ANNOUNCEMENTS

Students: Today is September 11th and it is Patriot Day. This marks 23 years of the attack of terrorism on our country. Although none of you were alive, this had a huge impact on our country. Four commercial airlines were hijacked by terrorists with the purpose of attacking our country. The planes were flown into the Twin Towers in New York City and the Pentagon in Washington DC., with a fourth plane crashing in Pennsylvania before it made an attack back in Washington DC. Nearly 3,000 people had perished: some 2,750 people in New York, 184 at the Pentagon, and 40 in Pennsylvania. Included in the total in New York City were more than 400 police officers and firefighters, who lost their lives after rushing to the scene and into the towers. Today our school flag is at half-staff. Please stand and join me in the Pledge of Allegiance and remember those who sacrificed their life to rescue others and fight for the freedoms of our great country.
