4th quarter is here, summer is close by!
By Nicholas Williams

So, here we are, the LAST quarter of the year! We survived 3 quarters so far. It feels like we were just in in the 2nd quarter. We just have to make it through the end of June, then we're off from school for July & August and then, back in September.

I can't believe we're in June already! Finals are coming up. If you're in band, orchestra or chorus, you're done with those finals. Final exams are going to include all the material we learned from September. I hope you do well.

Good luck these last few weeks of school and good luck on the finals. Have a good summer!

The middle school Cleary School students and staff, and Mrs. Ware's Master Readers Book Discussion Club recently took a trip to see a musical production of "**The Lightning Thief**". The trip on May 10th was to the Westhampton Beach Performing Arts Center. The show is based on Rick Riordan's young-adult novel.

Movie Review - Avengers: Infinity War

By Tyler Niles

(WARNING: Spoilers Ahead)

Avengers: Infinity War is the sequel to **Avengers: Age of Ultron** and is the 18th film in the Marvel Cinematic Universe (MCU). This movie has over 70 cast members and 22 heroes. The heroes are Captain America, Iron Man, the Hulk, Thor, Black Widow, Spider-Man, Falcon, Scarlett Witch, War Machine, Black Panther, Vision, Star-Lord, Rocket Raccoon, Drax, Gamora, Groot, Mantis, Nebula, Okoye, Winter Soldier (now being called White Wolf), Doctor Strange and Wong.

This film “is the Culmination of all of the MCU films before it” said Marvel Cinematic Universe CEO Kevin Feige. This movie has lots of action, suspense, horror and emotion. For an MCU fan, the ending of this movie is heartbreaking and it does not feel like a classic action movie ending.

The basic plot of the film is centered on Thanos, who is the main antagonist. His team is known as “The Black Order” in comics and includes Ebony Maw, Cull Obsidian, Proxima Midnight and Corvus Glaive. Their mission is to maintain all 6 of the Infinity Stones which consists of the Soul Stone, Mind Stone, Reality Stone, Time Stone, Power Stone and Space Stone.

Image from <https://www.marvel.com>

It was a great film, although after it ended, no one clapped. The emotional, dull ending left the audience in shock because (SPOILER) half of the twenty-two heroes disintegrated at the snap of Thanos’ fingers.

At the end of the day I think that Marvel Studios did a wonderful job at bringing all of these characters together into one film that fans have been waiting 10 years to see. Although not perfect, Avengers: Infinity War, in my opinion, gets 5 out of 5 Stars.

Flower Pot Decorating Contest – April 25, 2018

Run by Student Government

The winning team members were:

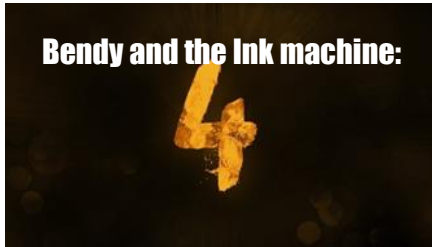

Team #2 - Best Overall - Avery Simmons, Abigail Lennon, Bella Procaccini

Team #3 - Most Original - Julia Nieves, Kiley Nolan, Lindsey Roses

Team #5 - Mom's Favorite - Gabrielle Procanni, Maireed Cardillo, Sophie Jensen, Courtney Casani

Each winning team member received a \$10 gift card to Starbucks! Congratulations!

A collaboration between Kaitlyn McCall and Melissa Lubitz

Hi there, readers! It's me Katie, back with another game review and this time with my friend, Melissa Lubitz. We will be covering the popular indie-horror game **Bendy and the Ink Machine - Chapter 4**. Now, on to the review.

Chapter 4 of BATIM was supposed to be released on April 28th but it was postponed to April 30th due to Steam errors. It was worth the wait! The game's graphics are insanely awesome, the OST got a sick upgrade, and there are also updates to the past chapters. It went from "meh" to LIT FIRE! Ahem...ok I may have expressed my opinion a bit too much there...MELISSA?

Finally! So it starts with you having to find a valve which was in a creatively painted room. Then, you have to search through the book collection to find 5 books to open a door. When you find the third book, the lights decide to spook you. Then you have to get over a pit of death and when you do, you get another attack halfway across. There are lots of minor jump scares that have nothing to do with this plot and so....Katie?

What? Oh, right. So then, while going through a vent to continue your quest you confront Bendy – who spared you. What? Ok, Melissa take the wheel. I need to theorize.

Yay! Then you enter an abandoned theme park and play the games to access switches to help with your progress. After that, you meet a crazy monster named Bertrum Piedmont inside a tornado ride. After you slay him, you venture into the deep and encounter the Projectionist. After you find the last switch, you-

Hold the phone, this is my turn! You hide in a "Miracle Station" (an indoor outhouse used to escape Bendy) but, Projection-dude sees you in it. He tries to get you out but then fights him and the dancing demon comes out victorious. He saves you!

Well, that's all the time for today. You'll have to see the end, but it's so cool when he fights Angel and "Franken-Boris" and he dies but then he doesn't -

MELISSA, THAT IS A SPOILER! BYE BYE. PLAY IT. PLEASE! -Katie

In our November issue, we shared the list below. The hurricane season officially began on June 1, 2018, and will end on November 30, 2018. Subtropical Storm Alberto became the first named storm of the 2018 season. It hit Florida on May 28th and traveled north to Michigan.

Tropical Cyclone Names

Here is the list for this year:

Atlantic 2018

ALBERTO	LESLIE
BERYL	MICHAEL
CHRIS	NADINE
DEBBY	OSCAR
ERNESTO	PATTY
FLORENCE	RAFAEL
GORDON	SARA
HELENE	TONY
ISAAC	VALERIE
JOYCE	WILLIAM
KIRK

The Quarterly Gamer Corner By Johnathan Yankus

Argh, me mateys, ye be back for the last time to talk about **Sea of Thieves**, the brand new, pirate, action adventure game that is now available along with over 100+ other games on the Xbox game pass. Now, there has been some negative feedback toward this game saying that there's not enough gameplay in it, but I really like it. It's simple, it's fun, and most of the time it requires you to work online, either with friends you have now or friends yet to be.

The story is simple: you are a pirate and you must sail the Sea of Thieves and collect different artifacts for different orders that must be gained different ways. There are gold chests for the "Gold Hoarder" order, in which you buy a random quest, as with all the other unions, which give you either a map, a riddle or both. Then there's the "Order of Souls" where you collect skulls from skeletons (the main enemy in the game) that you find on different islands from wanted posters that you buy at their shack. Then finally there is the "Merchant" order (my least favorite). This one has you run to different islands to collect plants and animals to deliver them to customers within a certain amount of time. You can use either the sun or your watch to keep track of how many days have gone by.

There is also a way to select what ship you would like to use. There is the galleon, a sturdy ship with more cannons but is not as maneuverable as the sloop which can make tighter turns but requires less damage taken to sink it. The creators of the game are supposed to be adding more ships as well as more content, but for now the only thing you can buy are cosmetics for your ship or for your character. The combat system is great as well. The guns are slow and clunky just like real pirate guns were back then. There are also some tricks you can do with the sword, but I won't spoil the surprise.

Overall this is probably one of the best games I have ever played. It doesn't need a lot of lore to be fun (unlike **Overwatch**). The graphics are beautiful. The feeling of sailing across the ocean with your pals, plundering and pilfering really grabs you and is unlike anything I've ever played before.

**Musician Spotlight:
Logan Brandt and Ethan Zeledon**

Mrs. Avella interviewed these two 6th grade musicians who play cello in the orchestra with Mrs. Collins. Photo by Mrs. Avella.

What made you choose to play the cello?

LB: My Mom always played orchestral music and I always liked the sound of the cello.

EZ: I saw videos of cello players when I was younger and I liked it. I also heard it might lead to scholarship money for college.

What other activities are you involved in at school or outside of school?

LB: Spanish Club at school and lacrosse outside of school.

EZ: I was in the TV Media Club this year and outside of school I was part of a swim club.

How often do you practice the cello?

LB: I try to practice every day but it depends on my schedule.

EZ: I try to practice about an hour a day.

Good luck to Logan and Ethan as they continue their musical pursuits!
