

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Jointly Developed with Parents

The parents of Benjamin E. Mays IB World School helped develop this Compact for Achievement. School wide meetings are held each year to update the compact. Parents are welcome to contribute comments at any time.

For more information on the Pre-K compact, please contact Devina Moore at Devina.Moore@spps.org or 651.325.2400.

Communicating about Learning

Benjamin E. Mays IB World School is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

- *Mays Weekly Highlights* e-mail
- Website: www.spps.org/mays
- Teachers will provide contact information at the start of the school year.

If you have questions about your child's progress, please contact their teacher.

Activities to Support Partnerships Conferences

October 29, November 7 3:00-6:00 pm
November 8, 8:30 am-2:00 pm
March 18 & 27, 3:00-6:00 pm

Benjamin E. Mays IB World School

Pre-K Compact
2024-2025

Information to help your child
succeed in school

The 2024-2025 school year will focus on helping our students become **Independent Learners**. This means **instruction** that supports students while pushing **rigor** and providing opportunities for **agency**, self-monitoring, and independent use of **strategies**. Literacy & math **small groups** will be key to forming Independent Learners. Small groups meet students where they are with **relevant** instruction to **accelerate learning**.

Benjamin E. Mays IB World School recognizes families as partners in education. We hope to work together to develop Independent Learners.

District Goals

District Goals for Student Achievement

More at spps.org/strategicplan

- Decrease disparities based on race, ethnicity, culture and identity
- Increase achievement of English Learners
- Increase achievement of students receiving special education services
- Improve kindergarten readiness
- Increase academic growth in reading and math for all students
- Prepare all graduates for college, career and life

School Goals

Reading:

The percent of student scoring proficient or higher in reading will increase from 18% to 35% by Spring 2025 as measured by the MCA.

Math:

The percent of students scoring proficient or higher in math will increase from 16% to 35% by Spring 2025 as measured by the MCA.

In the Pre-K Classroom

The Pre-K team will work with students and their families to support students' academic success. In Pre-K we focus on speaking, listening, reading, and writing. We teach letter names, letter sounds, rhyming, and understanding how a book works. Colors, shapes, patterns, counting to 10 and working with numbers are primary math focuses in Pre-K. Some of our key connections with families will be:

- Family Days in fall and spring for you to explore the classroom setting.
- During Family Days and Parent Teacher Conferences, parents will receive take home activities.
- In Pre-K we build foundations for the IB (International Baccalaureate) Programme by including IB vocabulary and encouraging inquiry from the students. Families will be invited to the February IB Showcase (featuring K-4).
- Seesaw will be used to communicate and share work samples with families.

At Home

Benjamin E. Mays IB World School parents joined staff to develop ideas about how families can support students' academic success. Families may have other ideas to add to this list:

- Come to the Family Days in fall and spring.
- Have fun with the activities provided at Family Days and conferences.
- Read together often.
- Talk with your child about colors, shapes and numbers in everyday life.
- Look for the classroom newsletter every week.
- Sign up for Remind in the fall (Remind is a parent communication app).
- Look for the *Weekly Highlights* e-mail and check backpack regularly.
- Use Seesaw to follow my child's classwork.

Benjamin E. Mays Students

Benjamin E. Mays IB World School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars. Students thought of the following ideas to make connections between learning at home and school:

- Play the games provided at Family Days and conferences.
- Read with my family every night.
- Bring our classroom newsletter home and show it to my parents.
