

The Doggy Times
Friday, September 13, 2024

Dear Parents,

We were so happy to be able to return to school today! What a week it has been! Despite of our crazy weather, we were able to finish our Ff unit with lots of fun!

On Monday, we dressed as our family members and shared our "Foot Family" projects with each other. Everyone did such a great job! The children were so adorable and very proud! Thank you to everyone for your cooperation with this project!

We spent most of the week learning all about frogs and their life cycle. We learned how a frog grows from an egg to a tadpole, to a full-grown frog! The children have become experts on the frog life cycle. We also made adorable frogs for our ABC Books. They are fabulous!

This week, we decorated our housekeeping center with our family pictures. We made frames and added foam flowers to make them even more fantastic! Our family picture frames will be displayed for the whole school year in our housekeeping center. The children really enjoy seeing their family pictures!

On Friday, we read the story of *Fancy Nancy*. Fancy Nancy is very fancy. We decided to try to be fancy also. We had fancy French toast at center time. After cooking our French toast, we added syrup, powdered sugar, whipped cream and sprinkles! We also made fans at center time. We decorated them with sequins, lace, feathers, jewels and glitter. They were fantastically fancy! Our second week with Ms. F was full of fun!

Reminders:

Show and Tell - Something that begins with the letter Tt

Thursday, October 3rd - Little Cardinal School pictures rescheduled

The letter people will begin to visit us on a weekly basis. Shhhhh! Please keep the identity of the upcoming letter person a secret! Also, please continue to check behavior calendars and empty folders daily.

Have a great weekend,
Cathy and Libby
