Campus Principal Message

Hello East CLC Families,

Only a few quick announcements this week!

The Father's Walk is Thursday! Fathers, father figures, and male role models are invited to escort their Dragons to campus on Thursday September 19! We will have refreshments, photos with our mascot, and information in front of the building from 7:30am-8am!

I have updated the important dates in the left column and will continue to do so. A few families had requested the information for our School Picture Day, currently scheduled for November 11. Details will be emailed closer to the event.

We would like to ask for your feedback! Each month we will include a very brief survey as we collaborate with our community to improve our practice and work toward continued student growth! Please consider taking part in this [brief survey](#) or send us an email using the contacts on the left at any time.

Thank you!

Dr. Noland
