2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Snowden is located Farmersville in California's San Joaquin Valley. Farmersville is an agricultural based community and is located in Tulare County. Snowden Elementary School is one of six schools located in the Farmersville Unified School District. It is the only school in the district that houses second and third grade and has a population of roughly 320 students. There are eight second grade classes and eight third grade classes. The District has utilized Class Size Reduction funds to maintain class size at 24 to 1 as a school average. Snowden Elementary has an annual School Plan for Student Achievement to provide services in a more equitable manner to benefit all students. Snowden has an Academic Coach, Special Education Teacher, a School Counselor and School Social Worker, a Math Intervention teacher, a Reading Intervention teacher, a school Music teacher and a school PE teacher to assist students in achieving academic success. Snowden has classified staff which assist in creating a positive learning environment: two part-time Behavioral Aides, one Library Technician, one School Secretary, one Attendance Clerk, one Health Aide, two Noon- time Aides, one campus aide, one Community Liaison, four dual language instructional aides, two Teaching Fellows Tutors, and three Custodians.

Snowden Elementary meets the State instructional minutes requirement for each grade level.

Snowden supports the Farmersville Unified School District mission of, "Preparing students to be productive members of society and innovative leaders of tomorrow." Snowden staff developed a site mission of "Inspiring students, building knowledge and enhancing lives".

Snowden staff are dedicated to providing a quality education that prepares students to be successful throughout their lives. All Snowden staff work together to provide students with experiences that inspire and enhance their lives. Our goal is to promote an environment that creates life-long learners and productive citizens. The staff and administration are dedicated to creating a school that promotes safety, encourages parent engagement, and quality education.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Tulare County Office of Education conducted a Williams visit to verify textbooks for all students on August 16, 2022 and determined that Snowden Elementary had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in August 16, 2022 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school

School Facility Conditions and Planned Improvements

Snowden Elementary School facilities were built in 1953 and were modernized in 1986 and 2013. The campus consists of 16 permanent classrooms, 11 portable classrooms, a library, a multi-purpose room, administrative offices, a staff room, and a playground.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	13	23	11	13	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Snowden Elementary greatly benefits from its supportive parents. Various opportunities are provided for parents to take an active role in their child's education. Parents still have multiple ways to take an active role in their student's academic progress.

Parents are encouraged to attend and take an active role in:

- School Site Council (SSC)
- English Learner Acquisition Committee (ELAC)
- Parent Forums
- Back-to-School Night
- Open House
- Fall Festival
- Student Winter Programs
- Read Across America
- Lunch on the Lawn in the Spring
- School Site Fairs
- Character Counts assemblies
- Field Trips
- Parent Institute for Quality Education (PIQE)
- After School Program for Students
- Kiwanis STAR Awards

The district also offers opportunities to allow parents to get involved.

- District English Learner Advisory Committee (DELAC)
- Local Control and Accountability Plan (LCAP)

2023-24 Opportunities for Parental Involvement

The school also has a Community Liaison to assist with school and home connections.

For information regarding organized opportunities for parental involvement, please contact the School Community Liaison or Principal in the main office at (559) 747-0781.

2023-24 School Safety Plan

Safety of students and staff is a primary concern of Snowden Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated annually in the fall. All revisions are communicated to the site staff. COVID-19 mitigation and safety procedures are embedded within the School Safety Plans. In addition, School Site Council Committee members and English Language Advisory Committee members reviewed and approved Snowden's school safety plan on December 13, 2023.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are also conducted on a regular basis. This school year, a district wide active shooter training was conducted at the beginning of the school year as well as an on-site training in September conducted by Farmersville Police Department. Students are supervised before school, at lunch, and after school by certificated staff, aides, and administration.

2023-24 School Safety Plan

Snowden hosted PIQE, Parent Institute for Quality Education, to develop parent engagement and empowerment. PIQE's mission is to provide families with the knowledge to partner with the school and ensure their child achieves to their full potential. Parents have the opportunity to have a question and answers session with the principal. During this session student safety is addressed.

The students at George L. Snowden Elementary School benefit from many other research-proven interventions that are designed to address the individual needs of all of our students.

Here are some examples:

- Reading Intervention Teacher who works with students in Grade 2 who are ~2 grade levels behind in their reading.
- Our school library is open all day and students are welcome to check out books anytime.
- Our Learning Centers, run by our Education Specialists, work with identified students and their specific needs.
- Student Study Team meetings using the program Beyond SST online are held with administration, teachers, and parents to determine best practices for students who need help academically, behaviorally, or socially.
- A Behavior Intervention Technician works full-time to coordinate student supports and teaching skills.
- Intervention teachers support students in reading, writing, and math as scheduled by the classroom teachers.
- The district offers professional development after school, as well as staff training during in-service days.
- A full-time psychologist works on site to support students and complete assessments as needed.
- A full-time counselor and social worker work on site to support students with social, behavioral, and academic needs.

Professional Development

As part of the professional development growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers three staff development days annually where staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies. At times additional training is offered during the summer. Teachers and administration have received training in Common Core and ELD Standards and will continue to do so in the areas of ELA and Math. Teachers are also receiving support through Tulare County Office of Education. During the school year, Professional Learning Communities are conducted during Late Start Mondays where teachers review student data and focus on student learning while simultaneously building teacher capacity.

This table displays the number of school days dedicated to staff development and continuous improvement.
