Students at Chelsea High School are graded according to a 4.0 scale. The scale is as follows: 4.00=A, 3.667=A-, 3.333=B+, 3.00=B, etc. All courses are counted and weighted equally for purposes of compiling the cumulative grade-point average and class rank. Students are selected for the honor roll based on the term GPA. "Honors" level courses are coded with an "H" on the transcript.

We also generate a "weighted G.P.A." for colleges to use if they desire for admissions and scholarship consideration. The weighted G.P.A. uses this scale: 5.00=A, 4.667=A-, 4.333=B+, 4.000=B, etc. All AP and "Honors" level courses receive the enhanced weighted honor points.
