Victory Parent Literacy Night

K-3rd Grade Parents-

Mark Your Calendars! We're excited to invite you to attend one of our upcoming parent literacy nights (September 16 & 24). These are opportunities for you to take a greater role in your K-3 student's education, especially how to access the Istation web-based learning program at home. This is one of the tools we use at school to develop your students' literacy proficiency. By helping your child at home, your student will see even greater results at school! If you're concerned that you may not have adequate computer skills to support your child, that's what these nights are for! In addition to literacy, we'll touch on other areas of your child's education. The literacy nights will be held on Monday, Sept. 16, at 6:00 pm and again on Tuesday, Sept. 24, at 6:00 pm in the Victory Computer Lab. Each session will last less than an hour and have identical content. (Please note: What your child will learn at home with Istation are supplementary lessons and are not to be mistaken as replacements for the direct instruction your child receives daily in the classroom from his or her teacher.)

Our School Mission

Victory Charter School's mission is to develop students who are competent, confident, productive and responsible young adults who possess the habits, skills and attitudes to succeed in life.

PARENT INVOLVEMENT

Required College & Career Guidance Notice to Parents:

Victory provides college and career advising to its 8th-12th grade in a variety of ways. For 8th graders, the high school registrar helps students prepare their high school four-year plan. 8th graders also complete weekly Next Steps career prep assignments and activities throughout the year during their scheduled computer lab. These assignments are reviewed by the high school Life Skills/apprenticeship teacher in preparation of the 8th-graders entering high school. At the high school level, the high school registrar, apprenticeship coordinator, and teachers take part in college and career advising through such activities as one-on-one college & career advising, apprenticeships/career exploration, completion of a college binder their junior year (which includes completing college applications). High School students must also complete the Life Skills class. Daily, at the beginning of every high school class, Core Knowledge and SAT prep questions are reviewed. College representatives also visit the school. Victory's state-approved, College and Career Advising and Mentoring Plan can be found on Victory's website, www.victorycharterschool.net under the Parent Involvement tab.

The 2024-2025 Title IA and Families-in-Transition PowerPoint presentation that was shared during last week's Barnyard Bash/Open House is also available for viewing on the school's website at www.victorycharterschool.net under the Parent Involvement tab.

The school's 2024-2025 Wellness Policy Plan Program Update is on the school's website. If parents and students would like to review and provide comments, they can do so by sending comments to office@victorycharterschool.net Comments received will be shared at the governing board meeting where the wellness policy plan is on the agenda.

Please remember, if your address changes at any point in the school year, please notify the school's front office so we can keep our records up to date. Thank you.
