Oct 11, 18, 25 | Nov 1, 15, 22 | Dec 6, 13

## CLUB DESCRIPTIONS

**Art Attack!**: Looking to be creative, have fun and make some art? Please join us in an ART ATTACK in Room 15! Mrs. Pecora can't wait to see you!

**Chess, Games & Lego Club**: Back by popular demand and with plenty of chess sets! Calling all students who love to play games! Socialize with friends while you create and complete Lego projects, play board games, card games, and hone your chess skills.

**Cooking Club**: An age appropriate experience on learning how to cook/bake. Explore fun ideas and learn some new culinary skills. "Learning to cook is a continuous learning experience."

**Jumping Jacks**: Learn and practice jumping rope individually and in small groups. Led by Mrs. Bristow, students in this exciting club will learn jumping rhymes, jumping into a turning rope, properly turning a rope and coordinating with a friend: Double Jumpers!

**Math and Art Fusion: Pixel Art and Logic Adventures**: Do you like technology, math, art, and design? Join this club where you will solve digital pixel art puzzles, create paper pixel art, and collaborate on pixel art design. In this hands-on, collaborative environment, students will work together to solve problems, share ideas, and create stunning pixel art pieces. By blending math, art, and logic, this class fosters creativity, teamwork, and a deeper appreciation for the beauty of mathematics. Perfect for young minds who love to think, create, and solve!

**Scrapbooking Club**: Join your friends in creating a beautiful keepsake album that involves documenting memories and sharing experiences through crafting. Open to 3rd and 4th graders who love being creative! A scrapbook album will be provided; all you need to bring are lots of pictures to fill it! Mrs. Barnes and Mrs. Scala are excited to run this new club at TES.

**Theater Club**: THEATER CLUB IS BACK! So grab a friend and sign up to join in on all the fun as we act, dance, and sing our way through countless theater games and activities. Participants will discover opportunities to grow in their confidence and creativity as we laugh and celebrate the wonderful world of the theater.

*\*\*Classes must enroll 6-8 students minimum to operate; if minimum is not met, you will be contacted and refunded for class.\*\**

Clubs coordinated by the Tewksbury Township PTA •
