Dear Parents:

The Yearbook Committee would like to include your child in the 2021-2022 CCA yearbook. This publication is only for distribution to CCA students and staff. Please be advised that currently we do not have parental permission to include your son/daughter in this publication. This consent is solely for the CCA yearbook and does not include any usage on the Nassau BOCES website, calendars, newsletters, and/or press releases.

If you would like your child to be part of this memorable experience in homeroom pictures and candid shots, please return this consent form as soon as possible. If there are any questions, I can be reached at 516-396-2916 during school hours or by email: [eshea@nasboces.org](mailto:eshea@nasboces.org).

Thank you!

Erin Shea  
Yearbook Advisor
