

METRO RESA MATH AND SCIENCE PRESENTS

K-2 STEM: INTENTIONAL INTEGRATION OF MATH AND SCIENCE

Sessions will be held 8:30 AM to 3:30 PM at the Metro RESA Campus

\$99

This session will explore the purposeful integration of Georgia's K-12 Mathematics Standards with the Georgia Standards of Excellence in Science for grades K-2. Participants will engage in interactive, grade-specific activities that blend science, technology, engineering, and mathematics (STEM). Participants will receive various STEM resources to enhance their classroom practices, including curated websites and sample lessons.

**Grades K-2 Session:
Monday,
October 7, 2024**
