

UNIFORM DRESS CODE POLICY

BCSD's students are required to attend school dressed in appropriate attire which does not disrupt or have the likelihood of disrupting the teaching or learning of others and/or which does not violate the School District's dress code.

We believe that students who are neatly and cleanly dressed often behave better and display a more serious attitude toward the important business of teaching and learning; therefore, all students enrolled in the Bibb County School District shall abide by the following dress code.

All Academy scholars, VIP and SOAR, are covered by a unified dress code. The following rules apply to all items not addressed by unified dress codes.
