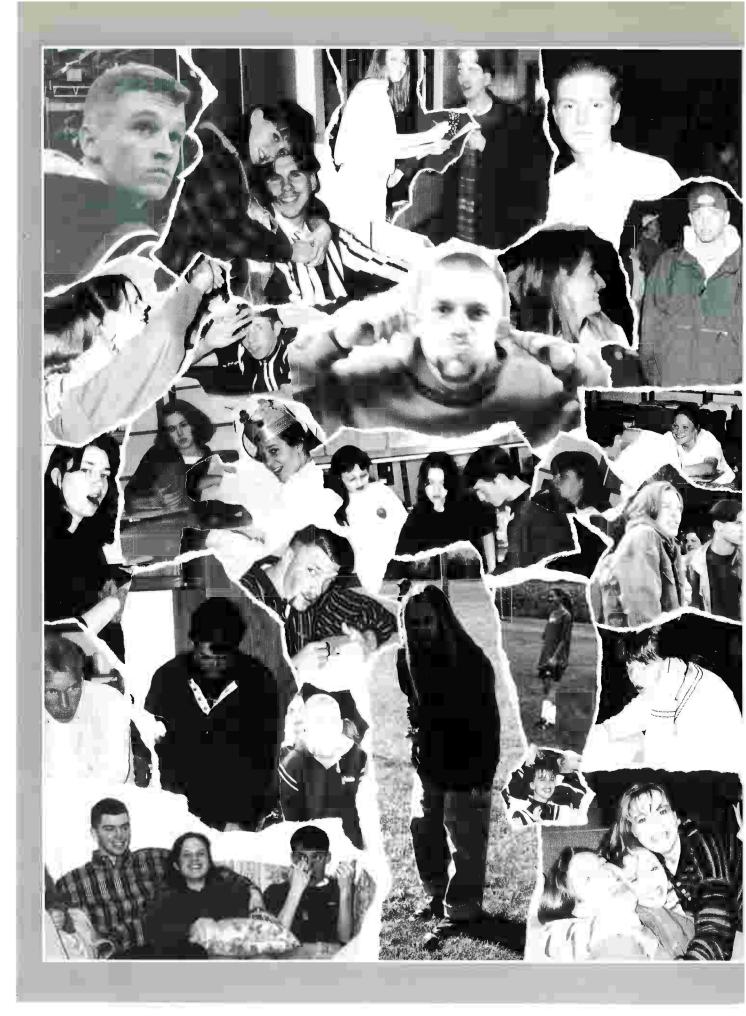

We would like to recognize Mr. Richard Burt for his 25 years of service to the Angelica Central School. Mr. Burt began work as a bus driver in September, 1971 and retired in June, 1996.

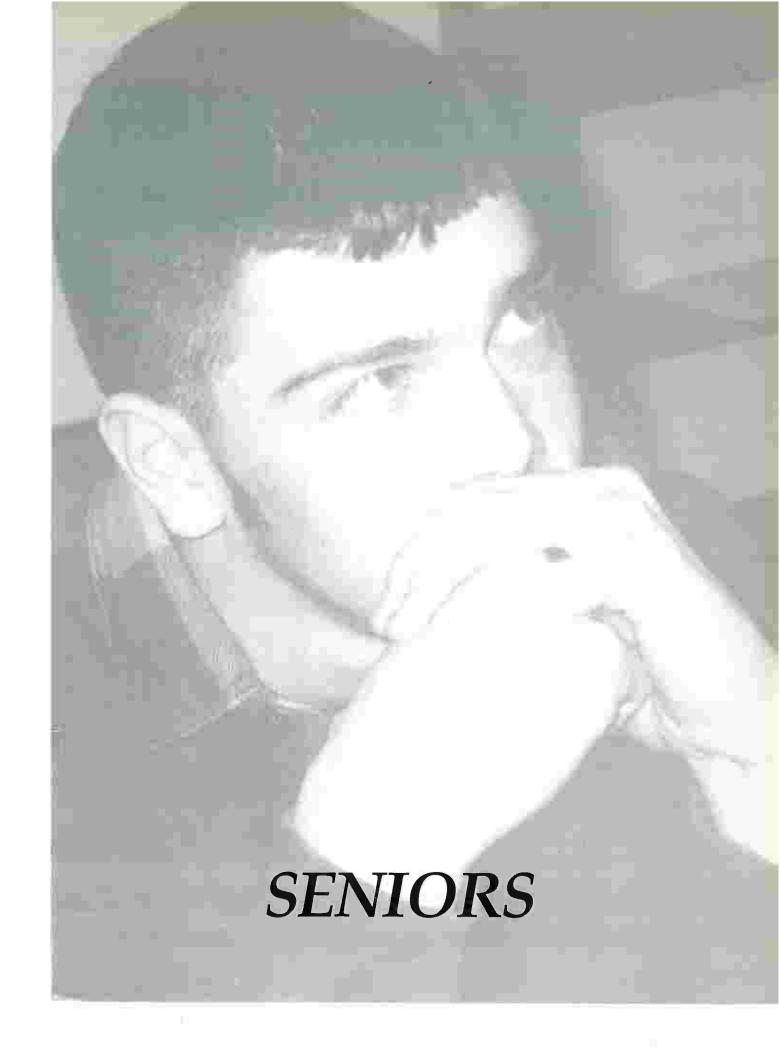

Dedication

It would be very difficult to find one person to dedicate this yearbook to. Therefore, we would like to dedicate the very first edition of the Genesee Valley Central Yearbook "Jag Pride" to all of the faculty and staff at Genesee Valley Central School and to our parents. We appreciate the endless hours you have labored on our behalf. Thank you.

We especially wish to thank Mrs. Meyers for the hours she contributed into putting this yearbook together. Some would say "she had it tough." Mrs. Meyers gave up many of her free hours during the summer and this fall to guide a group of students, many of whom she had just met this year. At times she had to really push us to finish our section. She kept after us and we got it done!! Thanks, Mrs. Meyers.

Class of 1997

A New Beginning

At first we were rather apprehensive about the Belmont-Angelica merger. No one was sure of the changes that it would bring to our schools and communities. When school started this September, we looked around curiously at all the new faces.

Surprisingly, we adapted well to those new faces and, for many, to new surroundings. It soon seemed as though we had always been classmates.

The amount of school spirit shown was encouraging. As Seniors, we got along so well. We all hope that the friendships we have gained will carry on beyond our high school years.

We look forward with anticipation as we begin our journey toward our career choices. We look backward with gratitude for all that we have learned both in and out of the classroom.

The first graduating class of Genesee Valley Central wishes the very best to all.

Mrs. Terry Drosendahl

Class Advisor (Belmont)

From the Seniors: A big thank you for being the Belmont advisor for the past four years. You have made a difference in our lives and we appreciate the time you have given to our class. We will especially remember our Junior prom and our Senior trip. We will miss you.

To the Seniors: It has been a pleasure to be your advisor the past four years. Best wishes in the future.

IT ALL COMES TOGETHER AT GENESEE VALLEY CENTRAL

Now that the dust has settled and our school year is in full swing, we asked several of the high school students how they feel about the merger. Here are some of their thoughts:

"Actually, it's a good idea because I have never been to a public school and there are more people. I feel a lot more comfortable than I probably would have any other way."

-- Bethany Fleming

" I like the fact that I can be with all of my friends from both towns." -- Erin Elliott

" It's harder to get into trouble in a bigger school. I like it!!"
-- David Greene

"You have a lot of new friends."

--Corey Clark

"There are more people, I've made a lot more friends."

-- Tim Brown

"I like it. There are a lot more people, and we are doing really well in sports." --Heather Benjamin

"It's a great opportunity to meet new people. Also with the availability of new courses, we are able to challenge ourselves academically." --Annie LaLonde

"This merger was the best thing to happen to both districts. We are building the foundation for the future... together."

--Colleen Hannon

Gary Almeter is a student in Mrs. Presutti's Fourth Grade

Students in Mrs. DiGirolamo's Fourth grade class studied about insects for a research science project.

The concept that these creatures are "Ooo. . .so squiggly," quickly changed to the understanding that each plays an important role in our ecosystem.

In Art class, Miss Huey had the students create a bug of their own.

For the Christmas concert the Fourth and Fifth Grade Choir performed a musical version of Dickens' classic "A Christmas Carol." It took a great deal of hard work to put together the show, but it also gave us many happy memories. (Will Elisabeth know her lines? Is Joey going to be able to get that coat on in time? "He won't need warm clothes where he's going!") In the end all of the hard work paid off. Everyone pulled together and, on the night of the concert, each person gave their best performance ever. -- Mr. Thomas Musingo, Director

"Hang on, Scrooge, we're takin' a ride..."

"...take us back to a Christmas past."

Kevin Stevens says, "Welcome to our world." In Mrs. Bosworth's class we have been studying about animals from different continents. Using our computer and a variety of research books, we have researched for information concerning their habitats, what they eat, and their habits. Here are a few of our favorites:

The jaguar lives in tropical rain forest mainly found in South America. The jaguar can live as long as 20 years and eats rodents, deer, fish, and cattle. They may have one to four young after a pregnancy of three or four months. The jaguar has a broad head and has very powerful jaws.

The desert mule deer is found in North America. The desert mule deer is a mammal that lives in deserts, and lives for 11 to 12 years. They eat plants, and are about 28 inches tall.

The hedgehog is found in Europe. The hedgehog's

habitat is in the deserts, plains, and forests. They can live

as long as 10 years. They eat mice, frogs, snakes, eggs,

plants, fruits, worms, and insects. The hedgehog can get

as big as 10 inches long. It is a mammal and can have as

many as four to eight young. The hedgehog's normal heart beat is 180 beats per minute, but when it hibernates

it drops to about 10 per minute.

Mrs. Allen's and Mrs. Phillips'classes love to read!

Once a week, Third graders at the Belmont Campus take a half hour out to read to the Kindergarten classes. The students pick out a book they would like read to the Kindergarteners. They then take a partner and spend time reading to them. The Third graders feel so important as they answer questions and point out pictures of interest to their little friends.

We ended our reading unit about pets with a pet show of our own. What a great time we had! We had dogs, cats, a turtle, and a gerbil. We invited other classes and served refreshments! We learned a lot about each other's pets. To our surprise our pets were very well behaved in school.

Mrs. Preston's Second Grade

With Mr. Preston as our guide, we found deer tracks, a beaver dam and lodge, a squirrels nest in a tree, and signs of buck rubbings on trees. He taught us that bucks mark their territory by rubbing their head on branches which leaves a scent there from a duct by their eye. They also rub their horns and rub the bark off trees.

We then had a picnic at Mr. and Mrs. Preston's house. We had a great time, but our legs were very tired from walking so far.

In October the half day Kindergarten visited Pumpkinville. While there, we saw many pumpkins of all shapes and sizes. We also got to pet and feed some sheep, cows, pigs and goats. A scare in the spook house and a hayride topped off our day. We enjoyed posing around all the pumpkin props like the pumpkinville Express and the smiling scarecrows seen here.

To become a member of the National Honor Society, a student must have an average of 85% or above. A member must show leadership by participation in extracurricular activities, clubs, holding a class office, etc. Good character and traits of a good citizen are also considered when selecting members for NHS. Lastly, a NHS member must be loyal to his/her school, classmates and country.

Members of the National Honor Society helped with the Senior Citizen's dinner and took part in the Toys for Tots program. They also did a walk for sight with the Kwanis club.

Boys' State

Three boys went to Boys' State this year. They comment about their experiences.

"I found Boys' State a very enjoyable experience. I enjoyed meeting boys my age from around the state and learning about how state government works. I also enjoyed the Marines!!!" --Matt Fanton

"Boys' State was a very educational experience, and it was a lot of fun as well. I learned many new things about government and how it all works. The combination of education and fun made it an experience I will not forget." --Tim Gallman

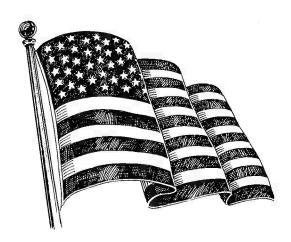

"Although I missed a week's worth of TV shows, it was all worth it. My experience at Boys' State will remain valuable to me throughout my life. I will now faithfully participate in government because I know how important it is." --Jon Pierce

Congratulations to Kimberly Arthur, Scott Edwards and Matt Fanton. These three Genesee Valley Central School seniors were accepted to represent our school at the Area All State Choir festival held at Haverling Junior/Senior High School in Bath, NY.

Applications were accepted from all of the schools in NYSSMA Zone 15 (NYSSMA is the state music organization) and from these roughly 100 students are selected to participate in the choir. Fifty schools were represented in this year's festival.

We are very proud of these students. They have worked very hard over the years and have devoted much of their own time to improving themselves as musicians. They truly earned their place at the festival and GVCS was well represented.

Every year the Allegany County School Music Association (ACSMA) sponsors two festivals bringing together the best of the county's student musicians into five ensembles. This year, Genesee Valley was very well represented in all ensembles.

The Sr. High All County Choir, which is selected by audition, was attended by eleven GVCS students this year. Maureen Fleming, Kari Auman, Lisa Watkins, Jill Freer, Kimberly Arthur, Scott Edwards, Heather Benjamin, Jennifer Ford, Shawn Benjamin, Matthew Fanton, and Adam Middaugh were all selected to attended and proudly represented our school. Jr. High All County Choir participants, selected by teacher recommendation, were Laura Sortore, Erin Elliott, Susan Knapp, Shannon Smith, Shayna Sortore, Andrew Fanton and Joseph Young.

Continuing participation in these events, which require additional time and effort on the part of the students, is evidence of our growing music program here at GVCS.

Congratulations to all.

A New Homecoming at GVCS New district, new name, new friends!

The week of October 1-5 was set aside for students on both campuses to celebrate "homecoming." Because of the hard work of the Student Council, the first GVCS Homecoming was a huge success. Many of the students showed their pride by participating in Spirit Week. Each day found the students clad in a new outfit: Monday--PJs; Tuesday--Clash; Wednesday--Hippie; Thursday--Toga; and Friday--School Spirit.

A pep rally was held and a bomb fire brought home many alumni from both towns. The finale was a dance

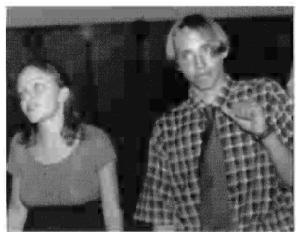

Varsity Baseball

1996 Angelica Baseball

During the 1996 baseball season, the Red Raiders experienced many "first" and one "last". The most cherished "first" came after a winless drought that lasted 3 years and 28 games. Against an Andover team that was struggling, the Red Raiders hung onto an early 1-0 lead until rains came in the 5th inning and the game was called declaring Angelica the winner. However, this was not the only highlight of the year. The Red Raiders finished ahead of Andover in league standings while Liam Kelley hit the teams first and only homerun in the final game for the team and the school. These are just a few of the "little" things that showed the true heart of this ball team.

The Angelica team finished its final year with a league record of 1-9 and an overall record of 1-11. Chris Graham was selected the teams MVP while Mark Fleming was selected Most Improved. The Red Raiders also posted Chris Graham, Anson Beckwith, and Craig Windus on the Allegany County Second Team All Stars with Mark Fleming named to the Exceptional Senior team.

1996 Angelica Baseball

The Angelica boys JV baseball team enjoyed a banner year in 1996. The boys had a record of 10 wins and 2 losses. They also outscored the opposition by an average score of 10-5. Four boys had batting averages of over .400. Ian McCarty finished at .469, followed by Liam Kelley .467, Josh Miller .452, and Cory Clark at .444. The team was very balanced with a great deal of team speed, excellent hitting, and great pitching led by Craig Windus, Caleb Schoonover, and 5 other pitchers. This team has the potential to be a great squad as they join the athletes of Belmont to represent Genesee Valley Central School

The 1995/96 Angelica Varsity Softball team had an exciting year with a new coach as well as several new young and talented athletes. Despite playing the entire season without being able to use subs, these nine girls worked hard to play as a team, refine their skills, and end the year with a division record of 7-3. Nice job ladies!

This was a building year for the G.V.C.S. Girls Volleyball team. Of the nine players on the team, only three of the girls were returning from last year.

The team learned a lot out on the court and worked hard in practice. Each team member showed great improvement over the season. With only a 1-19 record, the girls were very pleased with their win over Andover in front of their parents and hometown crowd.

I would like to thank all the players for the hard work they put forth this season. Keep working hard and we'll get 'em' next year.

Genesee Valley Central School-New York State Class D Soccer Champions-What a powerful statement this is-Do you feel a tremendous sense of PRIDE? You-G.V.C.S. and our communities certainly should for this is the title your Lady Jaguars brought home to you on 11/16/96. Congratulations are in order to our Lady Jaguars, not only for the State Championship but for the whole season it took to get there. We finished regular season 17-01 record, out scored our opponents in Sect. V play 12-0 and gave up only one goal in our final 4 games while scoring 6. The team posted 19 shutouts this season. With a tremendous send off, your team began the State Tournament Adventure--full of determination and dedication that never stopped. We played S.S. Seward of Florida (Ranked no. 2 in N.Y.S.) at the Soccer Hall of Fame Fields in Oneonta. Your team played hard and together to defeat

them 2-0 and advance to State Finals. Everyone on the team helped each other stay focused on our mission to win the State Title. We did it by a score of 2-1 over e w Lebannon (Ranked no. 3 in N.Y.S.). Not only did we win the Championship game, we also won the State Tournament Class Sportsmanship Award. Our

record for the season is 24 wins-0 losses and 1 tie. The team would like to thank everyone that has supported us all season, those who have done so many special things for us, those who made the trip to Oneonta and all who had a part in making our arrival home so festive and a treasured memory. We did our best and now Genesee Valley Central School is the 1996 Class D Champions in Girls Soccer for Allegany County, Section V and New York State

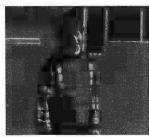

"We are proud of you, say, we are proud of you".

The underclassmenn and coach on the Lady Jags Soccer team thank our 8 seniors for their leadership, talent and the example they set for our team. Thanks Kate, Mo, Marsha, Kerri, Tracy, Tonya, A.J. and Kim. We love you and we will miss you next season, in our hearts you will always be with

The team would also like to recognize our Allegany County All-Stars. On the 2nd team we have Crystal Brownell, Bethany Reniff, Marsha Windus and Angela Granger. On the 1st team offencse we have Tonya Hecker and Josie Gosper. on 1st team defense we have Erika Hoffman, Jen George and Wendy Frungillo. In an unprecidented move the coaches of Allegany County Division I soccer selected one player as MVP to represent offense and defense. This player is Kate Baker. There are not enough places for a whole team to be placed on County All-Stars or it would have happened. But, to place so many speaks highly of all our players. Congratulations to selected team members and all. Kate and Angela who were also selected to the All Star State Tournament Team for offense and goalie. You know that cheer--"We are proud of you,-say, we are proud of you".

Coach, Matt Hopkins

The 1996 J.V. Boys' soccer team had an impressive season finishing 12-2. The team played very well together and showed a very promising future for GVCS soccer. Our offense was very fast and demonstrated a great deal of skill. They were able to pound 61 goals into opponents nets. Leading scorer was Nick Spangler, with 20 goals. The defense which was anchored by Sean Kelley in the goal and Shannon Latham as sweeper recorded 7 shutouts and allowed only 23 goals all season.

Congratulations, boys, on a great first season together.

Boys Volleyball

It was a building season for this years boys volleyball team. Being a first year sport to this district, each player had a great deal to learn about the sport, and learn they did. With a lot of hard work and practice, the team came a long way in a short period of time. Our 0-13 record was no indication of how well this team played. Throughout the season they played close games against top teams like Wellsville and Cuba-Rushford, only losing by two or three points.

Seniors on the team who will be greatly missed are: Shawn Benjamin, Robert Olejniczak, Aaron Newark and Leon Ordiway. With only four players returning next year, we hope to recruit new team members to build our program.

I would like to thank the eight players on the team for an enjoyable season. You worked hard, learned a lot, and should be proud of yourselves. --Coach Martin

Wrestling

This year, GVCS took the first steps in bringing wrestlling back to the area. The "team" started out as a club, but was soon given status so they could scrimmage against other schools. The members of the Jaguar Grapplers did an exceptional job using some very technical moves coupled with brute strength and catlike instincts to beat some very experienced opponents.

We wish to thank everyone who participated in and who supported the addition of this challenging individual sport to our district.

The 1996-97 cheerleading squad was chosen carefully and differently than it had been in the past. Because of the merger, it was necessary to hold tryouts for those interested; to keep decisions fair, tryouts were judged by other cheerleading coaches who did not know any of the girls. Fourteen were chosen based on attitude, ability, showmanship, and of course, SMILE.

The squad consists of four Seniors, one Junior, seven Sophmores, and two Freshmen. Each girl tries her hardest and brings with her a good attitude which helps the team work well together.

When out on the floor, their good attitudes shine, making them the best they can be and allowing them to impress coaches and spectators from other teams. They are always willing to learn new things and to perfect them, as well.

The graduating seniors will definitely be missed. They have all worked hard through the years and have added a lot to the squad and have made the bus trips something everyone will remember. In the future, new faces will come and add their own 'something special,' but the first-ever Genesee Valley cheerleading squad will always stand out.

Jill,

Well, it's time. Where do you go from here? Only you can say for sure -- for it's your life to do with what you chose.

Two things to say:

- 1. For every action, there's a reaction
- 2. Always remember your parent's are only a wish away.

I love you, Jill!

--Dad

Jim Feldbauer -Congratulations!
