[6 - 8](#)

[9-12](#)

1. How many surveys did you distribute?

2. How many completed surveys were returned?

3. What is the percentage of completed questionnaires you received (#1 divided into #2)?

4. Describe your survey population(s) (i.e., list appropriate demographic characteristics such as grade level and subject for students).

5. List factors that might have influenced the results (e.g., survey was conducted near time of report cards or progress reports).

6. From your survey responses, what did students perceive as your major strengths?

7. From your survey responses, what did students perceive as your major weaknesses?

8. Based on your survey responses, how will you use this information for continuous professional growth?
