Please complete beginning of the year forms online!!

**IMPORTANT
INFORMATION**

Families, if you have not yet done so , please take time to log into your PowerSchool account for your student and update their information now. Ensuring that we have the most current information, especially as it relates to emergency contact information, is critical for our schools to have.

If you already have an account set up and linked to your students, we are asking you to please log into the Parent Portal at <http://scarborough.powerschool.com/public>, click on the Forms button in the navigation bar, and fill out any incomplete 2024-25 forms.

If you do not have an account, or your account is not linked to one of your students, please consult the step by step instructions linked below.

Ordering Student Meals

As a general reminder, all breakfast and lunch meals for all students in Scarborough Schools are free for this school year. All existing students whose parents have an account will be able to order breakfast and lunch using the same procedure as last year, from the Nutrislice app on a device or at the [Nutrition Program Menus](#) page (at the top of the page click "Quick links", then go to School Lunch Info for all meal menus).

All Kindergarten and new students to the district will have to make a Nutrislice account through the Nutrislice app or through <https://scarboroughschools.nutrislice.com/menu/create-account> before they can order breakfast and lunch. Parents will need the child's ID# before they can start the registration process.

For breakfast meals in all of our schools, you can order online **on the same day before 6:30 AM**, **while for lunch meals, you can order online on the same day before 7:30 AM**. You can order meals for the day, or set up a weekly or monthly plan for meals to be provided to your children. The menus for all meals for a new month will be posted on the school's website and on the Nutrislice app the last Monday at the end of the previous month.

Mark Your Calendars for September Open Houses!

From the School Board

The School Board has two district wide policies, policy JFCK and JFCK-R, Student Use of Cellular Telephones and Other Electronic Devices, that guide how Scarborough Public Schools addresses cellphones and personal electronic devices. School procedures specific to cell phones and electronic devices are listed in school handbooks, are reviewed with students, and are listed in school communications.

Current procedures per building are:

- **K-2 schools:** Electronics, including cell phones and smartwatches, are not allowed at school and requested to be kept at home.
- **Wentworth:** Electronics, including cell phones and smartwatches, and are requested to be kept at home. If they are needed for after-school activities, items are to be turned off and stowed in the backpack all day, bell-to-bell.
- **Middle School:** Cell phones are not to be used between the hours of 7:40-2:20. They are to be turned off and kept out of sight.
- **High School:** Devices are prohibited from use during instructional time. They may be used between classes and during lunch.

As it does with all policies on a rotating basis, the School Board Policy Committee began a review of policies JFCK and JFCK-R at its July meeting. Currently, information from building leaders and school staff is being collected to assist the Policy Committee as they continue their work to update the policies.

The School Board welcomes students, employees and families to be engaged in its policy review process. The community is welcome to attend the Policy Committee meetings in person, remotely or communicate with the Board by emailing boe@scarboroughschools.org.

2024-2025 School Calendar

This year's calendar will allow for up to two "traditional snow days" (or any type of unplanned "no school" days). If more than the allotted two days are needed, those days will be **asynchronous** remote learning days, consistent with how the school calendar has looked like for the past few years. Your child's school will be sharing more details about what that will look like as the year unfolds.

The 2024-2025 school calendar can be found [here](#).
