**ANNUAL
GIVING**

Together We Thrive

CDNIS Annual Giving empowers students to excel in Sports, Chinese Culture, Global Learning, the Arts and Sustainability. Your contribution funds programmes that enrich their educational journey. Join us in making a lasting impact.

SPORTS & WELLNESS EMPOWERMENT

Ensuring a safe, secure and dynamic environment for students to reach new heights in sports and wellness.

With your help, we have been able to install energy-efficient LED lighting in our large gym, empowering students to excel in their athletic pursuits.

Your ongoing support will enable us to upgrade the school's fitness facilities. Imagine a state-of-the-art fitness room and gyms designed to meet the needs of our top athletes while encouraging a healthy and active lifestyle for everyone.

CHINESE CULTURE APPRECIATION

Opening doors to transformative experiences that inspire a lasting love of Chinese heritage among our students

Your donations have made it possible for us to kick-start Chinese theatre workshops for our Upper School students. Please continue to join hands with us to empower our talented musicians to expand their horizons through the Chinese Orchestra programme and other Chinese Culture appreciation activities.

GLOBAL LEARNING EXPERIENCES

Expanding Horizons Through International Programmes

Your support will empower CDNIS students to excel in overseas competitions and events. You will also help to reduce the rising costs of overseas competitions and events, ensuring more students can participate in enriching activities like SEASAC, Model United Nations, Habitat for Humanity projects, international arts festivals and business competitions.

FOSTERING CREATIVITY AND COMPASSION & CELEBRATING EXCELLENCE THROUGH THE ARTS

Nurturing Creative Minds, Building a Compassionate Community and Extending Our Reach Beyond Campus

We take pride in our arts education. By partnering with local and international talents, we elevate student experiences and foster creativity, compassion and excellence. These initiatives benefit not only our students but also strengthen our community, creating a vibrant cultural ecosystem that values creativity and global citizenship.

TOWARDS A GREEN CAMPUS

Cultivating a truly green campus through educating our students for sustainable development

Our students and sustainability team here at CDNIS are excited to see the impacts of your support through the installation of the weather station, the Green Roof upgrades and our participation in the Co-WIN network, which has transformed ideas into tangible, real-world experiences.

The planned enhancements to our waste pick up and recycling and efficiency initiatives will continue to instill a sense of environmental responsibility in our students. Thank you for continuing to invest in our students' future and, by extension, our planet and nurturing a generation of proactive global citizens.

GREATEST NEEDS

Enabling us to allocate resources where they are needed most, ensuring our students have the best possible environment to learn and thrive.

Your generous support of our Greatest Needs empowers us to finance crucial projects and resources, address pressing requirements schoolwide, enhance our learning environment and respond swiftly to emerging educational opportunities.
