SECTION I:

Board of Education Policies

Board of Education Policies govern the operation of the school system and provide a guide for all employees' discretionary actions. Board Policies reflect the legal requirements for New York State school districts. The formulation and adoption of these written policies constitute the means by which the Williamsville Board of Education exercises its leadership in the operation of the school system.

A complete set of Board of Education Policies is available online at <https://go.boarddocs.com/ny/williams/Board.nsf/Public>.

Each employee should understand the requirements of the core policies contained in this Handbook. Policies are organized alphabetically by title. Each policy title is followed by its number as found in the Board Policy Manual. Either a brief summary of the policy or excerpt(s) from the policy follows. The number serves as an electronic link to the complete text of the policy within the online Board Policy Manual. Employees are encouraged to access the complete text of each policy online. There are both print and search functions built into the Board Policy Manual.

If you are viewing this Employee Handbook as a paper, or "hard" copy, please realize that you will need to access the complete text of each policy online. If you do not have regular access to a computer for this purpose, please contact your supervisor and arrangements will be made to provide you with printed copies of the complete text of each of the following policies and/or access to the online Board Policy Manual at <https://go.boarddocs.com/ny/williams/Board.nsf/Public>.

Board of Education Policies Important for All Employees

Alcohol, Drugs and Other Substances (School Personnel) (Policies 6150, 6151)

The Board of Education...impresses upon staff members the importance of maintaining a high level of professionalism appropriate to their position, which, in turn, shall set a positive example for students. The Board, therefore, prohibits the consumption, sharing and/or selling, use and/or possession of illegal drugs, counterfeit and designer drugs or alcoholic beverages in the workplace, or when the effects of such drugs and/or alcohol use may impair an employee's job performance.

Bloodborne Pathogens (Policy 5690)

The Bloodborne Regulation is a federal law designed to protect occupationally exposed employees from bloodborne diseases such as AIDS and Hepatitis B. All employees will receive training to familiarize them with the Universal Precautions for handling blood spills and how to provide first aid to students and fellow employees. All schools have rubber or latex gloves available for employees who may encounter students with nosebleeds or cuts and who want to offer assistance. If you are exposed to blood or other body fluid on the job, contact the school nurse or your supervisor to document the incident and to assess the need for post exposure treatment. Report any instance of blood or body fluids spilled immediately to the custodial staff for proper cleanup.

Child Abuse Prevention and Reporting (Policy 7530)

The Board of Education recognizes that because of their sustained contact with school-aged children, employees are in an excellent position to identify abused or maltreated children and refer them for treatment and protection. Further, the Board of Education is committed to the protection of students in educational settings from abuse and maltreatment by employees and volunteers. Any school official or employee who has

reasonable cause to know or suspect that a child has been subject to abuse or maltreatment will immediately report this to the New York State Child Abuse and Maltreatment Register.

Code of Conduct (Policies 3410, 7310)

The Code of Conduct is a guideline for all persons in the school community: students, parents, teachers, all other school personnel and visitors. All school records and reports should be handled in accordance with FERPA regulations. It is essential that employees not divulge any confidential information received from contact with students, parents, personnel and other people in the course of employment. Student records may not be divulged without proper consent. The safeguarding of confidential data from inappropriate use is essential to the success of the District's operation. Access to confidential computerized data shall be limited only to authorized personnel of the District.

The District further prohibits discrimination against students, including but not limited to those acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex by school employees or other students on school property and at school sponsored activities and events that take place at locations off school property. In addition, other acts of harassment, bullying, and/or discrimination which can reasonably be expected to materially and substantially disrupt the education process may be subject to discipline or other corrective action.

Employee Assistance Program (EAP) (Policy 6530)

In collaboration with District collective bargaining units, the Board of Education provides an Employee Assistance Program (EAP). The major purpose of the program is to assist employees in obtaining help to resolve personal problems in an effective and confidential manner. Staff members will find information on the EAP in Section II of this Handbook.

All employees hired after July, 2001 are required by the NYS Education Department to be fingerprinted and cleared for employment prior to the start of employment for the purposes of a criminal history check by authorized personnel of a designated fingerprinting entity. Fingerprinting packets and instructions may be obtained in the Human Resources Office.

In order for the Board to enforce this policy, and to take corrective measures as may be necessary, it is essential that any employee, student, or other member of the above named group who believes he/she has been a victim of harassment in the school environment and/or at programs, activities and events under the control and supervision of the District, as well as any individual who is aware of and/or who has knowledge of, or witnesses any possible occurrence of harassment, immediately report such alleged harassment; such report shall be directed to or forwarded to the supervisor or Building Principal through informal and/or formal complaint procedures as developed by the District. When a student has been suspended, the suspension may be revoked by the Board of Education whenever it appears to be for the best interest of the school and student to do so. The Board of Education may also condition a student's early return to school and suspension revocation on the student's voluntary participation in counseling or specialized classes, including anger management or dispute resolution, where appropriate.

Do you have CHANGES to report? We can help!!

Personnel Records are confidential. Board Policy requires privacy in the maintenance and use of information in your file. It is essential that we maintain accurate records for payroll, benefits and all other personnel matters.

Please inform the Human Resources Office in writing should you have any changes in name, address, phone, and/or family or marital status using the forms found on WITS->HR->Documents or in the Human Resources Office. Should your certification change please send a copy to the Human Resources Office. Changes in tax status should be reported in writing to the Payroll and/or Benefits staff. Forms for that purpose are found on WITS->HR->Documents->Payroll Forms or in the Human Resources Office.

Teaching faculty completing previously approved graduate work that would affect payroll should read and complete the "Application for Approval of Graduate Credit" found on WITS->HR->Documents and submit the form by October 15 for retroactive salary credit to September 1.

Employee Review of Personnel File

Employee files are confidential and not open to anyone who is not an official or authorized employee of the District except as legally mandated. Whenever an item is added to an employee's file, a copy of that item will be sent to the employee at the same time. Employees may request to inspect their Personnel File, maintained in the District Office, by contacting the Human Resources Office for an appointment. At the time of the inspection, the employee shall initial and date every item in the file as evidence that they have seen the item. The employee may make a written request to be furnished with one copy each of any item in their file. The employee may also provide to the Assistant Superintendent for Human Resources/Executive Director of Human Resources a written, signed, and dated comment in triplicate respecting any such item in the file, and one copy of the comment will be placed in the file.

Human Resources Procedures A to Z

Absences

All employees must record their absences in WITS using the Time Off Calendar. When recording time off, please categorize the time from the appropriate category in the drop-down list. The calendar can be found on WITS->HR->Time Off Calendar. The request will be automatically forwarded to your direct supervisor for approval.

If you are unable to provide advance notice for your absence, please notify your direct supervisor by phone or email as early as possible. Please remember to record your day off in the Time Off Calendar once you return to work.

In addition, Certified and Licensed faculty and Special Education Teacher Aides who may or may not require a substitute should also record their absence in the Absence Management System (AMS). The AMS is an automated employee absence management and substitute placement system that provides both telephone and web access. The Absence Management System is available 24 hours a day, seven days a week.

Website: www.aesonline.com

Toll-free Automated Telephone System: 1-800-942-3767

Lynn Clark: 716-626-8053 or lclark@williamsvillek12.org

Millie Manuszewski (BOCES): 716-821-7238 or mmanuszewski@e1b.org

All Other Employees: The AMS is important for faculty and staff who require substitutes in their absence. Provisions for various short-term absences vary by employee position. Your supervisor will inform you of the means to request short term absences for sick leave, personal leave, and bereavement in accordance with the collectively negotiated agreement with the unit to which you belong.

Certification of Teachers

It is each teacher's responsibility to assure that their certification is current and meets the requirements of the applicable laws, Regents and Commissioner's requirements. Please bring the original of your certification or licensure documents to Human Resources staff for copying whenever there is a change to your certificate. Don't forget to contact the Human Resources Office when you complete your graduate degree.

Certification and Qualifications (Policy 6212)

In accordance with applicable statutes, Rules of the Board of Regents, and Regulations of the Commissioner of Education, each employee of the District whose employment requires certification or other licensure shall inform the Superintendent of Schools immediately of any change in the status of their certification or licensure. The changes shall include, but not be limited to, the granting, revocation, upgrading, expiration, conversion and/or extension of these documents as to their periods of validity or their titles.

Original certificates and/or licenses must be presented for examination and copying in the Human Resources Office as soon as they are available to the employee. The copies will be maintained in the employee's personnel file in support of the legitimate employment of each affected employee. The failure of any such employee to possess the required certification or other licensure may result in the discharge of that employee.

Credit Union

Williamsville Central School District employees and their family members have the opportunity to become members of the Williamsville Federal Credit Union. The WFCU was chartered in 1953. It is a not-for-profit financial institution owned and controlled by the members. A Board of Directors, elected by the membership, is the policy making and governing body for the Credit Union. The application form is found on WITS->HR->Documents->Certified Staff Forms, and must be made to the building principal or immediate supervisor. A committee established according to the terms of the Collective Bargaining Agreement will notify the applicant within thirty days of receipt of the application

Emergency Planning and Weather-Related Delays/Closing

The safety and well-being of our students and staff are a priority in the Williamsville Central School District. We have a comprehensive District-wide emergency response plan that will assist the quick response of staff and public safety partners should an emergency occur. All employees will receive training for their role in the emergency response plan. In addition, each school building has a safety committee that oversees the emergency response within a school. These committees meet regularly to review procedures and conduct annual training. When an emergency occurs, the District uses the E-Alert system that emails/text messages parents and employees with school related emergency information. This includes weather related events such as school closing, delayed opening, and/or early dismissal information. You can register for these messages through the District's website at www.williamsvillek12.org by clicking on the E-Alert symbol on the homepage.

Employee Assistance Program (EAP)

The Board of Education recognizes the importance of helping employees deal with problems that may affect the employee's ability to perform their job. The District's Employee Assistance Program (EAP) is available to all employees, and their families, to help to resolve personal problems in an effective and confidential manner. The services of Child and Family Services Employee Assistance Program (C&FS EAP) are free to the employee and are a neutral and confidential resource. These services include help with:

Both your supervisor and Human Resources will review and either approve or deny the request.

Payroll Department

Employees are paid every two weeks over the school year or calendar year depending on position and payroll distribution election. Direct deposit is a convenient option for the employee and employer. Direct deposit forms are available in the Human Resources Office or on WITS->HR->Documents->Payroll Forms.

Teaching faculty wishing to receive their ten-month salary over twelve months should complete the Salary Election form and return it to the Payroll Department. Forms are available in the Human Resources Office, on www.williamsvillek12.org, or on WITS->HR->Documents->Payroll Forms.

Tax Forms: W-4 (Federal) and IT-2104 (NY State) withholding forms are available on WITS->HR->Documents->Payroll Forms. These forms may be submitted to payroll at any time throughout the year when changes need to be made to Federal and/or State deductions.

Tax Deferred Savings: The 403(b) is one way of accumulating savings using current pre-tax income in a personal retirement savings account. The OMNI group manages all aspects so

that the District, all participating employees, and each of the various vendors and their agents adhere to all the many compliance regulations of the Internal Revenue Service. You will find links to OMNI, all required forms, explanations of how the savings plan works, contact phone numbers etc. on the OMNI site at www.omni403b.com. The application form can also be found on WITS->HR->Documents->Payroll Forms.

New York State also provides the NYS Deferred Compensation Plan for accumulating additional retirement savings. Please visit the Payroll Department tab at www.williamsvillek12.org or on WITS->HR->Documents->Payroll Forms to view a brochure explaining the “highlights” of the NYS plan.

Pregnancy, Adoption and Child-Rearing Leaves of Absence

The availability and requirements for various paid and unpaid leaves of absence vary by employee job classification and the terms of the Negotiated or Collective Bargaining Agreement covering the position of the employee. Therefore, employees should refer to the Collectively Bargained or Negotiated Agreement covering their job title for information on available paid and unpaid personal leave.

WTA members will find the *Guide to Pregnancy and Adoption* on WITS->HR->Documents->WTA. This is a joint WCSD/WTA effort to explain how teachers successfully navigate the process for the paid/unpaid portions of leave associated with maternity and/or adoption.

NYS recommends up to 18 months prior to your retirement date.

Contact ERS (<https://www.osc.state.ny.us/retire/>) or TRS (<https://www.nystrs.org/>)

Some suggested topics to discuss with the system representative are: state benefits, state years of service (YOS), how to choose a retirement date, how to file, etc.

In order to retire with WCSD, employees must also retire with the state system. Usually, you are ineligible to retire until 55 years old and vested with the system. Disability retirement at an earlier age must be state approved.
