Attached to this email you will find an “**Application for Transportation to an Out-of-District, Non-Public School**” for the 2024-2025 school year. If it is your intent to send your child to an out-of-district, non-public school in September 2024 and s/he will require school bus service, this application must be completed and returned by email to jzhindon@blindbrook.org or mail to the address above by no later than **April 1, 2024**.

As required by NY State Education Law and Board of Education policy, it is imperative this application be received by April 1, 2024. Applications received after April 1, 2024, will not be approved and school bus service will not be provided in the 2024-2025 school year.

Transportation is provided for students in grades K-12 only, in accordance with the Board of Education transportation policy.

All applications will be reviewed, and an acknowledgement will be sent noting approval or disapproval. All eligible students will be routed, and bus stop/pick up information will be provided directly by the service provider.

If for some reason you move or change the school your child will be attending, or you know that your child will no longer need school bus service, please call me personally at 914-937-3600 x2441 or email me at jzhindon@blindbrook.org.
