BISHOP HEELAN CATHOLIC SCHOOLS

Mission Statement

The Bishop Heelan Catholic Schools relates the total student to God through an excellent education leading toward a lifetime of service.

Philosophy Statement

The Bishop Heelan Catholic Schools system falls under the jurisdiction of the Bishop, through the Diocesan Board of Education, and the Bishop Heelan Catholic Schools Board of Education, which is made up of two area pastors and a lay representative from each of the area parishes. The BHCS is an integral part of the Roman Catholic Church and works in partnership with parents to form students in Gospel values in a Catholic way of life. Bishop Heelan Catholic Schools is committed to the full human and spiritual development of students by promoting excellence in all academic and co-curricular areas. Bishop Heelan Catholic Schools integrate a community of faith and a community of learners in which all persons are valued and regarded with dignity. The purposes of Bishop Heelan Catholic Schools are to help students achieve spiritual, intellectual, and cultural literacy and synthesize faith and life from which students learn to penetrate the world with the life of the Gospel.

Non-Discrimination

Bishop Heelan Catholic Schools is an equal opportunity educational institution. It does not discriminate on the basis of race, color, age, creed, sex, religion, national origin, physical or mental ability or disability, ancestry, political party, political belief, socioeconomic status or familial status in the educational programs or activities, which it operates.

Academics

Bishop Heelan Catholic Schools' curriculum consists of religion, reading, language arts, mathematics, social studies, science, music, art, physical education, technology, guidance and services for English language learners. Iowa Statewide Assessment of Student Progress (ISASP) are administered to students in grades 3-8. The tests measure student achievement in various basic skills areas. The Assessment of Catholic Religious Education is administered to students in grades 5, 8 and 11. This test measures knowledge of Catholic principles and student Christian living. The FAST reading and math assessments are conducted three times throughout the school year in grades K-8.

Programs for At-Risk Students

Students that are deemed at-risk (academically, behaviorally or socially) will be identified by the school team. The school will work with the student and parents to find a plan that will best enable the student to succeed at Bishop Heelan schools both academically and socially. Bishop Heelan schools will make accommodations to the point that school resources and funding will allow.

AEA (Area Education Association) Services

Northwest AEA offers a variety of services to local schools to improve instruction and curriculum planning. Some of the services offered to students include speech therapy, occupational therapy and support to teachers and students. Parents need to work closely with teachers and administrators to identify the academic needs of their child. Contact your child's school to find out more about services available.

Grading Scale

Bishop Heelan Catholic Schools will use the A, B, C, D, and F grading system in grades 6th-8th grades. The numerical grade is converted to the letter equivalent for the report card, temporary record, and permanent record. The following are the equivalents:

A+ = 98, 99, 100	A = 95, 96, 97	A- = 93, 94
B+ = 90, 91, 92	B = 87, 88, 89	B- = 85, 86
C+ = 82, 83, 84	C = 79, 80, 81	C- = 77, 78
D+ = 74, 75, 76	D = 71, 72, 73	D- = 69, 70
F = Below 69%		

The report card for 3rd-5th grades will have both a letter grade and a number from the scale below. The K-2nd grades will only receive the number from the scale.

- 1 = Needs improvement
- 2 = Progressing
- 3 = Meets expectation
- 4 = Exceeds expectation
- * = Not assessed

Homework

We believe that homework is necessary for a student's education. We need your help to be sure that the full value of it is gained by your child. Homework generally includes such assignments as:

1. Assignments not completed in school.
2. Projects connected with the subject being studied.
3. Memorization work (learning prayers and religion answers, math facts, spelling words, etc.).
4. Reading a book which is informational or recreational.
5. Studying (not all homework has to be in written form. The time necessary for doing homework will vary according to the child and the grade level. If a student is sick or on vacation, the necessary help, work, or tests will be given per teacher designated time.

Grades 6-8

Homework and tests after absence:

1. Make-up work will not be completed during the regular instructional class time.
2. If a child leaves school during the day for an appointment and misses a test during the time out of the building, he/she will be required to make up the test that day.
3. If a child is absent before lunch only and misses a test, he/she will be required to make up the test that day.
4. If the child is absent after lunch only and does not return to school, he/she will be required to make up the test the next day.

7. School administration reserves the right to make adjustments to this policy according to individual student needs/situations.

Infinite Campus: Student Information System

Bishop Heelan Catholic Schools utilizes Infinite Campus as its student information system. Features of Infinite Campus include the ability to access your child's grades, review attendance and absences, review assignments deadlines and upcoming tests as well as receive school and district notifications. Student lunch account information is also available through Infinite Campus. This information is also available in the Infinite Campus phone app. Contact the administration office at 712.252.1350 for assistance with Infinite Campus.

Music (Band/Vocal Music)

All students participate in the vocal music program with classroom instruction. Students are required to participate in musical programs as part of the curriculum. Students not participating in the programs are required to make up equivalent time. Opportunities for instrumental music lessons are available on a private and/or group basis for students in grades 5-8. Students involved in instrumental music perform at school programs.

Parent-Teacher Conferences

Two parent-teacher conferences are held during the school year. These conferences are arranged to provide the opportunity for parents and teachers to review the child's progress in school and to provide unilateral support for students at home and at school.

Report Cards and Midterm Progress Reports

Report cards and midterms are posted to the Infinite Campus portal four times each year. Mid-term progress reports are issued during the quarter.

Retention

No student will be retained without serious consideration. You will be notified as early in the year as possible regarding concerns with your child's ability to meet grade-level expectations. If desirable progress has not been made by the end of the first semester, you will be called in for a conference with the teacher and/or principal regarding possible retention. In May, an additional discussion will be scheduled, and a decision will be made regarding the recommendation for retention.

Sacramental Program

Parents/Guardians are the primary teachers of their children and as role models should be involved in regular Mass attendance, prayers, and reception of sacraments. Family involvement in preparation for the reception of Reconciliation, First Eucharist and Confirmation is expected. Bishop Heelan Catholic Schools may provide resources and support to parents in preparing for these sacraments. The sacraments of Reconciliation and First Eucharist will ordinarily be received in second grade. Preparation for Confirmation begins in middle school. Each student returns to their home parish to receive these Sacraments. Reconciliation will be offered periodically to the students during the school year. Students will attend Mass regularly and will be involved in liturgical celebrations.

School Counselors

Diocesan Mission Statement: The mission of the Guidance Program in the Diocese of Sioux City is to provide preparation and assistance for all students, staff and parents, to live a mature and responsible Christian life by helping them to develop attitudes of respect, trust, self-discipline and self-esteem through counseling, information dissemination, and supporting agency referrals.

The role of the school counselor includes teaching classroom guidance lessons, small-group lessons, and meeting with students individually. These interventions are focused on supporting and meeting the academic, social and emotional needs of the student(s). School counselors provide short-term individual counseling and may also refer the student for long-term counseling/support outside of the school environment. Individual visits may be requested by the student, parent, or teacher.

School counselors work collaboratively with families, teachers, administration and the community, with the goal of maximizing student success. To provide a safe and nurturing setting for the student, a level of confidentiality must exist, according to the American School Counselor Association's Code of Ethics. The counselors will use their discretion to maintain confidentiality while striving to facilitate growth for the student.

If a student shows considerable academic improvement on his/her weekly progress reports, they will regain eligibility for participation. (Students must attend practice while on probation.)

At the end of each quarter, students receiving three or more D's or two or more F's will be ineligible for participation in sports/activities during the next quarter of that school year. Students serving a school suspension for disciplinary reasons are automatically ineligible for games/activities during the time of suspension.

Respect for self, respect for others and respect for property of others are keys to accomplishing the mission of Bishop Heelan Catholic Schools. Students are always expected to be respectful. All classroom and homework assignments must be made up and turned in prior to the student returning to the classroom.

Any of the following is considered sufficient reason for suspension:

Any serious misconduct dealing with but not limited to the above may warrant suspension or expulsion. When a student is placed on an in-school or out of school suspension due to a "Physical assault and/or threats of physical attack to students, teachers, parents, etc.", the administration will contact all involved parties and notify them in advance of the student returning to the regular class schedule. This notification should be made at least one day prior to the date the suspended student will be returning to class.

Any student on school property or adjacent areas and/or at a school-sponsored activity found to be in possession of an alcoholic beverage, tobacco, vaping or other illegal substances may be subject to the following:

1. Three-day suspension either in school or out of school to be determined by administration.

Any student under the influence, using, or selling may be expelled on the first-offense. At any time, a behavior contract may be implemented. Students involved in extra-curricular activities will also be subject to the BHCS Eligibility Code for Activities.

Dress Code

Members of the BHCS community believe performance in school is improved by setting standards of dress that reflect pride in oneself and in one's school. The dress code that has been established promotes unity in an equitable manner. It especially attempts to address equity from the standpoint of gender and socio-economic status.

Any student whose dress appears to circumvent the spirit and intent of the dress code is not in compliance. The principal will determine issues of interpretation. If a student is unable to comply with the dress code, that student should obtain an Out of Uniform Pass from the principal's office before the start of the school day. This slip is to be presented to each teacher. Parents will be notified when their child is not in compliance. This may result in disciplinary action. These students will need someone to bring the needed clothing from home or borrow suitable clothing, if available.

Enforcement

It is the parent's responsibility to have the student in uniform and dressed appropriately each day. If a child is out of uniform without permission, they will need to obtain an out of uniform pass from the office before school. This is to be given to each teacher the child may have that day.

1st occurrence: Parent will be notified, and a copy of the dress code policy will be sent home and needs to be returned signed by the parent.

2nd occurrence: Parent will be notified and will be expected to bring correct clothing to school.

3rd occurrence: Child will be given detention after notification to the parents. K-4 missed recess

Diocesan Policy-Policy adopted: May 1999, Reviewed, March 2020

Head Lice Guidelines

Head lice are a concern to us all, but we need to remember that is it not considered a health hazard. Bishop Heelan Catholic Schools will follow these guidelines:

- The school nurse will check any child suspected, found, or referred for head lice.
- The parents of any child with live lice or nits will be called and informed that the child needs the appropriate treatment to rid them of the lice. The parent has to treat them before returning to school the next day. If they prefer to wait until after school, the child may stay in school the rest of that day.
- The child will be checked upon return to the school after the treatment.
- If there are still live lice, the child will be sent home.

Classrooms will not be routinely checked. It is proven that it does not decrease the incidence of lice in the school. Each case will be assessed individually and handled by the school admin assistant in a manner consistent with these guidelines, and in the best interest of the students.

Identifying and Reporting Child Abuse

It is the policy of BHCS that any certified or licensed employee who has a reasonable belief that a child under the age of 18 has been abused by a person responsible for the care of the child as defined by law, shall report the suspected abuse verbally to the Department of Human Services (DHS) within twenty-four hours, and follow the verbal report with a written report on appropriate forms. It is also the policy of BHCS that reports of child abuse remain confidential, as required by law. Annually, BHCS shall provide the training required by law in the identification and reporting of child abuse to all mandatory reporters employed by the school.

The BHCS administration and staff will cooperate fully with the Department of Human Services in conducting a child abuse investigation by providing access to the child named in the report, and to other children alleged to have relevant information, for the purpose of interviews. The BHCS recognizes no obligation to contact the parents or guardians of a child suspected to be a victim of abuse.

Procedure for Resolving Differences

If a satisfactory solution cannot be achieved, the parent should next seek help from the administrator. If a satisfactory solution is still not reached, the president of Bishop Heelan Catholic Schools may be contacted.

Parents may recognize a child’s birthday with a small treat for the classroom and the classroom teacher should be notified in advance. Please check with your child’s teacher regarding allergies or dietary restrictions among the other children in the classroom. may be, is to receive an invitation. Invitations to specific individuals need to be distributed outside of the school/classroom.

Student Records

Records for each student are on file in the administrative offices. These records are private property and are submitted only when lawfully requested. Each cumulative record contains attendance/tardiness records, promotion, retention, etc. Each student has a health record and immunization card, as required by the state.

TeamMates Program

Tom and Nancy Osborne founded the TeamMates Mentoring Program in 1991 in an effort to provide support and encouragement to school-aged youth. The goal of the program is to see youth graduate from high school and pursue post-secondary education. To reach this goal, youth meet one hour per week with a caring adult who serves as a mentor. Mentors are volunteers from the community who have dedicated themselves to making a difference in the life of a young person. Mentors give youth a sense of hope, purpose and vision. The TeamMates Mentoring Program currently provides a mentor for over 7,500 youth across Nebraska and Iowa. The BHCS TeamMates mentors have attended mentor training and Virtus training.

Transfers

If a student is going to transfer to another school, please inform the principal and the teacher as soon as possible. Cumulative records will be forwarded directly to the new school system.

Volunteer Program

Volunteers are an integral part of the learning program within the Bishop Heelan Catholic Schools. All volunteers need to be trained in Virtus by the Diocese of Sioux City prior to beginning volunteer work. Confidentiality is expected of volunteers regarding pupils' performance and school issues.

3. If a search reveals possession by a student of alcohol or any controlled substance on school premises, the school shall have procedures in place to contact the appropriate law enforcement agency.

Technology

Technology Policy

We are very pleased to be able to offer a rich technology environment for the students and staff at Bishop Heelan Catholic Schools (BHCS). The purpose of this policy is to ensure the equitable and optimal use of all technology-related equipment at school and to encourage the use of technology as a valuable learning tool. It is the policy of BHCS to maintain an environment that promotes ethical and moral technology use. It shall be a violation of this policy for any employee or student to engage in any activity that does not conform to the established purpose and general rules set forth in this policy.

BHCS is not responsible for the loss or damage of personal technology devices.

User Rights and Guidelines

All students will be granted free and equal access to as many technological services as possible. The use of technology at BHCS is a privilege, not a right, and inappropriate use may result in cancellation of that privilege.

User guidelines include, though are not limited to, the following:

- All use of technology must be in support of education and research and consistent with the purposes and policies of BHCS.
- The illegal installation of copyrighted software for use on school computers is prohibited. Users shall not intentionally seek information on, obtain copies of, or modify files, other data or passwords belonging to other users, or misrepresent other users on the computer network.
- The use of profanity, obscenities, or other language which may be offensive or degrading to another user is strictly prohibited.
- Malicious use of computers and assistive technology to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system is prohibited.
- The BHCS reserves the right to review, monitor, and restrict information stored on or transmitted via Bishop Heelan Catholic Schools owned or leased equipment and to investigate suspected inappropriate use of resources.
- Hardware or software shall not be destroyed, modified, or abused in any way. The system administrator has access to all files and electronic mail.
- Use of technology for personal and/or private gain is prohibited. BHCS will make determinations on whether specific uses of the technology are consistent with the acceptable use practice.

Enforcement of Policy

Any user who does not comply with these policies and guidelines will have modified use of the technology within the jurisdiction of BHCS. Repeated or severe infractions of the policies and guidelines will result in appropriate disciplinary action in addition to suspension or termination of access privileges.

BHCS has taken measures to prevent access to inappropriate information; however, complete control of all information available on the internet is not promised. The school is not responsible for other people's actions or the quality and content of information available.

Users' Responsibilities

The purpose of internet access and use is to facilitate communications in support of research and education by providing access to unique resources and opportunities for collaborative work. The BHCS reserves the right to monitor internet activity and electronic correspondence to ensure proper use of the network. Access is a privilege, not a right. Access requires responsibilities. Students utilizing school-provided internet access are responsible for good behavior on-line just as they are in a classroom or other areas of the school. The same general rules for behavior and communication apply. Unacceptable uses of the network will result in the suspension or revocation of network privileges. Additional disciplinary action may result. Inappropriate behavior will be judged as a normal disciplinary procedure. When applicable, law enforcement agencies may be involved.

Guidelines for Network Access

Note: Users are defined as students, BHCS staff or volunteers who have permission to use the school computer network. The guidelines are intended to help you use the network appropriately:

- Users will follow all the rules listed in the BHCS Technology Policy.
- Students will access the internet only when under the supervision of the BHCS personnel or a volunteer deemed qualified by the principal.
- Students will not reveal their personal home address, home phone number, cell phone number, or phone numbers of any other individuals.

- Users will not reveal their password to others.
- Users will not use fake names or pseudonyms.
- Users are expected to conduct themselves in a morally acceptable manner at all times while on the network.
- Users will not use profanity, obscenity, or other language which may be offensive to another user.
- Users will not use the network for illegal, inappropriate or obscene purposes.
- Users will not access or process pornographic material, inappropriate text files, or files dangerous to the integrity of the network.
- Users will not attempt to purchase or sell materials while on-line.
- Users will not use the network for financial gain.
- Users will not attempt to access unauthorized accounts or files.
- Users will not create or distribute computer viruses.
- Users will not modify the computing system or software or commit any vandalism.
- Users will not use software or files in a manner that will violate copyright laws. The BHCS staff and students will have access to the technological resources at the BHCS after signing and dating the technology usage agreement form. However, students who do not have this form on file will not have access to Bishop Heelan Catholic School computers. Parent/Guardians need to discuss the Bishop Heelan Catholic School's Technology Policy with their student(s). The appropriate form needs to be signed by the student and the parent/guardian and returned to the campus of the BHCS prior to accessing technological devices.

The Bishop Heelan Catholic Schools reserve the right to impose consequences for inappropriate behavior that takes place off campus and outside school hours. Thus, inappropriate use of technology (for example, on a home computer), may subject the student to consequences. Inappropriate use includes harassment, use of school name, remarks directed to or about teachers, offensive communications and safety threats.

If students violate the agreement, the following will happen:

1st Offense: Device will be taken away by the teacher and the student can claim it at the end of the day.

2nd Offense: Device will be taken and placed in office. Parents will be notified that they will need to come in and retrieve the device. The teacher who has taken the device will need to contact the parents.

3rd Offense: The student will not be allowed to bring any electronic device to school for the remainder of the school year. Parent/Guardian will be notified that their student has reached their third offense.

Copyright Policy

Bishop Heelan Catholic Schools shall abide by the Copyright Act of 1976 and accompanying guidelines: Prohibit copying not allowed by the copyright law, fair use guidelines, license agreements, or proprietor's permission; place the liability for willful infringement upon the person making or requesting the copy.

Transportation

Morning and afternoon bus service is provided for Iowa students through a contracted third-party vendor, First Student. Those living over 2 miles will receive reimbursement from the state annually if the bus route is available and the appropriate forms are completed timely by the family when provided. If it is not available, students may qualify for parent reimbursement. (Iowa residents only.)

Parent/guardians will need to know the number of the bus transporting their child(ren). Children must ride on their assigned bus. Parents are urged to discuss appropriate bus behavior. All buses are equipped with security cameras. Consequences for inappropriate bus behavior are subject to review by the building principal. Cooperation with the bus driver is essential. A "Bus Behavior Contract" must be signed before riding as well as "Request for Bus Transportation" form.
