

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Jointly Developed with Parents

The parents of Benjamin E. Mays IB World School helped develop this Compact for Achievement. School wide meetings are held each year to update the compact. Parents are welcome to contribute comments at any time.

For more information on the 5th Grade Compact, please contact Devina Moore at Devina.Moore@spps.org or 651.325.2400.

Communicating about Learning

Benjamin E. Mays IB World School is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

- *Mays Weekly Highlights* e-mail
- Website: www.spps.org/mays
- Teachers will provide contact information at the start of the school year.

If you have questions about your child's progress, please contact their teacher.

Activities to Support Partnerships Conferences

October 29, November 7 3:00-6:00 pm
November 8, 8:30 am-2:00 pm
March 18 & 27, 3:00-6:00 pm
March 28, 8:30 am-2:00 pm

Parent Workshops & Advocacy

Title I Night/Mays CAFE Dec 4th, 5:30-7:30 pm
Family Days Pre-K, K, 1st, & 2nd October 1-2
Year in Review, May 1, 4:30-6:00 pm

Parent Advisory Board

Tuesday, October 1, 4:00-5:00 pm
Tuesday, December 10, 4:00-5:00 pm
Tuesday, February 25, 4:00-5:00 pm
Tuesday, April 15, 4:00-5:00 pm
Tuesday, May 6 4:00-5:00 pm

Family Engagement Events

Meet & Greet August 29, 2:30-4:30pm
National African American Parent Involvement Day (NAAPID) February 10-14
IB Showcase February 12-16

Benjamin E. Mays IB World School

5th Grade Compact
2024-2025

Information to help your child
succeed in school

The 2024-2025 school year will focus on helping our students become **Independent Learners**. This means **instruction** that supports students while pushing **rigor** and providing opportunities for **agency**, self-monitoring, and independent use of **strategies**. Literacy & math **small groups** will be key to forming Independent Learners. Small groups meet students where they are with **relevant** instruction to **accelerate learning**.

Benjamin E. Mays IB World School recognizes families as partners in education. We hope to work together to develop Independent Learners.

District Goals

District Goals for Student Achievement

More at spps.org/strategicplan

- Decrease disparities based on race, ethnicity, culture and identity
- Increase achievement of English Learners
- Increase achievement of students receiving special education services
- Improve kindergarten readiness
- Increase academic growth in reading and math for all students
- Prepare all graduates for college, career and life

School Goals

Reading:

The percent of student scoring proficient or higher in reading will increase from 18% to 35% by Spring 2025 as measured by the MCA.

Math:

The percent of students scoring proficient or higher in math will increase from 16% to 35% by Spring 2025 as measured by the MCA.

In the 5th Grade Classroom

The fifth grade team will work with students and their families to support students' academic success. Some of our key connections with families will be:

- Fifth grade will work on reading comprehension and understanding different genres and text types as well as sustained reading with the goal of students reading for 40 minutes uninterrupted.
- Teachers will work to provide access to books for reading at home.
- 5th Grade students will need to solve real world math problems and word problems with multiple steps. ST Math will help students practice at their level.
- An IB Programme of Inquiry brochure will be sent home at the beginning of each of the six IB units.
- Fifth Grade will host an IB Exhibition event inviting the community to school to explore one of our IB units.
- Schoology will be used to share assignments, student work, and assessments with families.

At Home

Benjamin E. Mays IB World School parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list:

- Make sure my child has enjoyable books to read.
- Ask my child about what they read: What is the main idea? Supporting details?
- Encourage my child to question as they read: Make predictions about what will happen next
- Support reading at home. Visit the library.
- Initial Reading Calendar.
- Work with my child on math homework Monday through Thursday.
- Attend the IB Exhibition event and look for the IB Programme of Inquiry brochures.
- Look for the *Weekly Highlights* email.
- Use Schoology to follow my child's classwork.

Benjamin E. Mays Students

Benjamin E. Mays IB World School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars. Students thought of the following ideas to make connections between learning at home and school:

- Bring the classroom newsletter and IB brochures home and share with my family.
- Read for at least 20 minutes at home daily.
- Bring home bi-weekly progress report and show to my family.
- Bring homework home to complete Monday through Thursday and return it to school.
