FIRST DAY OF SCHOOL:

Grades 5-12 – Tuesday, September 3

Young Royals Preschool & Grades K-4 – Thursday, September 5

WM Elementary School: K-4

952-955-0300

At Watertown-Mayer Elementary School we work on being caring, safe, problem-solvers. We meet every child where they are at academically and social-emotionally. We pride ourselves on actively seeking out current research and implementing evidence-based instruction into all facets of their school day. We are dedicated to giving our students the best possible learning experience.

WM Middle School: 5-8

952-955-0400

At Watertown-Mayer Middle School, we strive to provide an environment that facilitates a smooth transition for students as they move from elementary to high school. Our middle school education offers a solid, standards-based interdisciplinary core, complemented by STEM, exploratory, and elective options. Our focus is to build strong connections and partnerships with our students to prepare them for the future.

WM High School: 9-12

952-955-0600

Watertown-Mayer High School creates environments where all students feel connected and experience opportunities to grow and thrive. We empower students to be healthy, self-motivated individuals. Preparing students for a successful future through opportunities including: College in the Schools credits, Professional Mentorship, Work Experience, and extensive elective areas. WMHS also offers over 30 extra curricular program opportunities in a variety of interest areas.

WM Community Education

952-955-0280

WM Community Education provides lifelong learning opportunities for all ages. We support families with 4-star rated preschool programs, high quality child care from birth to age 12, and unique parent-child opportunities to help families grow and connect. We have both youth and adult enrichment classes, Adult Basic Education and events all aligned with our mission of supporting and enhancing lifelong learning.
