

SUNSET ELEMENTARY SCHOOL

HOME OF THE SURFERS

Principal: Tom Fletcher

The staff of Sunset Elementary School is dedicated to providing the best possible education for the students who attend our school. We believe that education is a cooperative effort between school, parents, and the community. We provide students with a supportive, caring environment, which helps foster self-esteem, respect for staff and peers, and a sense of responsibility. Our goal at Sunset is to have all students strive for their highest potential, and our motto is "Be Your Best in Every Way."

We encourage our students to develop a strong base in social emotional learning, be involved in the community, celebrate diversity, care for our planet, become lifelong learners and strive for success in all endeavors.
