Dr. Jensen Appointed Interim Assistant Superintendent

Dr. Scott Jensen was appointed as the Interim Assistant Superintendent/Executive Director of Human Resources. This follows the recent appointment of Dr. Julianne Hoefer as Interim Superintendent. With extensive experience in Human Resources and K-12 education, Dr. Jensen brings valuable expertise in organizational change and leadership to this role.

2023-24 Unaudited Actuals

Assistant Superintendent of Administrative Services Keith Farrow provided a report on the financial activities of the District for the 2023-24 school year. The Unaudited Actuals report shows that Ocean View School District remains financially solvent and positively certified according to California Public School accounting standards for the current and subsequent two years. The entire presentation is accessible for viewing [here](#).

Enrollment Update

Assistant Superintendent of Administrative Services Keith Farrow gave a presentation on the current enrollment for the start of the 2024-25 school year. He highlighted state enrollment trends in comparison to the Ocean View School District and emphasized that the District's enrollment has surpassed earlier projections. The presentation can be accessed [here](#).

Safe And Supportive Learning Environments

Assistant Superintendent of Educational Services Dr. Alice Lee and Coordinator of Student Services Tim Biland delivered an overview of the District's ongoing initiatives to foster safe and supportive learning environments across all school sites. Their presentation highlighted the various programs promoting school safety and positive behaviors, while also addressing the continuous improvements and enhancements underway to ensure a secure, nurturing atmosphere for all students. ****Special Meeting - September 11, 2024***

Golden View HVAC System

During the OVSD Special Board of Trustees' Meeting on September 11, the Board directed District staff to begin the process of replacing the heating, ventilation, and air conditioning (HVAC) system at Golden View. To ensure student safety, the HVAC replacement process is highly regulated by state agencies, and, as a result, the installation of the new system will occur during summer 2025. The Board is considering ways to keep our students in a comfortable environment for the 2024-25 school year and will seek input from the community regarding the next steps until the HVAC is replaced. The community survey will be distributed next week.
