Dig Day Help!

Do you enjoy playing in the dirt? Do you have a tiller? Please contact Laura Rietveld at lrietveld@asd20.org if you are willing and able to till the ground for DIG DAY. We need it done by Tuesday September 24th after school.

Thank you!

Titan's Creed

The focus for character this year revolves around the line "Titans value our responsibility above our rights." At TCA we value not only academic instruction, but also character development that aides in building highly functioning citizens. We try our best to help instill a sense of respect and responsibility in our students.

Core Knowledge

Human Body: We will be studying the respiratory, circulatory and nervous systems this week.

Language Arts

Phonogram and Spelling Tests will happen each week for the remainder of the year. Phonogram practice sheets come home throughout the week, so you can see what phonograms will be tested. Spelling lists 3 and 4 will be tested on September 19th or 20th.

[Spelling Lists](#)

Math

We are continuing to work on number bonds (facts). This chapter focuses on using the number bond to write mathematical equations. Please keep practicing all facts at home. We will be practicing/testing + and - math facts to 5 and 10 during the next few weeks.

Parent Volunteers

A huge thank you to our reading group parent volunteers. It was so fun to watch you interact with our kiddos. We love partnering with you as we help our kids practice what they are learning!

Poetry

30 Days Hath September
Due: The Week of September 25th
