Notes from the Governance and Flexibility Team

**** SGC Council Development Opportunities:**

Reminder that all new members must complete New Member Onboarding and council officers are expected to attend Officer Training. See the Training Sessions tab of the Charter System website for more information.

Officer Training (Required for All Council Officers)

Our Chairs, Vice-Chairs and Parliamentarians serve as leaders on their councils and liaisons within their communities. This training will offer our officers the opportunity to learn from the Governance Team and each other about council responsibilities and tactics for focusing the work of their teams on the strategic vision of their school.

Cross Council Opportunities

The Governance Team is excited to share with you that we will be hosting a series of Cross Council meetings meant to support SGCs with the task of aligning their work for the school year to the strategic goals and initiatives of their specific school as well

as those of the district. These sessions will offer members the opportunity to work and hear from councils around the district and engage in discussions with the Governance & Flexibility Team.

*** **SY24-25 Council Initiatives:** Begin discussions to determine the focus of the council's upcoming work.
****Strategic Planning (September)**

As we embark on the second month of the 2024-2025 school year, we encourage your continued dedication to the development and implementation of your school's Strategic Action Plan. Your vital role in shaping the future of your school community cannot be overstated
