ARTICLE VIII

LEAVES

(See Appendices 5 and 6 for Leave Summary Tables.)

Short-Term Leaves

A. Notification of Absence

1. Except in case of emergency, all employees shall give notice of their impending absence to their principal or immediate supervisor during the working day preceding the absence. In case of emergency, the employee shall give notice before his/her shift if possible.
2. All employees shall indicate their intention to return to duty the following day by contacting their principal or immediate supervisor at least thirty minutes prior to the end of that particular work day.
3. If an employee fails to give notice within the time limit specified of his/her intention to return after illness or accident and the substitute appears for the day's work as a result of failure to receive such notice, the substitute shall work and sick leave of the employee shall be reduced by one day. If the employee has no sick leave remaining, then the employee shall not be paid for this day.
4. No payment for sick leave shall be made until the employee submits the form specified by the District, signed by the employee and principal or immediate supervisor.

B. Sick Leave

Employees who are unable to work because of illness, injury or routine medical appointments receive assistance in the form of sick leave. Employees must follow certain procedures in their use of sick leave.

1. Each employee earns sick leave for personal illness on the basis of the number of days in paid service during the fiscal year divided by 21.67. This means approximately 1 day of sick leave is earned for each month worked for full-time employees and a proportionate amount for part-time employees. The number of days in paid service is the sum of the number of days worked, the number of paid holidays, and the number of vacation days.

Sick leave days are credited at the beginning of each work year and earned over the course of the work year. Sick leave days that have been credited but not yet earned may be used by the employees subject to Paragraph 6 below this article.

2. New employees of the District are credited six days sick leave or the proportionate amount for part-time employees, at the start of their employment with the District. After completing six months service, the new employee will receive the remaining sick leave credit for that first year. All other employees receive credit for their full year's allotment of sick leave at the start of their work year. If an employee does not use the full amount of sick leave granted for a given year, the amount not used shall be accumulated from year to year without limit.

Note: Employees may convert accumulated unused sick leave to retirement credit in accordance with Government Code Sections 20963 and 20963.5, or their successors, if the employee is filing a request for retirement.

3. In the event an employee is unable to return to work after his/her accumulated sick leave credit as described in Sections 1 and 2 above is exhausted, the employee shall then use any compensating time, vacation and/or other paid leave to which the employee is entitled.
4. An employee may not use more paid sick leave than he/she has been credited with for the current and prior years. If an employee is absent from work after using all such paid sick leave, his/her pay shall be docked accordingly. If an employee leaves employment with the District during a work year and has used more sick leave than earned up to the last day of employment, the amount of unearned used sick leave shall be deducted from the employee's final pay check.
5. Employees shall follow the procedures listed below:
 - a. Sick leave may be claimed or granted for absences due to routine medical or dental appointments, eye examinations, or similar professional service. Employees shall claim sick leave on an hourly basis according to the length of absence.
 - b. A physician's written verification stating the reason for absence due to illness or accident may be required by the District prior to payment if an employee has been absent for more than three consecutive days.
 - c. When an employee is absent for more than five consecutive days due to illness, the District may require a written approval from the employee's physician prior to returning to work.

C. Sick Leave Bonus

An employee who does not use any sick leave in a school year, either awarded that year or accumulated from previous years and for any purpose (including personal days), shall accrue an additional sick leave day at the end of that year.

D. Discretionary Leave

In any given year, up to four paid sick leave days may be used as Discretionary days as follows:

1. With prior notice and, if the position so requires, conditional upon the availability of a substitute, an employee may take up to two days consecutively or in conjunction with a

holiday, vacation or school break. If more employees request Discretionary days than there are substitutes available, requests shall be filled on a first-come/first-served basis.

2. Employees may use any remaining personal days at their discretion, but these days may not be taken consecutively or in conjunction with a holiday, vacation, or school break, and may not be combined with any Discretionary days taken pursuant to paragraph (D1) above.
3. On the Absence Report form, the employee shall be able to write "Discretionary" as the reason for absence. All other provisions of Sections A and B above shall remain in force. These "personal" days shall not be cumulative from year to year, but any unused personal days shall accumulate as part of an employee's sick leave account. Employees may claim Discretionary leave on an hourly basis according to the length of absence, except for when it is taken in conjunction with a holiday, vacation or school break (as described in D1 above).
4. Notification of Discretionary leave shall be given to employee's supervisor at the earliest possible time to facilitate school planning.

E. Personal Necessity Leave

An employee may use, at his/her election, during any school year, not more than seven days of accumulated sick leave in the case of personal necessity. The employee shall not be required to secure advance permission for leave taken for the following reasons:

1. Death or illness of a person for whom the employee wishes to attend the funeral services.
2. Accident or negative personal circumstance involving his/her person or property or the person or property of a member of his/her immediate family.
3. "Personal necessity" is defined as matters that are of compelling personal importance and the scheduling of which is beyond the control of the employee. Other cases of personal necessity shall include religious observances and funeral attendance. The Superintendent has discretion and may require proof of any personal necessity.
4. Employees may claim Personal Necessity leave on an hourly basis according to the length of absence, except for when it is taken in conjunction with a holiday, vacation or school break (as described in D1 above).

F. Bereavement Leave

An employee of the School District is entitled to a bereavement leave of absence, with full pay, not to exceed three days, or five days if more than 500 miles travel is required, on account of the death of any family member of his/her immediate family. "Immediate family members" shall be defined as mother, step-mother, father, step-father, grandmother, grandfather, or a grandchild of the employee or of the spouse or domestic partner of the

employee, son, step-son, son-in-law, daughter, step-daughter, daughter-in-law, brother or sister of the employee or of the spouse or domestic partner of the employee, or any relative living in the immediate household of the employee.

G. Jury Duty/Subpoenaed Witness Leave

1. **Jury Duty:** A leave with pay shall be granted to employees called for jury duty in the matter provided for by law. An employee who receives a jury summons shall submit a copy of the summons to his/her supervisor. At the conclusion of jury duty, the employee shall submit a statement from the Jury Commissioner's Office specifying the dates and times served by the employee. This shall be attached to the Absence Report. Payment shall be made to the District in the amount of statutory fees which the employee has received for attendance as a juror, excluding the statutory mileage fee.
2. **Witness:** An employee may be granted a leave with pay when subpoenaed to appear as a witness, other than as a litigant, in a court of law or another governmental tribunal for reasons not brought about through the connivance or misconduct of the employee.
3. An employee requesting such leave shall submit a copy of the subpoena. At the conclusion of his/her appearance, the employee granted leave shall submit a verified statement, specifying the dates and times the employee appeared. This shall be attached to the Absence Report. Payment shall be made by the employee to the District in the amount of the statutory fees which the employee has received for appearing as a witness, excluding the statutory mileage fee.

Long-Term Leaves

H. Industrial Accident and Illness Leave

Section 44984 of the Education Code is supplemented as follows:

1. Employees shall be allowed up to sixty working days leave in any year for the same accident.
2. Allowable leave shall not be accumulated from year to year.
3. Industrial accident or illness leave will commence on the first day of absence.
4. Payment for wages lost on any day shall not, when added to an award granted the employee under the workers' compensation laws of the State, exceed the normal wage for the day.
5. Industrial accident leave will be reduced by one day for each day of authorized absence regardless of a compensation award made under workers' compensation.
6. When an industrial accident or illness occurs at a time when the full sixty days will overlap into the next fiscal year, the employee shall be entitled to only the amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.
7. When entitlement to industrial accident or illness leave has been exhausted,

entitlement to other sick leave will then be used, but if an employee is receiving workers' compensation, the person shall be entitled to use only so much of the person's accumulated or available leave which, when added to the worker's compensation award, provide for a full day's wage or salary.

8. During all paid leave of absence, under this section, whether industrial accident leave, sick leave, vacation, compensated time off or other available leave provided by law or the action of the Board of Trustees, the employee shall endorse to the District the wage loss benefit check received under workers' compensation laws of this State. The District, in turn, shall issue the employee appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this section.
9. When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of the person's position, the person shall, if not placed in another position, be placed on a reemployment list for a period of 39 months. When available, during the 39-month period, the person shall be employed in a vacant position in the class of the person's previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case the person shall be listed in accordance with appropriate seniority regulations.
10. Any employee receiving benefits as a result of this section shall, during periods of injury or illness, remain within the State of California unless the Board of Trustees authorizes travel outside the State.
11. An employee who has been placed on a reemployment list, as provided herein, who has been medically released for return to duty and who fails to accept an appropriate assignment, shall be dismissed.
12. Prior to return to work, a physician's written release shall be required for any employee absent for five days or more due to an industrial accident.

I. Family Medical Leave

An eligible employee shall be entitled to up to twelve work weeks of unpaid leave within a twelve-month period for family and medical reasons under the federal Family and Medical Leave Act of 1993 and the California Family Rights Act ("family medical leave"). The following provisions shall be interpreted in accord with those statutes and their regulations.

1. An employee is eligible if he/she has been employed by the District for at least twelve months and has provided service at least 1,250 hours over the previous twelve months (normally this means a full-time work year; e.g., 186 days X 7 hours = 1,302 hours).
2. Family medical leaves shall be available for the following purposes:
 - a. Birth of the employee's child (see also "Maternity Leave," "Paternity Leave," and "Child Care Leave" below);

- b.** Placement of a child with the employee for adoption or foster care (See also “Child Care Leave” below);
 - c.** Care for the employee’s child, spouse, or parent with a serious health condition;
 - d.** The employee’s own serious health condition that keeps the employee from performing his/her job function (see also catastrophic illness provisions in Section B, 4-5, above).
- 3.** A serious health condition is an illness, injury, impairment, or physical or mental condition involving in-patient care, continuing treatment, or supervision of a health care provider.
- 4.** An employee may substitute accrued vacation or other paid leave in place of his/her family medical leave entitlement.
- 5.** Family medical leave will run concurrently with other paid and unpaid leave, except maternity leave, if the reasons for the leave meet the requirements of family medical leave.
- 6.** An employee taking family medical leave will continue to participate in the District provided health plan under the same terms and conditions, including any necessary co-payments, which applied prior to the first day of the employee’s leave. The District and employee are required to make premium payments to the same extent made by them prior to the leave to maintain his/her health benefits during the leave period. If the employee fails to return from the leave for any reason other than the recurrence or continuance of a serious health condition, the employee will be liable to the District for premiums paid for maintaining the employee’s health coverage. An employee may at his/her expense participate in all other employee benefit plans offered by the District during the leave.
- 7.** Where advance notice is possible, an employee must provide 30 days’ advance written notice of the need for the leave. If the need for the leave is unforeseen, written notice must be given as soon as possible. Failure to provide advance written notice may delay the granting of leave.
- 8.** An employee may be required to provide medical certification whenever a serious health condition of the employee or his/her family member is the reason for the leave. A second or third medical opinion may be required regarding the employee’s serious health condition at the District’s expense. In certain circumstances, the employee may be required to provide recertification of his/her serious health condition (e.g., when the duration and/or need for the leave is uncertain). Failure to obtain medical certification when necessary may delay the granting of the leave request until such certification is provided.
- 9.** An employee may be required to provide periodic reports of his/her status and of his/her intent to return to work while on leave. Such reports may be required as often as every 30 days, unless otherwise specified by the employee’s immediate supervisor.

10. An employee on family medical leave for his/her own serious health condition is required to provide a fitness-for-duty certificate from his/her physician before he/she will be reinstated to employment.
11. An employee may be eligible for intermittent leave or reduced work schedule in the following circumstances:
 - a. Where the leave is for the birth or placement of a child, leave may be taken on an intermittent or reduced schedule with District approval.
 - b. Leave may be taken intermittently or on a reduced work schedule whenever it is medically necessary to care for an employee's child, spouse, or parent with a serious health condition or because the employee is seriously ill and unable to work the employee's regular work schedule.
 - c. The intermittent leave or reduced work schedule must be taken within the 12-work-week period allowed under family medical leave. Employee will be paid at his/her daily or hourly rate of pay, whichever is applicable, for time actually worked.
 - d. An employee's reduced work schedule or intermittent leave may require the District to transfer the employee to an appropriate available position with equal pay and benefits to better accommodate the leave. However, employee will only be paid for time actually worked.

J. Extended Illness Leave

1. When an employee is absent from his/her duties on account of illness or accident for a period of five months or less, the amount deducted from the salary due him/her for any month in which the absence occurs shall not exceed the sum which is actually paid a substitute employed to fill the position during his/her absence. Such five-month leave shall include any and all paid sick leave, paid compensatory time, paid vacation and industrial accident and illness leave, and all such accumulated leave must be used prior to the granting of differential pay.
2. In the event of a life-threatening illness, such as cancer or heart disease, after the employee exhausts all paid leave, the employee shall receive the higher of the substitute differential or 50% of his/her salary, whichever is greater, for the remainder of the five months.
3. In the event a permanent employee is unable to return to work after all sick leave credit, paid leave and extended illness pay are exhausted, the employee may request, in accordance with Ed. Code Sec. 45195, to be granted leave, paid or unpaid, not to exceed six months. The leave may be renewed for two additional six-month periods or less, but not to exceed a total of 18 months. At the time of the request, the Superintendent shall review the case and make recommendations to the Board of Trustees for their action. Upon exhaustion of all leave, paid or unpaid, if the employee is still unable to resume his/her duties, he/she shall be placed on a reemployment list for 39 months.

K. Maternity Disability Leave

This leave commences with the onset of disability due to pregnancy unless the employee is on a Board-approved, uncompensated leave. The employee may claim sick leave pay and/or other paid leave to which the employee is entitled for no more than that limited period of time when the employee's physician certifies in writing on the form provided by the District that she was actually physically unable to perform her duties because of pregnancy, miscarriage, childbirth, or recovery there from.

This leave is not intended to provide for periods of rest prior to or following childbirth or for childcare. At least four months prior to the expected birth of the child, the employee shall submit to the District a physician's statement noting the expected date of birth. An employee may continue work until the onset of physical disability as verified in writing by the employee's physician on a form provided by the District.

At the conclusion of maternity leave, family medical leave may be elected.

L. Parental Leave

1. A unit member may take leaves of absence up to a total of twelve (12) weeks for parental leave for reason of the birth of a child of the unit member, or the placement of a child with a unit member in connection with the adoption or foster care of the child by the unit member as follows:
 - a. When the unit member has exhausted all available sick leave, and continues to be absent from his or her duties on account of parental leave pursuant to the California Family Rights Act ("CFRA," Government Code 12945.2), the unit member shall receive the higher of the substitute differential or 50% of his/her salary, whichever is greater, for the remainder of the twelve (12) workweek period.
2. A unit member is not required to have 1,250 hours of service with the District during the previous 12 month period in order to take parental leave under this section. However, parental leave under this section shall run concurrently with CFRA leave and a unit member will receive up to twelve (12) weeks for parental leave during any 12-month period.
3. Nothing in this section shall be interpreted to prohibit a unit member who does not wish to exhaust their sick leave from requesting and receiving up to 12 school weeks of unpaid leave for child bonding purposes under the Family Care Leave provisions above, so long as the unit member qualifies for such leave.
4. The foregoing provisions are intended to comply with and shall not be deemed to exceed the benefits set forth in Education Code section 45196.1 (AB375).

M. Childcare Leave

1. Employees who wish to absent themselves from duty for reasons other than actual physical disability prior to and following childbirth may apply for uncompensated childcare leave. This leave is also available to the employee who adopts an infant child if such employee has the primary responsibility of childcare. This leave may be requested for any length of time up to twenty-four calendar months.

2. Requests for child care leave shall be submitted in writing, addressed to the Board of Trustees, and delivered to the District Office at least four calendar months prior to the desired commencement date of the leave, or, in the case of adoption, written notice must be given as soon as possible.
3. The employee's request for leave shall specify the inclusive dates the employee desires to have leave.
4. The Board of Trustees reserves the right to adjust the inclusive dates of the requested leave to coincide with natural breaks in the school calendar or to meet other needs deemed important by the Board.
5. On or before February 15 of the year in which the employee's child care leave expires, the employee must indicate, by writing a letter addressed to the Board of Trustees, the intention to return to the District for the following school year. The District at any time during the leave may require a statement of the employee's intention to return to duty at the expiration of the leave. Failure to return to duty will constitute a resignation.
6. A child care leave shall be a leave, without pay, District-paid health and welfare benefits, sick leave, or any other compensation benefit, except as provided under the family medical leave provisions above (Section I). Persons on childcare leave receive no salary step advancement credit while on leave.

N. Uncompensated Leave

1. At the discretion of the Board of Trustees a permanent employee with not less than three years of service in the District may be granted a leave of absence for a period not in excess of two years. There shall be no compensation for such leave and no salary increment shall accrue during it.
2. The employee shall submit a written request to the Board of Trustees delivered to the District Office no later than February 15 prior to the year in which the leave is requested. The request shall state the reasons for and the duration of the leave desired.
3. An employee granted such a leave of absence shall notify the District Office prior to February 15 of the year during which the leave is being taken that the employee will return for duty the ensuing school year. Failure to comply with this requirement will constitute a resignation on the part of the employee effective at the close of the school year in which the employee is on leave.
4. Employees on unpaid leave or employees with 39-month reemployment rights shall, upon their return, retain seniority rights, longevity, and step position on the salary schedule, which they held at the beginning of the leave.
5. During the approved uncompensated leave, the employee may, at his/her own expense, continue to receive all health and insurance benefits provided by the classified service.

O. General Provision

Provisions of sick leave, catastrophic leave, maternity disability, personal necessity, industrial accident/illness, bereavement and jury duty/subpoenaed witness leaves shall not be construed to apply to any employee during a period when the employee would not normally be performing services for the District.

ARTICLE IX

VACATION LEAVE

A. Eligibility for Vacation Leave

In order to be eligible for vacation leave, an employee must have served for at least six full months. The vacation leave time then will be computed retroactively to the date of employment.

B. Time for Using Vacation Leave

All vacation requests shall be subject to approval by the site administrator and/or the department head. When a substitute is required, employees may take a maximum of five days vacation when school is in session. Ten and eleven-month employees will receive pay in lieu of actual days off. Twelve-month employees will receive paid vacation leave.

C. Earned Vacation Leave

Regular employees will accrue .04 of a day vacation leave with pay for each day in paid service during the fiscal year. Vacation leave for part-time regular employees shall be calculated proportionately. After five years of employment, such vacation leave will accrue with pay at the rate of .0612 of a day leave with pay for each day in paid service. After ten years of employment, vacation will accrue at the rate of .0833 of a day for each day in paid service. (See Article X, Longevity, for computation of years of service.)

D. Computation of Vacation Leave

An employee must begin work on or before the fifteenth of the month in order to earn a day of vacation leave for that month. In order to count his/her last month of service upon terminating employment, he/she must have worked beyond the fifteenth of the month. Earned vacation time shall be computed at the end of each month and should be used during the year earned or within the following twelve-month period. No vacation leave may be taken during the first six months of employment.

ARTICLE X

LONGEVITY

Longevity Increments: For all employees entering employment with the District on or before January 31, years of service shall be computed from July 1 of that fiscal year. If the employee is hired between February 1 and June 30, years of service shall be computed from July 1 of the following fiscal year. Years of service for employees hired before July 1, 1997 shall not be

recomputed. After completion of the years of service indicated below, employees shall receive the corresponding longevity increments:

EMPLOYEE TRANSFER

A. A "transfer" is a move from one District school to another District school or the District Office.

A "promotion" is a move from one job classification to another job classification at a higher pay range.

B. Personnel are employed for the District rather than for a particular location or school and shall be subject to and eligible for transfer within the District.

C. Superintendent Initiated Transfer: The Superintendent shall, subject to the approval of the Board of Trustees, assign all employees of the District to positions in which they are to serve. Such power to assign includes the power to transfer from one school location to

another location within the District within the same job classification when the Superintendent concludes that such a transfer is in the best interest of the District. The Superintendent shall provide at least two weeks notice of the transfer to the employee and CSEA. The Superintendent shall provide the rationale for the transfer. Upon request, the Superintendent shall consult with the employee and his/her representative, if requested, regarding the transfer. The Superintendent shall make the final determination as to implementation of the transfer.

- D. The Superintendent will attempt to complete all personnel assignments for the following fall by the time school is out in June to notify the employees of any transfers necessary or granted. This provision shall in no way limit the Superintendent's power to change an assignment or make a transfer at any time, as the needs of the District may dictate, subject to C, above.

E. Lateral Transfers & Promotions:

1. When a new position is created or an existing position becomes vacant, the District shall post the vacancy for five business days at all work locations prior to filling the position. An employee may apply for transfer or promotion to that position by filing a written notice with the Superintendent/Business Manager of the District.
2. Employees applying for a vacant bargaining unit position shall be interviewed prior to non-employee applicants; however, all applicants may be interviewed on the same day, and, with the agreement of CSEA, non-employee applicants may be interviewed prior to employees.
3. Promotion from one job classification to another shall be made within the ranks of District employees, provided training, ability, physical qualification, performance in previous or current position, demonstrate promotion is merited. Seniority ranks second to ability, workmanship, and performance in previous or current positions when an employee is considered for promotion.
4. Employees who are promoted to a new position shall serve a three (3) month probationary period in the new position. If at any time during or at the end of the period, the supervisor determines that the employee's performance does not meet standards, the District shall return the employee to his/her former position if it still exists, or to another position in the same classification, without any loss of status.
5. If an employee's transfer or promotion application is denied, the Superintendent and/or designee shall, upon the employee's request, provide the reason for the denial and, upon request, meet with the employee and his/her representative.

Probationary members will be evaluated before the probationary period expires; if no evaluation is provided, the probationary employee shall be deemed "satisfactory" in the absence of an evaluation. Vacation and holidays are counted as part of the probation period; time spent on a leave of absence, including sick days, is not counted as part of the probation period.
- C. Permanent employees shall be formally evaluated at least every two years by April 1st of the year of the evaluation.
- D. Both scheduled and unscheduled observations may be a part of the evaluation process.
- E. Nothing is to be construed as precluding evaluation of employees by any other means whatsoever as deemed appropriate by the employer.
- F. The written evaluation (Appendix 4) and the corresponding job description then in effect and used as a part of the evaluation shall be in three copies and each copy shall be signed by both parties concerned. The signature of the person being evaluated does not indicate that he/she agrees with the evaluation but that he/she has been presented with a copy, had adequate time to review the written evaluation, and that a conference was held. Distribution of these three signed copies is as follows:
 - 1. One to person evaluated
 - 2. One in administrator's file
 - 3. One in the employee's file in the District Office
- G. The written evaluation shall not contain negative comments based on unobserved allegations, unless supported by evidence upon which reasonable persons would rely and deemed sufficiently serious to warrant inclusion on the Classified Personnel Evaluation Form.
- H. The employee may make such written comments as appropriate to attach to the evaluation.
- I. A copy of all evaluation statements, positive or negative, must be given to and discussed with the employee before filing in his/her personnel file.

ARTICLE XVII

LAYOFF PROCEDURES

- A.** A layoff for the purpose of the Article shall be considered as an involuntary separation of a permanent employee from active service due to lack of funds and/or lack of work. Layoffs shall be conducted on a District-wide basis, in reverse order of seniority in the job classification in which the layoff occurs:
1. The employee who has been employed the shortest time in the classification plus higher classifications shall be laid off first.
 2. Seniority for employees hired prior to July 1, 1999 shall be determined by hours in paid status, hours in each classification in which they have served and shall be frozen as of 7/1/03. Those whose hours have been frozen shall then be placed on the seniority list by highest number of hours served in each classification.
 3. Seniority for employees hired or transferred to a new classification after July 1, 2003, and thereafter shall be based on first date of paid service in a probationary position in the classification.
 4. If two or more employees subject to layoff have equal seniority, the determination as to who shall be laid off shall be made on the hire-date seniority with the employee hired first being retained and if that is equal, then the determination shall be made by lot.
- B.** When a layoff of employees is anticipated by the administration, the District shall notify CSEA's President or designee by District mail of the proposed action. Prior to Board action the District will provide CSEA with an updated seniority list of all affected classifications. Upon written request, the District shall meet with CSEA to discuss the layoff and negotiate on the impact of such layoff except as provided for herein. It shall be the responsibility of CSEA to designate the proposed specific impact issues within the scope of bargaining.
- C.** Employees may challenge their place on the seniority list by making objections to the Superintendent or designee who shall review the objections and conduct an audit if requested and make the results of such audit known to CSEA and the employee(s). Such challenge shall take place within ten work days from the date the seniority list is sent to the employee(s). For purposes of this Article, a workday is a day when the District Office is open for business.
- D.** After a Board action has been taken on a layoff, a written notice of layoff shall be sent to affected employees, to their last address given to the District, no less than forty-five calendar days prior to the effective date of layoff. A copy of each notice shall be concurrently sent by District mail to the President of the CSEA local chapter or designee. Such notice shall indicate the layoff date and inform the employee of his/her displacement rights, if any, and re-employment rights.
- E. Displacement ("Bumping") Rights**
- A permanent employee who is laid off may displace the most junior employee in the same classification with the same or closest hours. If there is no junior employee in the same classification and if the laid off employee has previous service in an equal (same salary range) or lower classification, s/he shall have the right to displace (bump) the most junior employee with the same or closest number of hours in that classification. In the event that laid off

employees have the same seniority dates, the employee to be laid off shall be determined by lot. In order to exercise his/her bumping rights, the employee must notify the District in writing within three calendar days of receipt of the layoff notice.

- F. A permanent employee who has been laid off for lack of work or lack of funds and who has no bumping rights, may accept a voluntary demotion to a vacant position in a lower classification or transfer to a vacancy in an equal classification, pursuant to provisions of Article XII of this agreement, and provided that the employee is qualified to perform the duties thereof. Such employee shall maintain his/her reemployment rights as defined in this Article.

G. Substitute and Short-Term Employment

Employees who are laid off shall be offered short-term or substitute positions whether vacant or filled in the same classification or in another classification for which he/she is qualified. The employee's status, pay, and benefits shall be those of a substitute or short-term employee.

After the laid off employee refuses three such offers, the District shall have no further obligation to extend offers of short term and substitute employment.

H. Reemployment Rights

Laid off employees are eligible for reemployment in the classification from which laid off for a thirty-nine month period from the effective date of layoff and shall be reemployed in the reverse order of layoff, as vacancies become available.

Laid off employees who, at the time of layoff, took voluntary demotions or voluntary reductions in assigned time shall be, at the employee's option, returned to a position in their former classification or to a position with increased assigned time up to former hours, as vacancies become available, and for a period of sixty-three months from the effective date of layoff.

An employee who is laid off, and is subsequently eligible for reemployment opportunity, shall be notified by telephone (if possible), or in writing by the District. Any such notice shall be sent to the last address given to the District by the employee. A copy of each notice shall be sent concurrently by District mail to the President of the CSEA local chapter. After the employee declines three such offers the District shall have no further obligation to contact the employee with reemployment offers.

An employee on a reemployment list shall have eight calendar days to respond to an offer of reemployment from the date of the offer. Any acceptance by such employee of an assignment to a classification lower than the classification from which he/she was laid off or to the same classification but with fewer hours shall not effect his/her original thirty-nine month rights to reemployment in his/her former classification and with the same number of hours.

An employee given an offer of reemployment does not need to accept reemployment to maintain his/her eligibility on the reemployment list provided the employee notifies the District of his/her refusal of reemployment within eight calendar days from the date of the offer. If the employee accepts reemployment he/she must report to work within ten work days following receipt of the reemployment offer. After the employee refuses three offers the District shall have no further obligation to notify the employee of reemployment opportunities.

Unit member seniority and step earned as of the date of layoff shall be reinstated to the employee who is subsequently reemployed by the District within the reemployment period.

Sick leave hours earned and unused at the time at the time of layoff shall be computed and paid off with the final warrant due the employee.

Vacation and compensatory time earned and unused at the time of layoff shall be computed and paid off with the final warrant due the employee.

After the layoff the employee shall be eligible to continue to continue coverage under COBRA, at his/her own expense for a period of eighteen months.

ARTICLE XVIII

The District shall provide a position description for each position in the bargaining unit. The District-approved position description shall be on file at the District Office and at each site. Employees shall be provided copies of their position description upon employment or on request.

ARTICLE XIX

Employees who are at least fifty years of age and have worked in the District for at least ten years are eligible, upon retirement, to be compensated for up to fifty days of accrued sick leave. Sick leave days shall be computed by taking the number of hours of accrued sick leave divided by the number of hours per day that the employee works. Sick leave days shall be compensated at the rate of fifty percent of the hourly rate last earned by the employee. Health and welfare benefits shall be available as set forth in Article VII-D.

ARTICLE XX

RESIGNATIONS
