

Science Honor Society

The Seneca Valley Science Honor Society is an honorary organization that recognizes and encourages scientific thought. It offers many opportunities for students to interact in both the classroom and community settings.

Requirements of Members:

- Submit to Random Drug Testing
- Complete independent research
- Participation in STEM Fair (March 20)
- Five hours of STEM related community service

Activities:

- STEM Fair (required)
- Present research at PJAS at SRU on Feb 22
- Present research at PRSEF on April 2
- Lab Assistant/Science Tutoring opportunities
- Induction into Science National Honor Society (other eligibility requirements)
- Elementary Outreach Days (October 26 & TBD)
- Elementary Science Fairs (usually in spring)
