2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Farmersville High School, a WASC accredited school, is located on the southeast side of the town of Farmersville. Located in California's San Joaquin Valley, Farmersville is an agriculturally based community of approximately 10,703 residents nestled at the foot of the Sierra Nevada Mountains. Farmersville is located in Tulare County, which has diverse cultures and economic levels. The median household income is approximately \$44,286. Farmersville is a quiet and relatively safe place to live with the violent crime rate being 3.4% per 1,000 residents. The city is small, covering just 2.3 square miles. The city hosts community events including an annual Memorial Day Parade, Fall Festival, Christmas Tree Lighting, and others. In recent years it has grown with business and a medical facility is in the center of town for families to access.

During the 2022-2023 school year, FHS served 723 students in grades nine through twelve and is the only comprehensive high school in the district of six schools.

Mission & Vision (Adopted 2020-2021)

Mission:

Farmersville High School pledges to Empower students to be Motivated, maintain Professionalism, have Integrity, be Respectful, and demonstrate Empathy (EMPIRE) as students, community members, and lifelong Aztec Ambassadors.

Vision:

Farmersville High School will be an exemplary learning community that fosters academic and social development for all students. We are dedicated to creating platforms for all learners to be productive members of society and leaders of tomorrow.

Farmersville Unified School District Mission Statement:

"Preparing students to be productive members of society and innovative leaders of tomorrow."

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.50	2.00
Misassignments	0.00	0.70
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.50	2.70

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.60
Total Out-of-Field Teachers	0.00	0.60

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	3.7	2.2
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	4.7	2.7

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The school district held a public hearing on August 24, 2021 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in August 24, 2021 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Farmersville High School facilities were built in 1998. The campus consists of 37 permanent classrooms, a library, two computer labs, a gym, administrative offices, a staff room, two athletic fields, one athletic stadium, Aquatic Center, and Career Technical Education building.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. Any items that would be noted in the table would have been corrected or are in the process of remediation at the time of the SARC posting.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	1	5	11	13	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2022-23 Career Technical Education Programs

The Farmersville High School Career Technical Education (CTE) programs prepare students for postsecondary employment or training through the development of real-world job skills. It is the goal of FHS to help students understand the importance of Career Technical Education and experience how the acquired skills may be applied in the workplace.

Curriculum and instructional strategies are aligned with state frameworks and foster critical thinking, problem solving, leadership, and work-force readiness. All FHS students may participate in any of the school's CTE programs. FHS addresses the career preparation needs of all students through the following:

- Counseling & Guidance
- Supplemental student support services
- Professional development for teachers
- Community Partnerships
- Career Fair
- Community Service and training

FHS offers 10 CTE pathways for students across 7 industry sectors including:

- Agriculture and Natural Resources (Animal Science and Plant Science)
- Arts, Media and Entertainment (Digital Media, Web Design and Film)
- Building Trades (Residential & Commercial Construction)
- Business (Business Management)
- Hospitality, Tourism and Recreation (Food Science and Nutrition)
- Manufacturing and Product Development (Welding and Material Joining)
- Public Services (Public Safety)

Pathways are supported by a CTE advisory consisting of representatives from various industries including Law Enforcement, Media Arts, Agriculture, Small Business, and local community colleges.

All courses offered in the pathway sequences are conducted directly by Farmersville High School and incorporate state-adopted CTE model curriculum standards, meet district graduation requirements, and/or satisfy CSU/UC college admissions requirements. For more information about Farmersville High School's Career Technical Education programs please contact the Farmersville High School Principal, Emily Koop at (559) 594-4567.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

FHS is committed to providing opportunities for the maximum growth and development of each individual student. This commitment includes the involvement of parents, volunteers, and community partnerships. FHS strives to ensure that each year is a positive and successful experience for students and their families. Below are examples of parent/guardian involvement opportunities and resources that are available:

- Student Study Team Meetings
- Parent Education Programs
- Parent Institute for Quality Education (PIQE)
- Parent Empowerment Program (PEP)
- School Site Council (SSC)
- English Language Acquisition Committee (ELAC)
- Athletic events and activities
- Culture Events
- Family Literacy Education Program
- Open House
- Back to School Night
- College Night
- Awards programs; academic and extra-curricular activities
- Classroom, club, and activity volunteers
- Community Service Projects
- Fall & Spring orientations
- Parent Information Nights
- School Supports/Vape Educate/Gang Prevention/College & Career
- Student handbooks/agendas

2023-24 Opportunities for Parental Involvement

- Home visits
- Progress Reports
- School Resource Officer
- Outreach Consultant
- Community Liaison
- Performing Arts Events
- Parent/Student Lunch events
- Nurse and Health Aide
- Parent information nights
- Mental Health Resources and information events

For information regarding organized opportunities for parental involvement, please contact the School Community Liaison or Principal in the main office at (559) 594-4567

*Please, note these opportunities are a priority and it is important to have open communication with our parents/guardians, students, and community such as student engagement recognitions (i.e. Student Attendance recognition; Student Engagement; Student of the Quarter; EMIPIRE- Student & Staff Recognition; Aztec of the Semester; etc.)

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

2023-24 School Safety Plan

Safety of students and staff is a primary concern of Farmersville High School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated every year by the School Safety Committee and School Site Council. All revisions are communicated to both the classified and certificated staff.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Lockdown, fire, and disaster drills are conducted on a regular basis throughout the school year. Students are supervised before school, during break, lunch, and after school by administration, counseling staff, and campus supervisors. There is a Student Resource Officer (SRO) available on site. There is a designated area for student drop off and pick up with an outlined traffic pattern. All visitors must sign in at the front office.

Professional Development

Farmersville Unified School District utilizes three days for staff development where staff members are offered professional growth opportunities in curriculum development, teaching strategies, and pedagogy. As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. In addition, FUSD has built late start Mondays into the calendar to provide opportunities for staff development through Professional Learning Communities (PLC). Professional Development at the site level includes training on engagement strategies, English Learners, raising rigor, Common Core, and data reviews to assess student learning. Teachers are supported during instruction implementation using a variety of approaches including feedback, student performance data, teacher-principal meetings, through peer support, and the Academic Coach.

This table displays the number of school days dedicated to staff development and continuous improvement.
