**Welcome back!!!**

**I look forward to  
being your ESOL  
Teacher this year!**

Hi!

My name is Mrs. Elena Martinez Manzor **Baker**. To make it easy, just call me **Mrs. Baker!** As an ESOL Teacher, I spend my time helping students develop English language proficiency in speaking, listening, reading and writing. I am grateful to Henry County Schools for giving me this opportunity.

### About Me:

I've been married for 35 years to my husband Abe. We are the thankful parents of four precious children; we have three girls and a boy. It's a joy being a wife, mom, grammy, and teacher! I enjoy spending time with my family, as well as my church family. Before I forget to mention, we have a fur baby named Ninja! He's the spoiled one of the family!

I've been teaching ESOL in Henry County Schools since 2019; it's been a joy! Prior to moving here, I taught in Miami-Dade County; first in private schools, then for 10 years in the public. Back in 1994 I taught my first Pre-K class. It was then that I became hooked on teaching! I earned my Master's Degree in Education from Nova Southeastern University. I look forward to teaching ELs many more years to come!
